#### **Ebensburg Holmes Group Tops Safety Record for State**

Ebensburg Council last year compiled the best safety record among the six Pennsylvania Councils of Joseph A. Holznes Safety

The state results were announ ced last Friday night at a meeting of the winning council in the Ebensburg Council took top honors with 75 lost time acci-

dents in 3,031,06 manhours which produced 2,714,214 tons of coal. There were no fatalities in mem-

The council's accident frequency figured on the number of lost-time accidents and total manhours, was 24.74. Indiana Council won the 1953 award. Allegheny Council was second with a frequency of 25.27 on 127 accidents in 5,144,772 hours. Three

fatalities were recorded in that council which produced 4,956,633 Other council totals were: Northern Cambria—27.87 frequency; 61 accidents, no fatalities, 2,188,767 hours and 1,772,992 tons.

Indiana—29.87 frequency, 88 accidents, 9 fatalities, 3,247,920 hours and 3,460,330 tons.
Kiski Valley—34.50 frequency, 310 accidents, 75 fatalities, 550. 319 accidents, no fatalities, 550,-147 hours and 678,000 tons. Windber—36.80 frequency, 135 socidents, 2 fatalities, 3,723,143

liours and 2.564.684 tons.
Three mines with accident free records in January won safety hanners. They were Sonman Slope Mine, Penelec Mine 5 and Car-Harvey Younker, assistant to the President of District 2, U. M. W. A., was principal speaker. He praised the council for win-

ning the state award and stress-other safety measures. -U. S. Savings Bonds are your heat buy. They work for you 24 hours a day, and they grow while
