# LETTERS TO JANE

A. PAULINE SANDERS, Ph.D. Irvona, Pennsylvania Detr Jane.

I'm about to burst with pride. At last some of my fondest hopes and earnest labor are paying off. Planting at our house is just about completed—only a few baby flowers to transplant, and then the job for

Dr. Sanders is ablaze in all of its beauty.

Nicest of all for a practical soul like me are the onions, chives and lettuce. Nothing ever tasted better than the tender greens plucked within the hour of serving.

There is loads of lettuce on the market just now. This is good news for lettuce is the backbone news for lettuce is the backbone of the salad, trimming for the sandwich, and the dieter's de-light. Salad eaters take note-lettuce is in abundant supply just now, especially the Iceberg type, with prices at bargain levels.

Daytona Beach. NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too-but one! But wait!-this is just the beginning!

Daytona Beach. NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach. NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 1.50 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet . . . and live in a land of going-away where you win all the arguments! Soon, maybe? Ministered Association for Stock Car Auto Bacing
