

NEWS IN SHORT ORDER

DOMESTIC HAPPENINGS TOLD IN A FEW BRIEF WORDS.

Interesting Paragraphs Condensed from Many Redundant Columns.

Lyman R. Williams, for nearly thirty years Superintendent of Schools in Stoughton County, Ind., committed suicide by hanging.

—Harry Dixon, the young Mississippi recently appointed to a West Point cadetship by the president upon the statement of the boy's grandmother that her husband and son (the cadet's step) had both been assassinated because of politics, failed to pass the physical examination required of cadets.

—Mr. John T. Ford, manager of Ford's Opera House, Baltimore, in getting off a street car in the city of Baltimore, was run over by a runaway horse. He was knocked senseless, but on coming to he walked home, although he was severely bruised.

—The Methodist Episcopal Church at Angola, Ind., was destroyed by an incendiary.

—Miss Ida Phillips, late a Missionary in India, fell from a cliff near the Blue Earth River, at Minnekaonig City, Minn., and was drowned.

—Walton B. Brackett, the son of one of the original settlers of Alexandria, Va., for many years a resident in that city, died at the residence of the State Board of Assessors under Gov. McHenry, is dead.

—A dispatch from St. Thomas, Ont., says: The total prohibition liquor has known as the Scott act was repealed in Elgin county by an overwhelming majority.

—Colby (Mc) Union has received from Gen. Benjamin F. Butler an oil portrait of himself, painted by an eminent Chicago artist. The general is represented as seated in his camp on the James River, with the Union army behind him, and the Confederate gunboats, approaching from Richmond, in front. It is a work.

—The vestibule train east bound on the Chesapeake and Ohio Railroad was wrecked by a slide in a cut near Dana. There had been a very severe rain in the area.

—Milwaukee received a severe blow to one of her great industries. The Falk, Jung & Borchart brewery, employing about 400 men, was burned to the ground.

—At Hillsborough, Ohio, the jury returned a verdict of murder in the second degree against Mr. Britton, charged with killing his brother-in-law.

—At the village of Albany, Minn., black diphtheria has broken out in 113 families. Both churches and the schools have been closed.

—Nearly 100 people were poisoned at Adair, Iowa, by eating ice cream which had been made in new tins.

—Henry Kleininger, owner of a book store, committed suicide by hanging at Kansas City. He leaves a widow and two children at Madison, Wis.

—At Campbellsville, Ky., Dr. T. J. Hourigan was sentenced to the penitentiary for the murder of one Hays, his brother-in-law.

—At Hopkins, near Minneapolis, Minn., Carrie, the eighteen-year-old daughter of Hiram Frost, was burned to death.

—Rice Smith, during a quarrel at Waterloo, Me., with an old man named William Whitten, whose life he had previously threatened, knocked him down and pointed a slide within an hour. Both men were dead.

—Sergeant Dan O'Brien of Capt. Sanderson's company, Eleventh Infantry, stationed at Fort Ontario, was struck by a train on the Rome, Watertown and Ogdensburg Railroad near the fort gates.

—Capt. C. L. Miller of the T. Wharf Lighter Company of Boston, who discharged the ship distress signal on the Fourth, which caused the death of George Hoffman, John Green and Frank O'Connell, has been held in \$500 bail on a charge of manslaughter.

STRIKERS SHOT DOWN.

The Street-Car Men Assault the Police in Duluth.

The strike of the street car employees at Duluth, Minn., has reached a climax of riot and bloodshed. Two men were instantly killed and several others dangerously wounded.

A call for reinforcements was at once sent to the stations, and in view of the growing gravity of the situation, the militia was ordered out. The police were guarding the men who were working the street cars.

The strikers in the morning they made a rush, a single shot was fired, a crack, crack, crack went the rifle of the police, followed by a fusillade from the strikers' revolvers.

The strikers in the morning they made a rush, a single shot was fired, a crack, crack, crack went the rifle of the police, followed by a fusillade from the strikers' revolvers.

Sound Sleep.

"When your man's asleep is the time to tell him he's wrong," says William Muldon.

speaking of the amount of training an athlete should have. "So long as he sleeps well he's all right, but when he begins to feel nervous and to have night sweats, and shows similar evidence that his nervous system is strained, then let up a little on the work.
