A New Flower.

Mary D. Welcome, the Yarmouth (Me.) florist, says the flower that will be most wondered at and admired among the new fashions Dame Nature has introduced this year is the entirely new type of zinnias, called the "crested and curled zinnias."

Dame Nature took them in hand not many years ago to see what she could do to improve their habits and with marked success. The elegant Tom Thumb, Pigmy Mexican, Zebra, in stripes of red, orange, pink, scarlet, white, etc., mosaic, with foliage marbled and dotted green and gold—these were some of the new types introduced...

Accidentally Knocked Down by a Panther.

On the anniversary of Washington's birth Alexander Rawles, a prominent landowner and stockman of Anderson valley, was accidentally knocked down by a large 8-foot panther. Rawles' bruises are now reported serious. His dogs had treed the beast, and Rawles went to a neighbor's for a gun. He could find only one cartridge, but with this he returned and shot the panther, but only slightly wounded it.

The panther entirely ignored Rawles throughout the fight, giving the dogs its undivided attention, although before and after his fall Rawles vigorously belabored the beast with his gun barrel, which was ruined in the conflict. The panther's death finally resulted. When Rawles was knocked down, his side struck a stone, producing serious internal injuries.—Cor. San Francisco Chronicle.

Saved by a Quick Hair Cut.

A young woman was saved in an almost "miraculous" manner the other day from almost certain death. She was walking through a mill at Lewistown, Me., when her hair fell down in front of a piece of heavy machinery and the ends of the hair caught in some slowly revolving cogwheels. The woman screamed, but did not have the presence of mind to break away at once before more strands of hair were caught and dragged in. She stood there almost motionless screaming, while her head was drawn nearer and nearer to the fatal wheels. Presently her cries attracted the attention of a man, who rushed to her assistance and severed her hair with a knife just as her head was approaching the wheels.—Exchange.

HILL'S Double Chloride of Gold Tablets. REMEMBER WE GUARANTEE A CURE. A FEW Testimonials from persons who have been cured by the use of Hill's Tablets. THE OHIO CHEMICAL CO. DORRIS FERRY, N. Y. THE OHIO CHEMICAL CO.—GENTLEMEN—I have been using your cure for tobacco habit, and found it would do what you claim for it. I used ten cents worth of the strongest chewing tobacco a day, and from one to five cigars; or I would smoke from ten to forty pipes of tobacco. Have chewed and smoked for twenty five years, and two packages of your Tablets cured me so I have no desire for it. B. M. JAYLOR, Leslie, Mich. THE OHIO CHEMICAL CO.—GENTLEMEN—It gives me pleasure to speak a word of praise for your Tablets. My son was strongly addicted to the use of liquor, and through a friend, I was led to try your Tablets. He was a heavy and constant drinker, but after using your Tablets but three days he quit drinking, and will not touch liquor of any kind. I have waited four months before writing you, in order to know the cure was permanent. Yours truly, MRS. HELEN MORRISON, CINCINNATI, OHIO. THE OHIO CHEMICAL CO.—GENTLEMEN—Your Tablets have performed a miracle in my case. I have used morphine, hypodermically, for seven years, and have been cured by the use of two packages of your Tablets, and without any effort on my part. Address all Orders to THE OHIO CHEMICAL CO., 81, 83 and 85 Opera Block, LIMA, OHIO.
