

BRIEF ITEMS.

Huckleberry pie is on deck.
—This is a wonderful picnic year.
—Watermelons are for sale in town.
—Celebrate the Fourth in Freeland.
—Base ball took a tremendous boom this week.
—Large quantities of ice cream will disappear on Saturday.
—A girl to do general housework is wanted by John Ruger, Centre Street.
—The instruments for the Slavonic Young Men's Band have been ordered.
—Rev. C. A. Spaulding and wife are on a visit to relatives in New York State.
—Daniel McGeehan, of Freeland, sailed on Saturday for a six weeks' visit to Ireland.
—Rev. Thos. J. Wright preached his farewell sermon here on Sunday and went to Philadelphia this morning.
—At the Upper Lehigh Baptist Church on Sunday baptismal services were held and two persons received into the church.
—Patrick Dever, son of Hugh Dever, had one of his feet badly injured last week by a large sheet of iron falling on it at the Drifton Shops.
—Charles Haganey, who was to have gone to Philadelphia this week as an apprentice on the Schoolship Saratoga, will not leave until October 1.
—The congregation of the Welsh Baptist Church have secured Donop's Hall and will hold services there every Sunday at 10 A. M. and 6 P. M.
—The Sunday School children connected with the different churches at Drifton will tender the usual Fourth of July serenade to the Coxe families.
—Austin Harvey, of Nelson City, removed his family to town this morning, and will open at the corner of Ridge and South Streets about the Fourth.
—The salary of Postmaster Fowler has been increased to \$1200 per year. This is an evidence that the business done in town is steadily growing larger.
—Freeland Council, No. 348, J. O. U. A. M., will take part in the Hazleton demonstration on Saturday. They will be accompanied by the P. O. S. of A. Band.
—The school board of Foster township will meet at the Woodsie school building on Monday evening. The appointment of teachers will be made at this meeting.
—James McCreedy, of Lansford, was elected secretary of the Poor District at a meeting of the directors on Monday. The vacancy was caused by the death of S. H. Hollinger.
—Superintendent Fisher, of the Water Company, is pushing the work on the new well. The water already found is so strong as to interfere considerably with the boring.
—At the Firemen's Park on Saturday the Tigers Athletic Association will hold its second annual picnic. Depierro's Orchestra and refreshments of every kind will be there.
—Rev. R. H. Appleby, of the Jeddo Methodist Church, has resigned from that denomination, and was on Monday received into the Baptist Church by Rev. C. A. Spaulding.
—The annual Fourth of July picnic at the grounds near St. Ann's Church will take place as usual this year. The proceeds will be applied to repairing the basement of the church.
—John Daneker, of White Haven, was in town on Saturday and made a contract to supply and lay one hundred feet of flag pavement for John Toomy and others on Centre Street.
—The Freeland Citizens' Hose Company, at their meeting last evening, decided to hold their annual excursion to Glen Onoko on Saturday, August 15. Depierro's Orchestra has been secured.
—Michael Patterson, who burglarized the store of J. C. Berner in November, 1889, was sentenced to pay \$20 fine, the costs, and try three years in the Eastern Penitentiary. He also got three additional months for breaking jail.
—The ball of the St. Patrick's Cornet Band at the Opera House to-morrow evening has all the indications of being a grand success. This is the last ball of the season and all who wish to enjoy a pleasant evening should attend.
—E. Fritzing and Andrew Oliver will shoot a match at Highland on Saturday. Each party will shoot at nine birds and the contest is to start at 8 A. M. The stakes are \$35 a side, with the privilege of raising them to \$100 a side.
—The addition to the McGoarty building on Centre Street, Five points, will be occupied by the new firm of Malloy & McGettrick, composed of F. P. Malloy and Matthew McGettrick. They will open about July 11 with a complete line of groceries and provisions.
—First communion was administered to 105 boys and 93 girls at St. Ann's Church on Sunday morning by Rev. M. J. Fallthoe. The priest addressed the parents of the new communicants and the children themselves, instructing them upon their duties to each other and the work before them.
—The Sentinel advocates an additional Sunday train for Hazleton, one that would leave here about 6 P. M. If the Lehigh Valley Company could be induced to comply with such a request it would be a great convenience to people at both ends of the line, especially the base ball cranks of Hazleton and the South Side.

DEATHS.

WALTERS.—At Upper Lehigh, June 28, infant son of Mr. and Mrs. Robert Walters. Interred at Upper Lehigh Cemetery on Monday. Brislín, undertaker.
GILLESPIE.—At Jeddo, June 27, Thomas Gillespie, age 44 years. Interred at St. Ann's Cemetery on Monday. Brislín, undertaker.
HUGHES.—At Hazle Brook, June 27, Charles, son of Mr. and Mrs. Charles Hughes, age 1 year. Interred on Tuesday at St. Ann's Cemetery. Brislín, undertaker.
CABREY.—At Jeddo, June 25, Catherine, daughter of Mr. and Mrs. Charles Cabrey, age 1 year. Interred at St. Ann's Cemetery on Saturday. Brislín, undertaker.

INSTANTLY KILLED.

Fatal Accident to a Very Careful Miner at Oakdale Last Week.

No. 1 colliery, Oakdale, was the scene of a sad accident Saturday morning, which resulted in the death of a respected resident of that place. While Thomas Gillespie was loading a car a mass of top coal directly over him fell and caused instant death to the miner. A Hungarian laborer was also slightly injured by the fall. The deceased was considered one of the most careful miners in the slope and the accident occurred without any warning whatever. Mr. Gillespie leaves a wife and four children. The funeral, which took place Monday afternoon, was attended by St. Ann's A. B. Society, St. Patrick's Beneficial Society and the members of the funeral fund connected with the colliery.

Yardage Returned to Some.

The TRIBUNE last week turned the light upon a peculiar system of reductions inaugurated in the pitching breasts at No. 2 Drifton, and the following day several of the miners were notified to call at the company's office where the deducted yardage was returned to them. But this was made to apply only to those who are working breasts where the rock reduces the width to ten feet or less. All over ten feet are compelled to drive an extra three feet in width without compensation, and it is pitiable when miners must submit to such rank injustice. The employees of Coxe Bros. & Co. will find that the D. S. & S. was a costly road to build.

Married at Philadelphia.

Chas. Orion Stroh, Esq., one of the rising young lawyers of Luzerne County, joined in matrimony on Tuesday. Miss Lizzie F. Crellin, formerly of Mauch Chunk, was the bride, and the ceremony was performed by Rev. G. W. F. Graff at the residence of Miss Crellin's parents, 819 North Twenty-fourth Street, Philadelphia. The happy couple were in Freeland Tuesday evening and began housekeeping in Mr. Stroh's handsomely furnished and newly erected dwelling on Main Street, where they were tendered a serenade upon their arrival by the P. O. S. of A. Band.

Selling Building Lots.

The building lots of the Birkbeck estate, north of town, are being rapidly taken up, the low price at which they are sold making a very desirable investment. Mrs. G. W. Hadesy, of Drifton, and High Constable Rinker purchased one each this week, and several other parties are negotiating with the owners. In buying these lots it is stipulated that the purchasers will erect a building thereon within six months, the same to cost not less than \$500. Freeland will soon have another large suburb looming up on that side of the town.

1891 Drifton Hospital Closed.

The hospital at Drifton, erected by Coxe Bros. & Co., was closed this week. Since the Miners' Hospital at Hazleton has been opened there has been no necessity for its existence, and in a short while it will be transformed into an industrial school. From a charity point of view the benefits derived from this hospital by those injured about the mines have been innumerable, and many an unfortunate gave thanks for the kind treatment received at the institution. Superintendent H. D. Miller will take a position in Chicago.

First Train on the D. S. & S.

On the morning of the fourth of July the first train load of passengers will be brought from Onedia to Hazleton by a special excursion given by Hon. E. B. Coxe to the people of Onedia. This will mark the date of the first passenger train over the new road.—Speaker.

An Engine Goes Looking for Trouble.

The passengers of No. 12 on the Lehigh Valley, due here at 8.37 P. M., had a narrow escape from being involved in a wreck on Tuesday evening while coming up the grade. When near the switch leading to the Drifton Shops the engine, for some reason of its own, jumped the track and went dancing over the railroad for nearly 300 feet. Fortunately failed to entice the coaches along and was brought under control before any serious damage was done. Beyond a good shaking up the passengers suffered little inconvenience, but they were thankful the accident did not occur on some portions of the road where the danger would be much greater.

An Alliance Man Outwitted.

The old quarter-of-a-cent trick was successfully played upon a Reuben from Butler Valley the other day by one of Freeland's practical jokers. The tiller of the soil came to town with the product of his cherry trees, singing in doleful strains "Four quarts for a quarter." One of Main Street's business men, who never misses an opportunity to play pranks upon unsuspecting people, cut a cent into four parts, purchased a quarter's worth of cherries and gave the granger one of the worthless pieces in payment. The farmer had no reason to kick. He had been taken at his word and submitted gracefully, but to all following purchasers he sold his fruit "four quarts for twenty-five cents."

Good Bicycle Riding.

One of the most delightful bicycle rides of the season took place last Sunday between Joseph Birkbeck and Philip Miller, who left Freeland at about 6 A. M. and went by way of Hazleton, Audenried, Loft, Delano, Mahanoy City, Girardville and Ashland, covering the whole distance of about forty miles in three and one-half hours. They were highly entertained by Mr. and Mrs. George Kelley, of Mahanoy Plains, and report having one of the best times in their lives. It would be profitable if more of the young men of town would ride bicycles and would give the doctors less work. The same parties intend making a trip to Pottsville and Bloomsburg on July 12, and extend a cordial invitation to all wheelmen to accompany them. Jos. Birkbeck is the only wheelman so far to our knowledge that has rode on his cycle up Fishers' Hill, near Hazleton.

FOURTH OF JULY

The first anniversary of the flag-raising at St. Ann's Parochial Schools will be celebrated by a large parade and other exercises on Saturday. The demonstration is expected to surpass the brilliant display made last year, and will be a fitting commemoration of the patriotic work done at that time.

ORDER OF PARADE.

Marshal—John H. O'Donnell.
Aids—Manus McLaughlin, Edward O'Donnell, Frank McLaughlin.
Float Containing Fourteen Girls, Representing the Thirteen Original States and Goddess of Liberty.
St. Patrick's Cornet Band.
Carriages Containing Clergy and Speakers.
Children of St. Ann's Sunday School.
St. Ann's Cadet Society.
Maj. C. B. Cox, Post, No. 147, G. A. R. Visiting Societies.
Male Members of St. Ann's Church.

ROUTE OF PARADE.

The line will form promptly at 12 o'clock at St. Ann's Church and proceed to Luzerne Street, on Centre, down Centre to Carbon, on Carbon to Washington, to Walnut, to Centre, down Centre to Luzerne Street and return to St. Ann's Church, where the exercises will be as follows:
Remarks by Chairman John Brady. Song, "Red, White and Blue," by Children of St. Ann's Parochial Schools. Address by Rev. M. J. Fallthoe. Selection by St. Patrick's Cornet Band. Address by Hon. E. B. Coxe. Song, "E Pluribus Unum," by Children of St. Ann's Parochial Schools. Address by Rev. F. P. McNally. Selection by St. Patrick's Cornet Band. The committee states that none of the societies will wear regalia or badges, but each person in the procession will carry an American flag, 2,000 of which will be distributed when the line is forming.

Mine Inspectors Meet.

A meeting of mine inspectors was held at the office of Inspector Lewis, Hazleton, Monday morning. The meeting was called for the purpose of considering the opinion of the Attorney General that foremen holding certificates under the mine law of 1885 would have to qualify under the act of 1891. The inspectors agreed that all regular foremen holding certificates would, if in the opinion of the board they were thoroughly competent, be granted certificates without another examination, the Board reserving the right to judge.

In the case of the assistant foreman it was decided that where a person has the required affidavit that he has worked five years at practical miner and at least three years in gaseous mines, he shall be granted a certificate for assistant foreman or fire boss. It was decided to hold the examinations on Monday and Tuesday, July 6 and 7.—Sentinel.

Success Deserved.

The FREELAND TRIBUNE enters upon its fourth year in a prosperous condition. The Journal has no more deserving exchange than our neighbor, and we hope for its continued success.—White Haven Journal.

Republican Conventions.

The Republican County Committee met at Wilkes-Barre this week and decided to hold the county convention on September 1. Delegates from the Fourth District will meet at Hazleton on July 28 to elect representatives to the State convention. The senatorial convention will be held on the same day as the county convention.

ECKLEY NOTES.

Some of our young men are in the habit of running to Freeland every Saturday evening, and do not return until a late hour. Wonder what the attraction is?
Quite a number of our sports take in the Sunday ball games at Freeland.
Patrick Quinn and sister, Miss Mary Ann, of Buck Mountain, were among the Sunday visitors here.
St. Mary's A. B. Society will hold a picnic at the grove on July 11.

Vigor Behind Its Pencil.

The FREELAND TRIBUNE is now in its fourth year, and for such a journalistic youngster is a decidedly lively and interesting paper. It bears the marks and signs of prosperity, and lately has taken a step to the front that shows there is vigor behind its pencil. We wish it continued success and lots of it.—Speaker.

Coal Trade Dull and Unsettled.

The coal trade is in a quiescent state, and there is little new business doing, though the inquiry for coal for July and August delivery is reported improving. Locally the trade is dull, but the feeling as to the future is brightening somewhat, and there is a better disposition to hold prices firm. The Eastern trade is reported very quiet and at New York the trade is unsettled. The shipments of anthracite via the lakes to Western distributing ports continue large, and the heavy receipts at Chicago are said to have caused a cut of 50 cents per ton in the wholesale prices there recently.
At Tuesday's meeting of the Eastern Sales Agents of Anthracite Coal an advance of 10 and 15 cents a ton was ordered. The output for July was fixed at 3,000,000 tons.

The total amount of anthracite coal sent to market for the week ending June 20, as reported by the several carrying companies, was 869,848 tons, compared with 841,017 tons in the corresponding week last year, an increase of 58,831 tons. The total amount of anthracite mined thus far in the year 1891 was 16,729,722 tons, compared with 14,377,248 tons for the same period last year, an increase of 2,352,474 tons.—Ledger.

FREAKS OF JUSTICE.

One Murderer Goes Free While Another Is Declared Guilty.

Rozario Staziola, who killed John Fascioli at Hazleton in March, was on trial for his crime at Wilkes-Barre last week. The *Prosecutor* gives the result as follows:
At 9.30 Saturday night the jury in the case returned a verdict of not guilty. The verdict came like a thunder clap. It seemed at first impossible for the spectators present to believe their ears. That a man who by his own testimony stabbed another to death without other provocation than a mere drunken brawl, should be absolved from all blame seemed a proposition so preposterous as to be purely belief. But it was a fact and is merely another of those judicial periphrases upon murder which the juries of Luzerne county are frequently guilty of. It was learned subsequently that on the first ballot the vote stood two for acquittal and ten for conviction of manslaughter. Those two men in the time between 3 in the afternoon and 9.30 succeeded in bringing the others round to their side. Those two men, whoever they are, have on their heads the responsibility of turning loose a red-handed murderer. Their verdict practically says that any bloody minded ruffian can draw a weapon whenever he gets in a brawl, and stab or shoot anyone he pleases and the law will sustain him. No wonder the records of Luzerne County are stained with atrocious crimes. No wonder the murdered dead cry aloud to heaven for justice they cannot obtain here from men.
How the verdict was brought about is well illustrated by information learned as to the position taken by a juror named Belling. Immediately on reaching the jury room, Belling said: "Gentlemen, I don't know how you stand but I'm for acquittal. Let us take a ballot right away."
A ballot was taken resulting two for acquittal and ten for conviction of manslaughter. Belling deliberately cut his coat and standing up said: "Gentlemen this is good enough for me. This is all at the county's expense and I can better afford to stay here at \$2 a day and work as a carpenter. I don't care how long I stay here, but that man shall be acquitted," and he was.
The following is the jury who are responsible for the acquittal of Rozario: William Brennan, Yatesville; J. D. Fortner, Nesquehoning; James Kennedy, Pittston; James Space, Wyoming; N. G. Belding, Wilkes-Barre; John Law, Edinburgville; H. W. Pringle, Plymouth township; E. J. Rutledge, Jenkins; H. Kelly, Pittston; Michael Laphy, Wilkes-Barre; and Thomas F. Quigley, Wilkes-Barre.

MILLAN CONVICTED.

Edward McMillan was on last Thursday convicted at Wilkes-Barre of murder in the first degree, for killing his wife in a very brutal manner. It appeared in evidence that after they had both filled themselves with whiskey they quarreled and that in her rage the woman caught her husband by the hair. The latter threw the woman, and then, seizing a pair of tongs, made them red hot in the stove. He applied the hot iron to the woman's body, inflicting a horrible wound to the bone he would withdraw the iron, repeat it and make a fresh wound. The thirteen-year-old son of the couple was then discovered by the father. He found his mother on the floor with her wounds seething, while the father lay on a lounge sleeping off his debauch.

Boiler of an Engine Explodes.

A disastrous explosion occurred on the Central Railroad Monday night, near Luzerne. It was reported that four men were instantly killed. A yard engine was shifting freight, and had just passed out of the yard in which there were several other engines and crews. When it reached Nesquehoning, the fire underneath the engine boiler was noticed to be dying out, and giving off a quantity of vapor.
Fireman Pope got down from the cab with the intention of examining the boiler. He had just reached the door when a violent explosion occurred. The four men who were on the engine were blown in every direction. The names of the killed are: Engineer Thomas Trip, Mauch Chunk; Fireman J. Pope, Luzerne; Brakeman Gallagher, Mauch Chunk; and Brakeman Smith, Mauch Chunk.
The body of Engineer Trip was found over one hundred yards from where the explosion occurred. His body was crushed and crushed in a horrible manner. The brakemen were hurled in an opposite direction, and by the wounds they received must have died almost instantly. The engine itself was totally wrecked. Had the explosion occurred while in the yard the loss of life would have been much greater.

Boiler of an Engine Explodes.

The Silver Brook Club went to Sandy Run on Saturday and defeated the club at that place by a score of 8 to 6.

There will be no game here on the Fourth.

Freeland, having been disappointed by the club which was to come.

Manager Hanlon expects to have his team in Scranton on the 24th.

Wilkes-Barre on the 25th, and home again on the 26th, when the Brooklyn Club will be here.

Girardville, Schuylkill County, has a female club.

The "Queens of the Diamond," which defeated the Red last Saturday. The latter team plays at Lansford next Saturday.

Anderson and Brady are more than pleased with the town and its people.

and the latter—well, they are about dead stuck on the new battery. If they come out of next Sunday's contest with flying colors there will be nothing in the town too good for them.

An interesting game was played at Jeaneville on Saturday between the Jeaneville and Mahanoy City Clubs.

Jeaneville won by a score of 14 to 12. Zient and Schaner were in the points for Jeaneville until the fifth inning, when they were relieved by Lukens and Simmons. Heiser and Mulvey was the battery for Mahanoy.

Next Sunday the Freeland management will pay the largest guarantee ever given to any club that has played in the coal region.

After this game a slight advance will be added to the usual rate of admission when first-class clubs are brought from a distance, owing to the increased expense in procuring such attractions. They come high, but we must have them.

The Gorphams played at Wilkes-Barre on Monday and Tuesday.

and the Swartman pitched on Monday and 15 hits were made off his delivery. Score, 17 to 13. Gornaley, of Lansford, was tried for following day, and the Gorphams touched him safely 11 times. Score, 15 to 12. The visitors created much amusement by their unique coaching.

Freeman, of Wilkes-Barre, opened with Washington against the Athletic sluggers on Saturday.

His work was excellent and Manager Snyder says he is a "comer." Freeman is well-known around here, having spent his boyhood days in Hazle and Highland. At the latter place he attended school and afterwards picked slate, but showed no signs of attaining a national reputation as a twirler, although he was a member of all the famous young "nines" so prolific in Highland at one time.

BASE BALL.

At the park Sunday afternoon the usual audience was increased by many who came to see the work done by the new battery of the home club, Anderson and Brady. The Freeland players were never more confident of victory and played in their old-time style. The game from the start was a pitchers' battle, but at the end Heiser found himself outclassed by his smiling opponent. New Boston has a team of good players and they tried hard to win, and when they failed they accepted their defeat in a very philosophical manner. Anderson's speed was entirely too much for the visitors, and the score shows how effective he was. His unassuming demeanor and the ease with which he controls the ball won the confidence of the audience at the outset. When Empire Campbell called "Play ball!" Brady struck up an excellent imitation of Trucker's coaching and cut the crowd in a merry mood during the game with his continual chatter. It had a noticeable effect upon Heiser, who found great difficulty at times in maintaining his equilibrium. Several pretty plays and sharp fielding were made, the most prominent being the work of Boyle, of New Boston, in left field. The appearance of McGeehan and McGarvey, recently of Drifton Club, in their old positions seemed to please the audience.

The following is the score:

NEW BOSTON.			F. H. O. A. E.

Sunday next will be the greatest day in the history of local base ball.

That is saying considerable to commence with, but the attraction booked for that date is certain to bear out this prophecy. The renowned Gorphams, the crack colored club of America, formerly the Cuban Giants and Monarchs, will swoop down upon the town with an old plantation yard and do their utmost to carry off the honors of the day. This they will find no easy task, for they will be met with the strongest team that has ever stepped upon the Freeland diamond. It is destined to be a grand struggle and the low price of admission, fifteen cents, will put a premium on the standing room. Gate called promptly at three o'clock.

Arrangements have been made by which Freeland will play out Drifton's schedule for the balance of the season.

This comprises five games at home and away trips out of town. Saturday and Sunday games will soon be on the programme.

In Welch and Heffron and Anderson and Brady Freeland has two of the finest batteries in the State.

The only thing to be feared is that some of the big League or Association magnates will step in and globe them up.

Jeaneville will play here on July 18,

when a picnic will be held at the park by the Freeland Association.

The Silver Brook Club went to Sandy Run on Saturday and defeated the club at that place by a score of 8 to 6.
