Early Game Bird GRIDIRON Season Now Open

Rails, gallinules and sora are found in Pennsylvania principally in the southeast and northwest portions where there are extensive marsh areas. Not many persons hunt these shore birds, but those who do enjoyed their specialized sport beginning last Thurs day, Sept. 1, may continue until October 30, inclusive.

The 35-day mourning dove season in this state begins Sept. 15; and ends Oct. 19. Doves have steadily increased in numbers in the past few years. Hunters fin them to be fast on the wing and duricuit to bag.

A federal (duck) stamp is not required of hunters after the marsh birds or doves.
