Hollograving looks like hand engraving . . . The letters have an elegance and individuality only the firest hand engraving can match.

Heliograving feels like hand engraving . . . Your fingers touch sherply etched, raised lettering, created by the unique, exclusive new process-HELIOGRAVING.

But Heliograving costs about helf as much . . . Because Heliograving eliminates the copper plate that makes hand engraving so expensive, you cut costs without cutting quality.

And it's ready within the week : . . Compared to three weeks minimum time for hand engraving.

You can order matching announcements, enclosure cards, at home cards, etc. Select from 45 flawlessly correct papers - 17 distinctive styles of lettering. Come in and see our complete catalog.
