

CHATS ABOUT MEN

The Duke of Norfolk collects blotting paper and pads.

Jules Simon used to live upon thirteen sous a day, and for this managed to get two thin meals and give the waiter a sou for his trouble.

Young James Garfield is said to much resemble his father, the dead president, and in manners, voice and methods re-minds all his friends of the paternal like-

Jesse Grant, the youngest son of the famous general, is now settled down with his family at Piedmont, Cal., where he has been quite successful in the mining business.

one of the richest men in Boston, a man of whom few people ever heard, died recently, leaving an estate which foots up \$3,284,000 in value. He was Joseph N. Fiske, a State street banker.

The late Amos Shinkle, of Covington, Ky., gave \$1,000,000 to various Metho-dist churches in the course of his life, and was for years a Sunday school teacher. The estate he left is valued at

W. K. Vanderbilt some months ago ordered a new private car from the Wag-ner Car company. The car has been completed, and is in many respects the finest of its kind ever built by the Wag-

Mr. and Mrs. Charles P. Jacobs, at Pendleton, Ind., recently celebrated their golden wedding anniversary. The din-ner was spread upon the same table-cloth upon which the wedding feast was served fifty years ago.

served fifty years ago.

Dr. Albert Shaw, the American editor
of The Review of Reviews, is thirty-six
years old. In addition to his editorial
duties he lectures at Johns Hopkins university and the University of Wisconsin on historical and political science.

The wife of General Hancock declared
that the latter went to bed at 7 o'clock

The wife of General Hancock declared that the latter went to bed at 7 o'clock in the evening on election day, 1880, being too tired to await news. Next morning he awoke at dawn and asked if there were any definite tidings. Upon her reply, "Yes, you are beaten," he turned over and went to sleep again.

Prince Bismorek beta to be addressed.

over and went to sleep again.

Prince Bismarck hates to be addressed as the Duke of Lauenburg, and much comment has been caused by the fact that since the birth of the princess imperial all official documents sent to him from the court of Berlin have been addressed, not as heretofore to the Duke of Lauenburg, but to Prince Bismarck.

The new \$500 note is one of the hand somest ever turned out and bears a good portrait of General W. T. Sherman.

portrait of General W. I. Sherman.
It is stated that about 1,000 women work in the Pittsburg iron mills, making bolts, nuts, hinges and barbed wire.
Sheet iron kites, to enable a vessel when in distress during a storm to communicate with the shore, have been suggested.

The English cabinet has decided that

for the future the attorney general and solicitor general shall relinquish their private practice.

The smallest inhabited island in the world is that upon which the Eddystone lighthouse stands. At time of low water it is only thirty feet in diameter.

The number of American women who are now supporting themselves in the professions of law, medicine, literature, journalism, etc., is computed at 200,000.

A number of remarkable figures of hammered silver, representing men, women and animals, have been exhumed from a peat bog in Jutland, Denmark, and placed in the National museum at

DRIFTON ITEMS.

Miss Bridget Boyle, of Audenried, is spending a few days here among friends.

spending a few days here among friends. A large number of ladies and gentlemen of town will take an active part in the fair which will open at St. Ann's church on Saturday evening next.

Politics is taking up the time and attention of the majority of our Hazle township residents at present. Candidates and delegates with their numerous heelers are working very hard to come out on top 2wo of our prominent citizens, John O'Donnell and Patrick Higgins, are announced as candidates for supervisor. Of course, both are worthy of the office, but as politics makes strange bedfellows, the success of either cannot be predicted. James Kennedy is announced for tax collector. He is big enough to fill that office comfortably and has a fair chance to win.

Patrick Quinn has a child lying dan-

A SAFETY SIGNAL

An Automatic Device That Is Being Adopted on English Railways. An apparatus having an important bearing on railway signaling has been invented by Mr. R. G. Marks, and has been in use for some months past at the Wakefield station of the Lancashire and Vockshire railway, in the signaling serv.

gins, are announced as candidates for supervisor. Of course, both are worthy of the office, but as politics makes strange bedfellows, the success of either cannot be predicted. James Kennedy is announced for tax collector. He is big enough to fill that office comfortably and has a fair chance to win.

Patrick Quinn has a child lying dangerouly with bronchitis.

Frank Brobst had a foot seriously injured on Saturday by the accidental discharge of a gun.

All the foremen of the different departments under this company here are busily engaged in taking stock and closing accounts the present week.

The children's Christmas tree celebration will take place on Friday evening and the little ones will at least have a merry Christmas.

A large number of our boys attended the cock fight on Saturday evening at Freeland, and a few lost their tin.

Dr. Crease, assistant to Dr. Geo. S. Wentz, will remove his office to Silver Brook shortly. He will be succeeded by Dr. Geo. Wentz, Jr.

Mrs. J. H. O'Donnell has been lying ill for several days past.

Supertz, will remove his office to Silver Brook shortly. He will be succeeded by Dr. Geo. Wentz, Jr.

Mrs. J. H. O'Donnell has been lying ill for several days past.

Miss Annie O'Donnell has returned after a visit of three weeks among Silver Brook friends.

Miss Mary Sweeney, who has been off attending school, is at home to spend the holidays.

Coxe Bros. & Co. placed a new delivery wagon on the road last week.

The school children of No. 1 school gave a very fine entertainment on Friedday. It consisted of songs, dialogues and recitations, all of which were well rendered and speaks well for the teachers who have them in charge.

The Grand Union Tea Company distributed among their customers last week handsome calendars for 1893.

Eckley B. Coxe on Thursday testified before the committee appointed by congress to investigate the Reading deal. Co.sidering the amount of capital that must be invested he does not think that coal mining is a paying business when compared with other branches of trade. After a glance at our last pay check we are compelled to admit he is right.

JEDDO NEWS.

JEDDO NEWS.

D. J. Quinn, of Jersey City, who has been here among friends for the past week, leaves for home today.

The new office which was being built for several months past, is completed and occupied.

John Johnson has gone into politics and respectfully asks the citizens of the township to consider him in it. He is trying to find the narrow path that leads to the tax collectorship. John Branigan is also scanning the horizon to see in what direction the supervisorship lies. John thinks there will be no trouble in getting there providing the day is not too cold.

Henry Cull was off visiting friends at Henry Cull was off visiting friends at the complete of the lone of the lioness. The animal, which was in a very excited condition, became more so on hearing the shouts, and half closed its ponderous jaws on its master.

There was a cry of horror through the

and half closed its ponderous jaws on its master.

Henry Cull was off visiting friends at Park Place yesterday.

A great many people here think that if all the postoffices were like the one here, Mr. Hinrs would be relieved of a heavy burden. This is all a mistake, What is called the postoffice here is not intended for the public, it appears, but only an accommodation for the company, off course the company is the public in this case, but the public is not the company, and if the other communities throughout the congressional district were compelled to walk from one to two miles to post a letter or receive one, the same as it is here, Mr. Hines would have to hire a mule to carry his load.

Mrs. Burns and Misses Susie McGarigle, Kate McHugh, Masgie Burns, Cassie Furey, Kate Gillespie and John Gallagher enjoyed a pleasant drive to Silver Brook last week.

Thursday was pay day here. Now for a long spail of dry weather.

The Prince of Wales receives a salary of \$200,000 a year, but that doesn't come near paying his expenses.

The empress of Germany never wears a dress, mantle or bonnet a second time, and everything that she buys is of the very best. She is deeply in debt.

The sultan has 300 wives; the king of Dahomey, 250; the shah of Persia, 400; the king of Siam, 600; the king of Ashante, 3,000, and the emperor of Morocco about 6,000.

The empress of Austria is reputed to be the best royal housekeeper in Europe. Everything in the Austrian palace is under her own personal care. She orders cooks, butters and laundry maids, and is constantly inventing something new in cookery.

The most curious character on the Island of Borneo is the white sultan or rajah of Sarawak. He is an Englishman, Sir Charles Brooke, and the United States is the only nation that recognizes his sovereignty. He rules over a part of Borneo as large as lerland, and his subtects pay tribute to him in rice.

WORLD'S FAIR NOTES.

There is a demand for young men and women to take charge of exhibits who can converse with foreigners in other than the 'United States is said to take great interest in the coming fair. She will send suppermens of her own kniliting and specimens of her own kniliting and great particles and the company of the conversion of the conversion of the converse with foreigners in other than the 'United States language."

Queen Victoria is said to take great interest in the coming fair.
