Some Rambling Observations

Throughout the past goodly number of years farmers and other property owners of this section of the county have been gradually planting more and more evergreen seedlings...

We say to these men forget about our reelection. We may fool you because I haven't decided whether or not I shall seek public office again. In case I do, it is two years from now and are you men willing to sit idly by...

In a medical doctor in Cambria County, or in the nation as a whole, who will inform the public that he can cure cancer, be it surgery, radium or X-ray deep therapy?

So we wonder why men of this NOWS THE TIME for SPRING TRIPS-SUMMER PLANNING SEE
