—The ball held at the opera house under the auspices of the Tigers Athletic Club was just as we predicted—a success in every particular. A more delighted audience searcely ever assembled at the Freeland Opera House than that which greeted Tony Farrell in "The Irish Corporal" on Thursday evening last. Mr. Farrel was ably assisted by Miss Jennie Leland and other members of the company and other members of the company and presented the play in a manner which won the admiration of all present. As Jerry Donovan, the Corporal, the star sang, among others of a different nature, several songs which related to his native land and was loudly cheered. Poor District Convention.

The Democratic conferees of the Middle Coal Field Poor District met at Manch Chunk yesterday afternoon for the purpose of placing in nomination candidates for Poor Director and Auditor.

The Hazleton District was represented by six conferees; Weatherly District by five, and Mauch Chunk District by five, and Mauch Chunk District by five, Honorable Michael Cassidy was elected Chairman; L. G. Lubrecht and J. C. Weigand were elected Secretaries.

Before proceeding to bullot for nominees for Poor Director and Auditor, Mr. Rauch was accorded the privilege of the floor and stated that he had appointed a committee on rules to report at this convention, but that they had not done anything, and that the convention should work this time under the old rules A general discussion then took place as to the best mode of electing delegates, as the rules of the two counties conflict; and the feeling of all present was to simplify the manner of making nominations. In order that some system may be adopted suitable to Luzerne as well as Carbon, a committee of seven were appointed to meet and draw up rules and report at the next convention.

The following are the names of the committee: Hon. Michael Cassidy.

One of the greatest advantages to the community resulting from the extension of the free delivery system resides in the fact that collections of mail, as well as deliveries, can be made at every house, and the use of the post is likely to increase wonderfully.

It will be a long time before the border drama loses its fascination for a great majority of theatre-goers. We do not speak of the wild, Wild Western species where the height of the hero's ambition is to slay an unsuspected red man or annihilate a greaser with fringes on his pantaloons, but of that class of melodrama of which '49' is so excellent a type. At all events, the crowded house that greeted Miss Arnot's company at the Opera House last evening seems to point to the fact that the Western drama still retains its hold in Pittsburg. The romping, good-natured waif Carrots had and admirable exponent in Miss Arnot, and her singing and dancing and clever acting were the life of the piece although she was supported by an excellent company.—Pittsburg Dispatch.

The above play will be produced at Freeland Opera House Saturday evening.
