Deer Licenses to Be Available Monday, Sept. 26

Applications Now Available At Ebensburg

Antlerless deer licenses will be available at the offices of county treasurers as of Sept. 26, with applications for these licenses available from county treasurers.

Other sportsmen who plan to hunt "doe" Dec. 12 and 13 in a county other than the one in which they live, the State Game Commission offers these items of information.

Licenses will be available only from the county treasurer in the county in which the sportsman desires to hunt. The likelihood of obtaining a "doe" license will be greater if application is made of a county in which the quota is high.

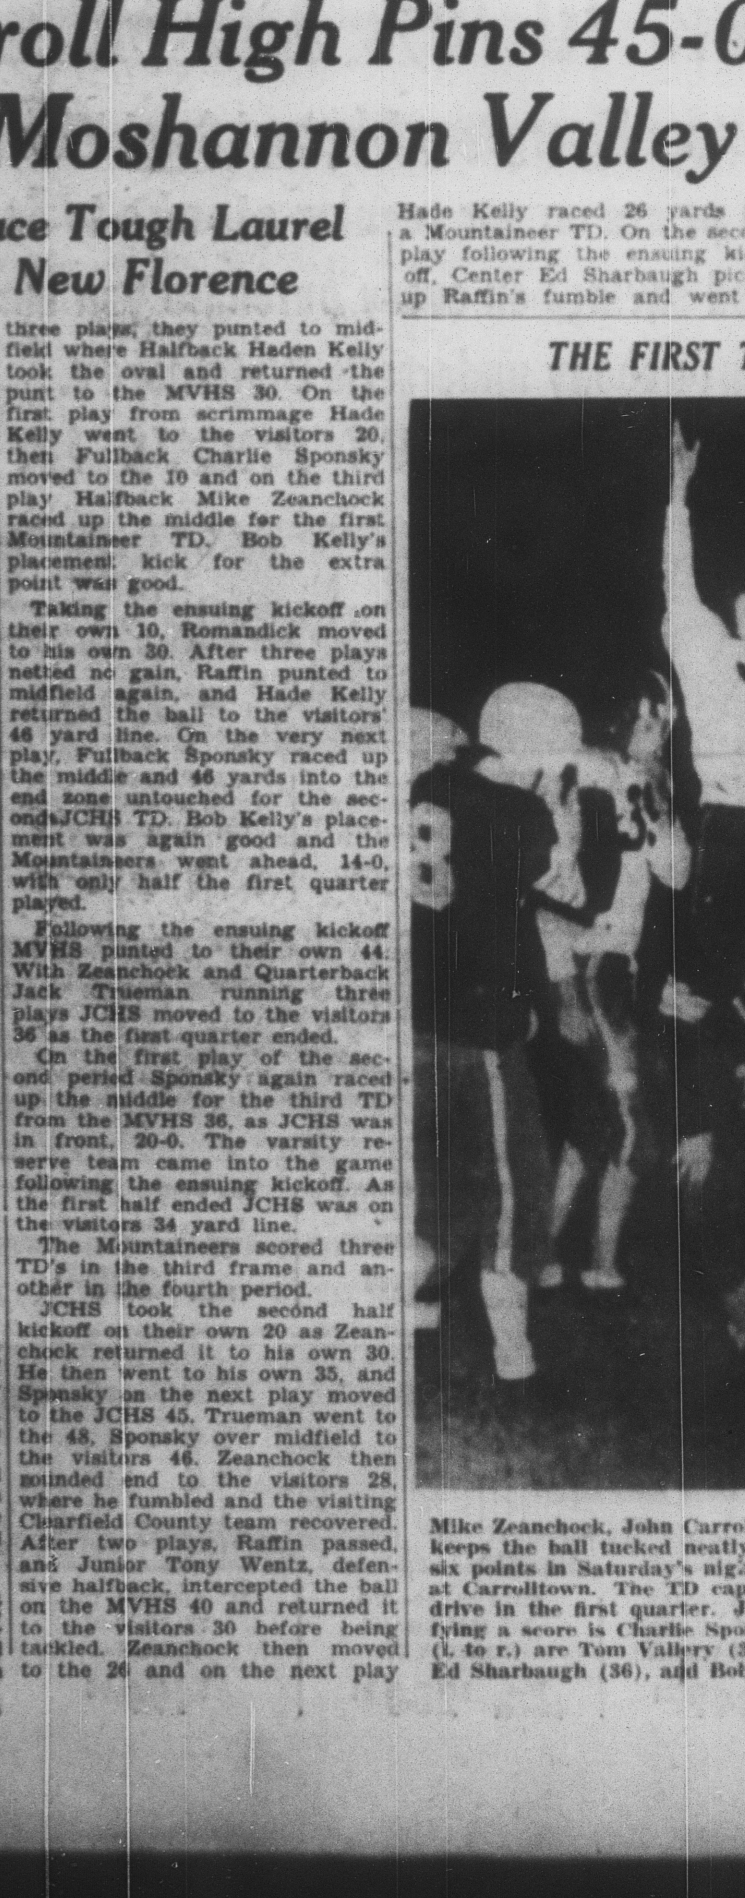

Certain northern counties have been allotted an exceptionally large number of these licenses. As examples, Warren, McKean and Elk Counties each have been allotted 12,000, and Forest County will have 8,000 licenses for this special season.

There are resource management aspects, too, that sportsmen will want to consider. Officials of the Allegheny National Forest which lies in parts of these four counties, have made competent surveys and learned that there are many does to each buck in the county they administer.

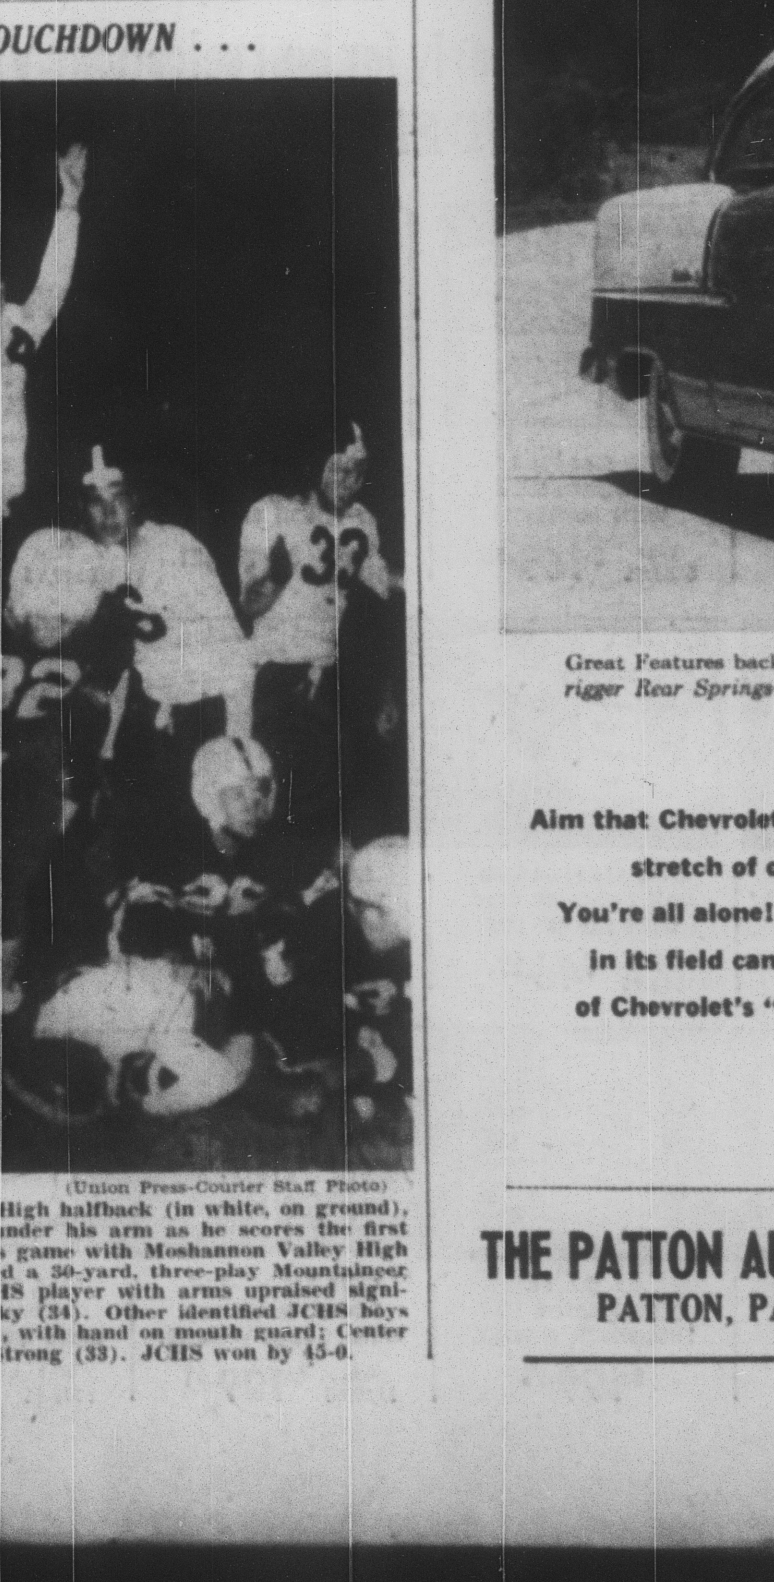

The Forest Service people consider wildlife a recreational asset, but their watershed and timber programs have suffered severely from an overpopulation of deer on National Forest Land.

HE'S CAUGHT! ... NO HE ISN'T!
Jimm Schwab, Patton-Chest end, with ball, appears to be on the way to the ground as the hands of D. Edmison (82) of Penns Manor High in the second quarter action of last Saturday's game at Patton. Schwab, who just took a pass from QB Don Winsko, shook off Edmison, but was tackled a second later by Bob Slonac (71), in background. The play was good for a first down. The Panthers came from behind to tie Penns Manor, 7-7, in the season's opener.

THE FIRST TOUCHDOWN...
Hade Kelly raced 26 yards for a Mountaineer TD. On the second play following the ensuing kickoff, Center Ed Sharrbaugh picked up Raffin's fumble and went to three plays; they punted to middle field where Halfback Haden Kelly took the oval and returned the punt to the MVHS 30. On the first play from scrimmage Hade Kelly went to the visitors 20, then Fullback Charlie Spinsky moved to the 10 and on the third play Halfback Mike Zeanchock raced up the middle for the first Mountaineer TD. Bob Kelly's placement kick for the extra point was good.

THE PATTON AUTO CO.
Mike Zeanchock, John Carroll High halfback (in white, on ground), keeps the ball tucked neatly under his arm as he scores the first six points in Saturday's night game with Moshannon Valley High at Carrolltown. The TD capped a 30-yard, three-play Mountaineer drive in the first quarter. JCHS player with arms upraised signifying a score is Charlie Spinsky (34). Other identified JCHS boys (l. to r.) are Tom Valley (39), with hand on mouth guard; Center Ed Sharrbaugh (36), and Bob Strong (33). JCHS won by 45-0.
