

Get A Deer? Then Get It Published In 'Courier'

Don't be angry if by chance your name isn't listed in our Deerhunter column...

The 1954 12-day antlered deer season opened with a "bang" at 7:00 a. m. Monday morning...

It was the same old story for many of the hunters—'I saw a buck, but I couldn't get it.'

Although many, many deer hunters take to their hunting camps in the central and northern sections of Pennsylvania...

Over-hill reports this week are rather scarce, but only because only three full days have been covered in the 12-day season...

Right here on home ground those "famous" deer stories are beginning to circulate rapidly...

Then there was the Patton man who sat in the car and read a book and played the radio while his buddies put on a deer drive...

John Mikula of Patton was the very first area deer hunter who reported a kill to be published in this column...

That deer rooster in Stubby's Tavern in Hastings is also growing longer as the days of the season move along...

Over St. Augustine way a report came in from Anthony Senko of that place who felled a 5-point, 130 pound buck at 11:15 a. m. Monday at Little Hillbuck...

this area. Both kills were made on Monday.

The other two Patton nimrods taking buck were Michael Zupon, 4-pointer at about 9:00 a. m. on Monday and Francis Vescevi, of Patton R. D., an 8-pointer at about 10:30 a. m.

The Black Muskegon Mountain, Clearfield County, was the scene of three buck kills the first day of the season.

To be continued next week:
