

John Carroll, Cresson to Clash Friday Night

Record Crowd Expected At Indians' Stadium for Kickoff

N. Cambria to Meet Altoona Catholic; Patton to Visit Gallitzin, Hastings to Be Host to Nanty Glo

This week end's spotlight grid game is set for tomorrow night. All roads lead to Cresson tomorrow night, Friday, Oct. 21, when the Cresson Joint High Indians play host to the Mountaineers of John Carroll High of Carrolltown. Game time is 8:00 p. m. (EST) at Cresson Stadium.

Being listed as one of the top games of the current season, tomorrow's battle far outshines any other game of the day, as these two clubs meet for the second time in a new series of friendly games started in 1954.

Both teams will enter the game with impressive marks as they lay their season's records on the line in Class B action of the powerful Western Football Conference.

The Indians of Head Coach Jack Hart to date sport a fine four win, one lost and one tie record. They tied Class A Westmont in the opener, they downed Altoona Catholic and rival Class A Ebensburg, lost by a narrow margin to Portage, tripped up Adams Township and last week rolled over Lilly-Washington.

The Mountaineer forces of Head Coach M. J. Cicero, likewise, are posting a good season's mark. They have six straight victories to date. The wins came from Moshannon Valley, Laurel Valley, Hastings-Elder, Lilly-Washington, Patton-Chest and Nanty Glo.

Although tomorrow's game will be an important Western Conference tilt, it will have no bearing on the Inter-County Conference of which JCHS is a member. Cresson does not belong to the Inter-County circuit.

This annual battle between the two friendly rivals will be one of the most important contests played this season by the Mountaineers.

Last season the Indians and Mountaineers tied, 14-14.

Another area team will also see action tomorrow night on home soil. Following a lay-off of one week due to an open date on the schedule, the North Cambria Colts of Head Coach Ben Miller will be back in action tomorrow when they entertain an improved Altoona Catholic High team at 8:00 p. m. (EST) at Barnesboro Stadium.

To date the Blair County team has an even 3-3 record and has shown considerable improvement since they lost out to Hastings and Cresson in their opening two season engagements. The Colts also have a tough assignment cut out against Catholic, North Cambria, who has tripped up Capt. Jack Tyrone, Johnstown Catholic and DuBois, lost only one to the unbeaten, united Indians, Monday daysburg hot on the trail. Westmont, is in sixth place this week not having played last week end and Conemaugh Twp. is the 7th place squad with a 3-1 record.

In the Class B competition the ratings changed from last week as John Carroll, although defeating Nanty Glo lost from first place to fourth spot, Cresson, with a 3-1-1 record moved to second place and Franklin by defeating previously unbeaten Conemaugh, a Class A outfit, jumped into first place.

Richard Twp. is third with a 2-2 record. Williamsburg of Blair County and Myersdale of Somerset County bring up the rear.

A big and important game in Conference action is the Cresson-John Carroll game tomorrow evening. The standing of teams still in running in Western Conference follows:

WFBG-TV and KDKA-TV will carry the Princeton-Cornell game at 1:45 p. m. (DST) direct from Ithaca, N. Y. Sunday afternoon at 2:00 p. m. (DST) the top pro battle between the Pittsburgh Steelers and New ork will be telecast on both WFBG-TV and KDKA-TV stations.

Garfield Raps North Cambria JV Squad 27-0

Garfield trimmed Northern Cambria Junior High School, 27-0, last Friday afternoon in a contest at Spangler Stadium. The Grenadiers now have a 2-3 mark.

Craig Michaels ran 38 yards for the first TD with Forrie Bracken converting to give Garfield a 7-0 lead at the end of the first quarter.

The winners broke the game wide open in the second period by scoring 20 points. Bracken crossed the goal line on runs of 43 and 50 yards. Paul Eck passed 10 yards to Bruce Walton who ran 40 more yards for the other TD. Eck converted on one extra point by a plunge and passed to Tony Cocco for another conversion.

Garfield had a 4-2 edge in first downs. The summary:

Patton Comes from Behind To Trounce Hastings 25-19

Statistics Close to Being Even As Score Tied Twice In Tilt Saturday

A highly-spirited Patton-Chest Twp. Panther grid team came from behind last Saturday afternoon to upset visiting Hastings-Elder Twp. High 25-19, in a wide open and thrilling game at Patton Athletic Field.

A capacity attendance saw the visiting Hawks of Head Coach John Nevins go in front 7-0 early in the game, settle for a 7-7 score at the end of the first period and in front, 13-7 at the intermission and another TD in third period, and then saw Patton tie the count at 19-19 at the three-quarter mark and then go in front to win. Patton took their second win of the season against three ties and a loss and Hastings settled for a 3-3 record to date.

With Don Winsko passing for 10 completions in 19 tries, and the Panthers, as well as the visiting Hawks putting on an exhibition of long runs, the game went wide open. Defensively the game was played almost evenly, although Patton showed better defensive performance in the last two quarters.

Hastings drew first blood early in the first period. After an exchange of punts following the opening kickoff the Hawks held the Panthers for downs on their own 28 yard line. On the first play from scrimmage Joe Gregory went up the middle of the line, broke past the Panther secondary and raced 72 yards for a TD. He placed-kicked the seventh point to give the visitors a 7-0 lead.

The Panthers took the ensuing kickoff and began to roll, also going for a score. Starting on their own 37-yard line the winners used six ground plays and two completed passes to score.

The first pass, Winsko to Jim Schwab placed Patton on the visitors' 29. Three line plays moved Patton to the HEHS 22 where Winsko hit Schwab again with a neat aerial, this time for the first Panther TD. Dick Ott made his extra point placement good and the score was tied 7-7.

Midway in the second period after an exchange of punts, Ott pointed to Joe Gregory on the Hawks 40-yard line, the Hastings Quarterback taking the ball and behind good blocking raced 60 yards for a quick Hawks TD and to push Hastings in front 13-7.

The extra point placement was blocked and at the Hawks went in front at intermission. As the first half ended the Panthers moved from their own 47 to the Hastings one-yard line in eight passes and four line plays. The time ran out to stop the threat.

The visiting Hawks drew the first blood early in third round. Taking a punt on their own 35, the Hawks used seven ground plays and two completed passes to eat up the 65 yards to gain a TD. Payoff of the drive was a Gregory to John Bills pass of

7 yards, the Right End going the remaining 35 yards for the TD. The extra point failed and it was Hastings, 19-7.

From this point on Patton rallied to cut the deficit and roll for the victory.

Taking the ensuing kickoff on his own 25, Schwab returned the ball to the 34. Dave Kielbowick took the 20 on the first play and then Winsko hit Schwab with a neat pass, the big end racing 60 yards for a quick PCHS TD.

The extra point failed and Patton cut the Hawk lead to 19-13.

Taking the ensuing kickoff on their own 35, the Hawks moved to the Panther 44. Taking over on downs, Winsko on the first play from scrimmage went 56 yards for another Panther TD to tie the score at 19-19 as the third period ended.

The victorious Panthers went in front to stay midway in the final quarter. Taking a punt on their own 35, the first play netted a 5-yd. offside penalty. Jenkins moved to 34, then Winsko hit Bill Zumovitch with a pass on the 43.

McHugh moved to HEHS 49 and Schwab picked off Winsko's pass on the Hawk 24 for another first down. Jenkins moved to 20 and Kielbowick to 17. Winsko lost to 23 and with a fourth down and nine yards for a first down Winsko flipped an aerial to Schwab in the end zone for the winning touchdown.

Rifle, Shotgun Shoot Set Sunday

A public rifle and shotgun shoot sponsored by the Wild Cat Rifle Club will be held on the unit's range near Ebensburg on Sunday afternoon, Oct. 23.

Rifle shooting at dynamite targets on the club's range will be one of the principal events of the meeting.

Area hunters will have an opportunity to sharpen their eye during the afternoon when the club will feature trap shooting and a shotgun contest. As a novelty event, members here planned a balloon shooting contest for small bore rifles.

Valuable prizes will be offered for a located one mile east of Ebensburg on Route 22 where ample parking facilities are provided.

Sportsmanship is simple. It is merely being gentle in strength, being courageous in weakness, keeping the rules, playing the games, being on the level with opponents and on the level with yourself.

Grade School League Meeting This Sunday

An important meeting of all league officials and all team managers and coaches of Cambria County Grade School Football League will be held this coming Sunday evening, Oct. 23, in Ebensburg.

John Ambrise, president, urges all concerned to attend the session in Holy Name Parochial School, Ebensburg. Meeting will begin at 8:00 p. m. Eastern Standard Time.

GRIDIRON TWO-STEP

Love at first sight? ... a high-flying ball step? No, it's just two football players - Jim McMurray (left) of Hastings-Elder and Jim Schwab of Patton-Chest - going after a third quarter pass last Saturday in the game at Patton. Although you can't see it, the ball is between the two boys. A second after this picture was snapped both players fell and the ball rolled dead.

Although football still has some four weeks to go, high school coaches are already beginning to open the books for the coming winter sport. Area high school teams to be in action this year are Patton-Chest, Hastings-Elder, John Carroll and North Cambria. JCHS will use the new Hastings gym for its home.

One of John Carroll High's former standout grid players this past week received a big pat on the back in an article published in the daily Lancaster (Pa.) Times written by Charley Frey in his column, "The Times On Sports."

Don Lacey, one of four North Cambria area boys, now playing at Millersville State, was referred to. He is a son of Mr. and Mrs. L. G. Lacey of Carrolltown, and is a freshman at the Lancaster County College.

Here's what Mr. Frey had to say: "The Center of Things: Last Monday we talked to George Katchmer, the M.S.T.C. grid boss, about his team's 20-0 win over Kutztown. Before we had a chance to ask him about some of his outstanding players in that game, he mentioned a boy named Don Lacey."

All roads lead to Cresson tomorrow night. It's the top grid game of the week and a capacity attendance is expected.

Tomorrow the Cresson Joint High Indians of Head Coach Jack Hart will be out to meet the John Carroll Joint High Mountaineers of Carrolltown in their second consecutive battle in a new series of games that began last season.

Tomorrow night's game will be one of the top battles of the year in this district.

Needless to say every football fan hereabouts knows the records of these two squads. Both outfits have fine records to put on the line. Both clubs have fine ball players. Both teams are noted for their hard playing and their good sportsmanship.

Elsewhere on these Sports Pages a story of the game is published. We don't intend to rehash this account.

However, we would like to give out with a few personal comments here. But before we do let's go back about a week ago.

We were indeed honored to find that football coaches in this area feel that we should be classified

among the minority group like themselves and their players. And just what do we mean?

Well, it's simple. We don't predict outcomes of a game or a game. Yes, every coach in this area has come up with the remark that at least someone is being fair to everyone concerned.

This isn't intended as a pat on our back. We didn't take this as such. We didn't because we believe that if a person has enough brains to sit down and think this predicting situation over, there can be only one answer. If you predict you just can't be fair to the coaches and the players. After all, they do the work, they play the game, they're the guys that should be considered.

Tomorrow two teams will meet on a gridiron. Today, Thursday, at least three weekly newspapers in Cambria County, will be out with predictions of this game. And just what, tell me, do any of these guys know about this coming game, or for that matter any game? Not a thing.

Players: Players on every high school team in this area, don't take predictions seriously. The fellows who predict, in our estimation know very little about the true meaning of the game. Think back. How often have they been wrong? How often have they been member always play a good hard game and never forget that what your coach says he means. He's your boss, he's the fellow that put out his everything just for you!

It was like old home week last Sunday at Latrobe, when the alumni of St. Vincent College met on the campus for the annual home-coming day. There were plenty of faces from here at home in attendance at the day's activities, the grid game between St. Vincent and Kings College. And although Kings took a 36-20 win in a rugged contest, the Bearcats were not to be outplayed.

Maurice Stokes, former St. Francis College cage great, will return to the scene of many personal triumphs every 30 when he plays for the College All-Stars against the New York Knickerbockers in New York's Madison Square Garden. Incidentally, Stokes is being groomed as a starter for the Rochester Royals in the pro cage circuit. It's reported that a group from Altoona is interested in bringing the Royals to the Juffa Mosque for a regular league game or exhibition match. Yes sir if they do, the Altoona arena couldn't hold the crowd.
