

SPANGLER

Pretty Wedding Here On Saturday Afternoon

The Presbyterian Church in Cherry Tree was the scene of a very pretty wedding at 2 p. m. last Saturday, when Miss Betty Leslie, daughter of Mr. and Mrs. Clair Leslie of Spangler, became the bride of John Meyer, son of Mr. and Mrs. Ralph Meyer of Cherry Tree. Rev. H. Kenyon Leishman, pastor of the Spangler Presbyterian Church, performed the double ring ceremony in a beautiful setting of gladioli and asters. Prelude music and the wedding march were played by the organist, Mrs. Cameron.

The bride wore a waltz-length white gown of six-tiered lace and short veil and tiara of seed pearls. She wore the traditional "something old, something new, something borrowed, something blue." She was given in marriage by her father and carried a white Bible with a white orchid. Mrs. Elwood Bennett, sister of the bride, as matron of honor, wore a blue gown and carried blue carnations. Miss Patty Arotin, niece of the groom, as bridesmaid, wore a pink gown and carried pink carnations. Wilbur Meyer served as best man for his brother, and Gerald Leslie, brother of the bride and groom, acted as usher. The reception and wedding supper which followed, were held at Woodley's Hotel.

Upon their return from a wedding trip to Niagara Falls and Canada, the newlyweds will reside in Cherry Tree. Mrs. Meyer is a graduate of Spangler High School and was employed at the State Sanatorium in Crossen. Mr. Meyer, a graduate of Montgomery Township High School, and a veteran of the Korean War, is employed by the Barnes Coal Co. at Elmora.

Spangler 4-H Members To Tour Pittsburgh Area

Members of all groups of the Spangler 4-H Club will make the Cambria County 4-H Club tour to Pittsburgh on July 18th. The cost of the tour is \$2.25 per person and the money must be paid by the date of the next meeting of the club, which is July 14th. Members of the Spangler 4-H Club are reminded that their books which are now being sold through the table lamps, must be turned in on or before the next meeting July 14. Money may be turned in to the committee chairman Marie Falger or some time to any one of the club leaders.

The "Busy Bobbins" group of the Spangler 4-H Club worked on their dresses following their business meeting in the High School last Saturday. Joyce Grysoski, a member of this group, attended the 4-H Camp at Newton-Hamilton. The group discussed the Pittsburgh tour.

The "When You Step Out" group of the Spangler 4-H Club held its regular meeting in the High School last Thursday. The topic of the meeting was "Dating," and featured a panel discussion on the subject, with Anita Gray, Bonnie Jones and Mary Kay Jones, as panel members. The group also discussed the tour to Pittsburgh, and voted a donation for the erection of road signs.

Spangler Fire Auxiliary Makes Convention Plans

The regular monthly meeting of the Spangler Fire Ladies' Auxiliary was held in the Fire Hall last Friday evening with the president, Mrs. Zela Whalen, in charge. The annual convention will be held in Nantuxo on August 3. Delegates who wish to go are asked to contact Mrs. Josephine Dunchak as soon as possible regarding transportation. The business meet was followed by bingo and cards with prizes being won by Mrs. Layton, Mrs. Daugherty, Miss Betty Ann Demi, Mrs. Lillian Demi, Mrs. Louise Constant and Mrs. Rachel McLaughy. Hostesses were Mrs. Charlotte Fenello, Mrs. Pallons, Mrs. Geradine Doran and Mrs. Certo.

Cresson Navy Pilot Killed As 2 Planes Collide Over Gulf

Lieut. (JG) John A. Herchel, 27-year-old Cresson native, was one of the Navy pilots who lost his life last Wednesday in the air collision of two trainer craft over the Gulf of Mexico.

He was a son of William and Gladys Herchel and was married to the former Jane Ann Davis also of Cresson. He had been serving as an instructor in the Navy Air Branch at Corry Field, Fla., for the past two years.

Also killed was Ensign Gerald B. Wood, 22, of LaJolla, Calif., a student pilot. The collision occurred about 20 miles south of Pensacola, Fla.

The two planes were circling at 500 feet awaiting landings on the training carrier Salpan when they collided. Both planes were from Santa Fe, Fla.

The crippled crafts plunged into the water and sank. A Navy salvage boat was dispatched to attempt to raise them.

Lt. Herchel was a graduate of Cresson High. He entered service in 1946 and attended Pennsylvania Military Academy for two years under the Navy's V-5 program, and later won his wings as a Navy pilot. He expected a promotion this month.

His widow and two sons, Richard, 4, and David, 4, resided in Pennsylvania. Herchel was the only child of the Cresson couple.

Construction Work At Loretto College Adds to Facilities

Continuing in the Development program, St. Francis College is in the process of remodeling the administration building. New offices and facilities are being built on the first floor of Scottus hall, the administration building. A new telephone system is being installed, and a parking area amplete and curbing has just been completed adjacent to the administration building. All this is in the ever expanding Development Program of St. Francis College along with the erection of the three buildings, two dormitories and a dining-recreation hall this year.

Father Xavier Crowley, TOR, stated that because of the drive for memberships and the cooperation of so many people who realize that St. Francis College is a definite social, cultural and business asset to this area that the Development program is moving along steadily. The President of the College stated that there is yet a lot more work to be done and a lot more memberships to be had. He asks all business men, professional people, and private individuals to invest in their future, the future of their children, and the future of an expanding economy in this area by becoming a member of the Development Program of St. Francis College.

Vintondale District Girl Killed Monday By Stray Rifle Slug

A Vintondale R. D. girl was shot fatally Monday afternoon as she sat in the yard at the family home with her mother and two girl friends.

Victim of the mysterious shooting was Lois Mack, 11, daughter of Mr. and Mrs. Robert Mack of Rexis, a nearby Indiana County community. She was pronounced dead on arrival at Memorial Hospital, Johnstown, at 6:00 p. m. The shooting occurred about an hour earlier.

According to Dr. H. C. Long, Indiana County coroner, and state police who investigated the shooting, the child was struck in the chest by a bullet apparently fired at a considerable distance. No one heard the discharge of the gun.

The bullet, apparently of large caliber, passed through the body and has not yet been found.

Investigating officers expressed the belief that the child was killed accidentally by a stray bullet from a nearby railroad track. It was reported by officers that two youths were hunting groundhogs in the area, and that one of them said he shot at a railroad sign that afternoon. The sign would have been in line of fire with the Mack home.

The Mack home is located in Buffington Twp., just across the Indiana County line from Vintondale.

Enrollments At St. Francis Coming In At Rapid Rate

A St. Francis College spokesman in Loretto announced today that the enrollment situation seems to be increasing beyond the expected amount. A survey of classroom spaces has been made, and as it stands there will probably be in all probability a classroom shortage for Sept., 1955.

The spokesman added that we must limit our freshman class due to the classroom space shortage. At the present time tentative boarding facilities could accommodate a freshman enrollment of 185. The "day hop" enrollment this year will be greater than any other year. He is in the history of St. Francis, and the Dean of the College urges all local students who have any intentions of attending college to enroll by at least July 15 so as to avoid any disappointment. Any local area students who intend to attend St. Francis should have his or her application and transcript in before that July date.

Veterans are urged to make contact with J. Paul Melanson, veterans adviser, in the event that they are intending to enter school this September. Veterans also must have their application and transcript and necessary forms in to St. Francis by July 15.

The Dean of the College emphasized the fact that local students should take advantage of higher education at St. Francis College by enrolling and commuting between home and school. St. Francis College, added the spokesman can offer local students an education at a far less cost than if the student had to live on a campus.

Miners On Vacation Lose Holiday Pay If Work Saturday

Saturday of this week, July 9, will be considered a regular work day, paid on a straight time basis, for coal miners who returned to work Tuesday of this week following their annual vacation.

District presidents of the United Mine Workers of America have been advised on the pay rate in letters from John L. Lewis, union president.

The letter states that since the Fourth of July holiday fell during the miners' vacation it will not be computed in arriving at time and one-half payment for work done on Saturday of this week, July 9.

Text of the letter from Mr. Lewis follows:

"Saturday, July 9, will be paid for on a straight-time basis for all employees who returned to work from their vacation Tuesday, July 5.

"Inasmuch as the employees were on vacation the Fourth of July, although considered a holiday, it is not to be computed in arriving at time and one-half payment for work performed on the fifth day of the week, namely, Saturday, July 9.

"This arrangement in no wise affects the payment of time and one-half or rate and one-half for holidays when worked and in all cases except during vacation periods, holidays shall be computed in arriving at the sixth and seventh days in the week.

"Accordingly, those employees who worked Monday, July 4, would be entitled to receive time and one-half or rate and one-half payment for the Monday work and time and one-half or rate and one-half payment for Saturday, provided, however, that the work performed on Saturday was the sixth consecutive day worked in the week."

Citizenship Forms Filed By 16 Aliens

A total of 16 applications for citizenship were received Wednesday and Thursday in the office of Cambria County Prothonotary Joseph C. Dolan.

Initial hearings were given applicants by Carl Stappeler, immigration and naturalization examiner. The 30-day limit between filing of application and the final hearing was waived for an Altoona woman.

Mrs. Edith Kuhn, a native of Rotherham, England, was sworn in as a United States citizen before Judge George W. Griffith. The waiver was granted to permit Mrs. Kuhn to join her husband, James Samuel Kuhn, in Newfoundland, where he is stationed with the air force.

Some farmers look at irrigation as the one way to beat the drought. Irrigation definitely is not a cure-all for poor crops, he says.

Grange European Trip In September

Readers of this newspaper who plan to go on the Second Annual European Tour, sponsored by the National Grange, and leaving New York on Sept. 9, are urged to make their reservations immediately through their nearest American Express office or travel agent.

An unusually heavy demand for September sailings has resulted from the recent waterfront strikes so that space on the SS America is selling out rapidly.

A deposit of \$250 is required to hold a reservation. However, if it is found impossible for an individual to go, deposits will be refunded provided reservation is cancelled not later than Aug. 26.

Free illustrated pamphlet and itinerary available by writing to The National Grange Monthly, Springfield 3, Mass.
