St. Francis Cagers Trip St. Vincent 66-41 On Tuesday

Game Played Under New Colleague Rules The Red Flashes of St. Francis College opened their season with a 66-41 victory over St. Vincent's College at Latrobe Tuesday night after the Bearcats stubbornly held the lead for the first 7 1/2 minutes of the game. The Loretto cagers were forced to play without Gene Phelps, regular guard who was ruled ineligible by the NCAA. Coach Skip Hughes, hospitalized with a case of ulcers, also was missing. Using a semi-freeze, the upset-minded home forces jumped out front, 9-4 in the opening minutes. St. Vincent's held the upper hand until Maurice Stokes' basket moved the Flashes ahead, 10-9, with 12:30 to go in the first half. Stokes was high with 18 points and teammate Walt Mihinski had 14. Phelps was informed by Aaa Bushnell of New York that the five games in which he participated in 1932 used up a year of eligibility. Phelps, who graduated in January, coached the team in Hughes' absence. St. Francis made 10 of 15 fouls and 28 of 58 heaves at the hoop for a 58 per cent shooting average but was hard pressed to get rolling against the Bearcats. Coach Hughes is expected to direct the Flashes against Westminster in Altoona tonight and against Villanova in Philadelphia Saturday night. St. Francis' game at Emmitsburg, Md., against Mt. St. Mary's has been moved from next Monday to Sunday. The Red Flashes' junior varsity, paced by Bob Ford's 11 points, defeated St. Vincent's reserves, 34-25, in the preliminary. Tuesday night's varsity game was played under the new collegiate rules of playing halves instead of quarters.

Grange Members At Chest Springs Visit 'Open House'

Members of Pleasant Hill Grange gathered at the Grange Hall Friday evening, Dec. 3, for their regular meeting, but it was decided to take advantage of the open house observance at Patton-Chest Joint High School. The group toured the school under the guidance of Miss Sally Warner, and were impressed with the many changes and improvements. Following the school visit, Grange members, who are also citizens of the Prince Gallitza School District, talked with Jesse Cogley, concerning a proposed jointure of the Prince Gallitza School District with Patton-Chest School District. Cogley pointed out that education, like everything else, is progressing, and in order for the graduates to be able to compete with graduates from larger schools, constant improvement is necessary. He also stated that it was his belief that where the advantages of jointure are understood by the people concerned, the plan is a popular one. The business meeting of the Grange will be rescheduled for tomorrow night, Dec. 10, at 8:30 p. m. A Christmas program is being planned for December 17.

Notices NOTICE OF INTENTION TO REENACT A RESOLUTION IMPOSING A PER CAPITA TAX BY THE BOARD OF DIRECTORS OF THE SCHOOL DISTRICT OF EAST CARROLL TOWNSHIP, CAMBRIA COUNTY, PENNSYLVANIA.

Notice is hereby given that the Board of Directors of the School District of East Carroll Township intends to adopt a Resolution at a special meeting of the said School Board to be held on the Thirtieth day of December, 1934, at eight p. m. (EST) by terms whereof it will levy, assess and impose the following tax for general revenue purposes to become effective on and after the First day of January, 1935, and to continue in effect thereafter pursuant to the authority contained in the Act of Assembly of the Commonwealth of Pennsylvania, known as Act No. 481 approved June 25, 1947, P. L. 1145; and amendments thereto: (1) A per capita tax of Five (5) Dollars upon every resident of the East Carroll Township over twenty-nine years of age, which tax shall be in addition to all other taxes levied and assessed by the Board of Directors pursuant to any other laws of the Commonwealth of Pennsylvania. The Resolution will also provide for a tax collector, method of collection of said tax, interest and penalty in event of default and compensation to the tax collector for said collection. It is the judgment of the Board of Directors that the imposition of the proposed tax is necessitated by the increase of operating expenses in the carrying out of the duties, obligations and responsibilities of said School Board and the insufficiency of income from existing taxes. It is estimated that the amount of revenue to be derived from the imposition of the proposed per capita tax will be \$2000.00. Any interested party may examine the Resolution at the residence of Mildred Whitford, Secretary, R. D. Patton, Penna. EAST CARROLL TWP. SCHOOL DISTRICT By AARON A. PROSSER, President.
