#### **Color Makes the News In Shirts**

Color plans the biggest part in the men's shirt story for this spring and summer. Soft pastels are solidly enthenched. The po-pularity of colored dress wardrobe grows apace, and for spring there is an ever-widening spectrum.

The success of pink and helio will continue into the warmer months. Cognac, peach, lime, mint green, rust, orange and bright blues are also very much in the picture. At the other extreme. charcoals have been added to dress shirts for ensembling with the lighter summer coat.

Although solid colors hold the spotlight, subdued and subtle pattern effects in fine stripes, candy stripes and fine checks figure importantly on the style scene. will continue their Collars

trend to short points with medium spread.

ium spread. Dress shirts will be broadcloth, chambray or the new open weav-es which are presented in both natural and man-made fibers, in-cluding striped leños and patterns in fine Dacron batistes. Sport shirts run the gamut from white to black, with fiests values buseavne, rum colors.

yellow, buscayne, rum colors, mint, orange and cognac bidding for flavor. Patterns will include novel designs, checks, stripes, plaids, dots and space figures.

The July meeting will be held The residence of Clara Beers. COUPLE EXPRESS THANKS Mr and Mrs. Amos Glass wish to express their thanks for the Desce at the July of meeting. Coupling included: D. S. Brau-cht, vice president; Ira W. Mc-Gonegal, Jr., secretary, and Geo. Lucas, treasurer, who was re-elected. President Eugene Heil express-
