Awards Are Given At Court Of Honor

Four boys were invested as Tenderfoot Scouts and several other members of the Troop 71 received advancement awards at a Court of Honor for Carrolltown Boy Scout Troop 71 Monday evening of this week in the basement Scout Rooms of St. Benedict's Parochial School.

Parents of the boys pinned the badge awards on their respective sons who received the second class and star scout awards.

Boys receiving second class awards were: James Lieb; Rupert Farabaugh; Richard Buck; David Farabaugh; William Bradley; Anthony Gwizda; Teddy Kotewski; Dennis Kirsch; John Dzusansky; William Bender and Francis Burley.

Scouts advanced to rank of star scout and also received badges, were: Charles Mikula, William Houk, Robert Molnar and Donald Kotewski.

Rev. Father Ferdinand Lilling, O.S.B., assistant pastor of St. Benedict's Church, awarded several merit badges to members of the troop.

Invested as Tenderfoot scouts were Francis Eckenrode, John Thomas, John Passarella and Richard Dowey.

The Silver Palm award to the Eagle badge was presented to Gerald Bender by Michael Michrins, scoutmaster. Mr. Bender, however, was unable to attend. He is a student at Penn State University.

The Court of Honor program opened with the presentation of stunts by the Troop's four patrol leaders, Michael Michrins, scoutmaster, stated that all the stunts were presented very well and he noted that the boys showed a big improvement over the stunts presented at the troop's Christmas program. An open house was held for the parents and a fairly large number in attendance considering the unfavorable weather conditions. Mr. Michrins said he is very pleased with the way in which the parents are showing interest and cooperation with the troop.

Following the Court of Honor program George Bender showed

motion pictures of a recent hunting and fishing trip to Northern Canada.

Scouts Soap Sale Successful

At a short meeting preceding Monday evening event, reports of the soap sale conducted by Troop 71 were made. Mr. Michrins said the sale was very successful and he wishes in this way to publicly thank everyone who helped the scout cause by purchasing soap.

It was in error last week in this column when it was announced that Troop 71 would sponsor a soap sale last Saturday.

The soap sale will be held this Saturday, Feb. 13, beginning at 1:00 p. m. in the basement hall of St. Benedict's Church. The patronage of the general public will be appreciated. Funds will go toward the Troop's summer camping trip.

JCHS Minstrel Varieties Planned End Of Month

The music department of the John Carroll High School, Carrolltown, will present a Minstrel Varieties show on Feb. 25 and 26. Announcements of the mid-winter musical show, made today by Charles Petro, choral director, and Michael Karichick, band director, of the John Carroll High School District.

Three performances will be presented. A matinee will be held on Thursday afternoon, Feb. 25, in the Music Room of the high school in Carrolltown for students. On Thursday evening, Feb. 25, at 8:00 o'clock the Minstrel Varieties will be presented at the Carrolltown school for the general public. The following evening, Friday, Feb. 26, the show will be presented in the auditorium of the Bakerton Grade School at 8:00 p. m. Donations will be 50 cents.

The music directors stated that some 25 students of John Carroll High will participate in the program which will feature singing, both solo and group dancing, instrumental and other various acts. Although entitled a minstrel program, the Minstrel Varieties will not adhere strictly to the old fashioned minstrel pattern. It is something different.

The general public is cordially invited to attend the event. All proceeds will go to the John Carroll Music Department fund.

Girl Scout Leaders Thank Patrons

Girl Scout Leaders of Carrolltown's five Girl Scout Troops today expressed their sincere appreciation and voiced a vote of thanks to everyone who attended the benefit dinner last Sunday in the basement social hall of St. Benedict's Church.

The leaders said they were very pleased in the manner in which the people of the community and surrounding area turned out for the affair. A special vote of thanks is also expressed to all those who donated food and time to make the event a success.

In next week's issue of this newspaper the officials of the local Girl Scout Troops will issue their annual report for the year 1963. A separate report will be listed for each troop.

A meeting of the Girl Scout Leaders will be held next Monday evening, Feb. 15, at 8:00 p. m. in the Parochial School.

Named to the lunch committee for Monday's meeting are Miss Carmellett, Mrs. Ralph Hegner, Joanne Farabaugh and Mrs. F. E. Arble.

BVM Sodality Plans Supper March 2nd

Make plans now to attend the spaghetti supper on Tuesday, March 2 in the basement social hall of St. Benedict's Catholic Church. The event is being sponsored again this year by the Blessed Virgin Mary Sodality of the local church.

Tickets for the meal are being sold at \$1.00 each. There will be sets of tickets sold for the event, for different times. Tickets will be sold for servings at 6:00, 7:00 and 8:00 p. m. This is being done so that everyone will be assured of a "top-notch" spaghetti meal.

The Ladies' Republican Club held a House-Warming Party for Mrs. Rose Arble at her home on Monday evening. A covered dish dinner was served at 6 o'clock, followed by cards. About thirty members of the club were present.

Carrolltown Had Famous Native

This is another in a series of articles on the history of Carrolltown.

There probably were quite a few Carrolltown natives who achieved prominence in their chosen vocations, but none more so than the late Dr. Lawrence F. Flick. Dr. Flick was born in Carrolltown, Pa., on Feb. 10, 1856. He was graduated from the classical course at St. Vincent College, Latrobe, in 1875, and from Jefferson Medical College in 1879. He died at Philadelphia in 1937 at 81 years.

Dr. Flick spent the greater part of his lifetime in the study of the disease that has been such a plague on mankind—tuberculosis, and in his research made for himself a place in medical history among those of the great. He died of heart disease. His youth he had cured himself of the white plague. Other physicians at that time were skeptical when he originally asserted tuberculosis was contagious, not hereditary. But he proved his point, and he also proved that the disease—known for generations as consumption—was the greatest single scourge that could be cured. At the time of his death, in a great measure due to his efforts, tuberculosis had dropped to sixth among all causes of death in the U. S. It probably rates even lower today.

Following graduation as a medicine, Dr. Flick practiced for a year, and then had to forego practice because he was stricken with the disease. With little money and few prospects of earning much because of his weakened condition, he set out for California in an effort to conquer the dread malady and regain his health. It was that trip that put him on the track of a treatment for tuberculosis and international fame as a physician.

In California Dr. Flick obtained work on an orange ranch near Los Angeles, making orange boxes for two cents apiece. He was unable to work more than half a

Battery Lasts Four Years On This Car

A Carrolltown auto firm and a Carrolltown resident will both agree that there's one battery on the road that's well worth every cent it cost.

The local resident, who requested his name not to be published, four years ago last May purchased a large battery from the Westrick Motor Co., new Switzer Buick, for his automobile. Just recently the battery was replaced by a new one after almost 4 1/2 years of service. One cell in the old battery had finally gone bad.

In the records of the "life" of an auto battery, this one certainly can be listed among one of the best every made.

Polio Fund Drive Nets Nice Amount

Residents of Carrolltown last month contributed \$377.21 to the 1964 March of Dimes.

A total of \$140.20 was collected via envelopes sent to all residents of the community. Five other forms of collecting were also used in the fund drive. A breakdown follows:

Envelope returns	\$140.20
March of Dimes School	97.80
Card Containers	32.91
Card Party	16.89
Organizations	12.50
Herbert Jankovich	8.90
Total	\$377.21

The local drive, headed by Mrs. Ligouri Lacey, was sponsored by the Legion Auxiliary to Fox-Peale Post 506, Carrolltown. Mrs. Donald McNelis was in charge of the mailing list.

Herbert Jankovich, of Dutch Valley Farms, East Carroll Twp., a polio victim, helped with the drive. Through his efforts he collected \$8.90 for the fund.

The Legion Auxiliary in this way wishes to publicly thank each and every local resident who contributed to the success of the drive.

BAKE SALE THIS SATURDAY

Boy Scout Troop 71, Carrolltown will hold a bake sale this Saturday, Feb. 13, instead of the last Saturday date which was published in error in these columns. The sale will begin at 1:00 p. m. on Saturday, Feb. 13, in the basement social hall of St. Benedict's Church. The patronage of the general public will be appreciated. Funds will go toward the troop's summer camp fund.

CARD PARTY FEB. 17

On Feb. 17, at 8 p. m., St. Benedict's Church is sponsoring a card party. Cinch, pinocle and bridge will be played, and prizes will be prize awards, as well as a door prize. Lunch will be served by the Altar Society. Admission \$1.25. The benefit is for a community center and for the purpose of raising funds.

County Retesting Bangs' Disease

Dr. Ira Mitterling, district state veterinarian, says that Cambria County is being re-tested for Bangs disease control in all those townships operating under the area plan. Dr. F. W. Macey of Indiana is scheduled to test Blacklick and Barr Townships. Dr. George Espey, veterinarian from Altoona, is testing Washington and Crescon Townships. Dr. Wilbur Clark of Gettysburg is testing Adams, Conemaugh and Croyle Townships.

In addition to the re-testing two townships are now getting their initial test for brucellosis. Altoona Township is almost completed and West Carroll Township should be in the process very soon.

A. C. Terndrup, county agent, stated that if the five remaining townships—White, Deer, Conemaugh, Portage and Jackson—which are not tested, would complete sign-ups for testing, Cambria County would shortly be accredited as brucellosis free. Then owners could be sure that all cattle in the county are free from this contagious disease. Most of the surrounding counties are certified and with Cambria County tested and clean, this would make a solid block of counties that are free from brucellosis. It means that cattle men can be assured that the possibility of Bangs disease coming in contact with their herds is very remote.
