Lipman's SMART APPAREL FOR WOMEN. BARNESBORO

Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance. The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nested there may look much like other V-8's—but that's where your eyes deceive you!

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

Most Modern Engine in Any Car THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the sweetest and most advanced engine you can buy. Standard with all three lines of Pontiacs, it develops 180 H.P. and reaches a blazing 200 M.P.H. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car of any price.
