

Expect Outstanding Parade At Barnesboro This Evening

Firemen's Week Program Part of Promotion To Provide Funds for New Firemen's Building

One of the largest parades in history of Barnesboro will be held Thursday evening, June 30, as the highlight of the Firemen's celebration week currently being held in Barnesboro by Hope Volunteer Fire Company.

Fire Chief Maurice Tibbott of Barnesboro, who is serving as the parade marshal, states that this evening's parade promises to be large in all respects with a number of units to vie for top honors.

The parade will assemble in the North Barnesboro section and the route will be as follows: Up Chestnut Avenue to Eighth Street, down to and along the principal down-town streets, around the North Spangler loop and back to the main down-town section.

A first prize of \$125 will be awarded the best drum and bugle corps and \$125 will also be given the best band in line of march. Attractive second and third prize awards will also be given to units participating in the event. Mr. Tibbott said acceptances from or-

ganizations that will attend this evening's event have come in from 50 miles or more.

The annual Firemen's Week celebration in Barnesboro will also be highlighted by the Thompson Bros. Carnival of Altoona which is set up on the parking lot adjacent the Barnesboro American Legion and Sabella's Bus Terminal. The carnival will be open nightly up to and including this Saturday, July 2.

Pat Long, Barnesboro, and his brother-in-law, Sam Gates of Allerton, Pa., on a duel ticket, were winners of the first annual drawing of the Car of Your Choice Club at a colorful banquet Thursday evening of last week in Barnesboro American Legion Home. A total of 120 members were present or were represented at the first annual drawing-banquet which was sponsored by Hope Fire Company.

Each of the 120 members of the unique club received awards at the dinner. A number of surprise awards were given. The last name

drawn from the box, which was Mr. Long's, received the top award valued at \$3,300. Members of the club did the drawing and Mr. Long's name was taken from the box by Mrs. Robert Taylor of Barnesboro's Taylor's Bakery, oldest member of the club.

Alfred Kiehl of Barnesboro was the third last name drawn, and Robert Whalen of Spangler was the second last name drawn at the dinner-meeting.

R. H. Steele, chairman of the Hope Fire Company's ways and means committee, was chairman of Thursday's dinner-meeting. In brief remarks he gave a historical background of the company, what it has accomplished and what it expects to do in the future. At the present time the company is constructing a modern building on Philadelphia Ave., Barnesboro, to house fire equipment, as well as to provide modern facilities for the borough's business office, police department and council offices.

Funds raised from the Firemen's celebration will go toward financing this building.
