

FREELAND TRIBUNE.

VOL. VI. No. 4.

FREELAND, PA., MONDAY, JULY 3, 1893.

\$1.50 PER YEAR.

FROM SUBURBAN POINTS.

LETTERS FROM THE PEOPLE OF NEIGHBORING TOWNS.

Cross Creek Hall at Drifton to be rebuilt by Cox & Co.—Other items from that town and all the news of Jeddo and Upper Lehigh.

Special and regular correspondence from the surrounding towns is solicited by the TRIBUNE. Communications or items intended for publication must be accompanied by the name of the writer.

DRIFTON ITEMS.

Before the summer is over the residents of town will probably have the satisfaction of seeing the hall, which was burned a few years ago, rebuilt. A village without its town hall is much in the nature of a house without a roof, there are neither pleasure nor comfort in it, and the people of town will no doubt hail its erection with delight. During the few years past many gatherings of a social nature, which would have been amusement and recreation to the residents, had to be passed over for want of a suitable place to hold them, but now that there is a possibility of having a hall at home brings with it a feeling of comfort when we think of the walk to and from Freeland, which was always considered pleasure with a vengeance.

The men who worked retimbering No. 2 slope received their pay on Thursday, and expressed much dissatisfaction at the small wages paid them while at that dangerous work. However, the matter was speedily rectified when Superintendent Kudlick's attention was called to it.

Early tomorrow morning a flag will be raised on the top of No. 2 breaker. It is 64x12 feet, and will float every holiday. The flag was procured from contributions made for that purpose by the employees of the breaker.

All the ball-players of town will give the St. Patrick's cornet band a call at the Freeland opera house tomorrow evening.

Frank Brogan and Miss Maggie Carr, students of the West Chester normal school, are at home on vacation.

St. Patrick's cornet band, St. Ann's Cadets and St. Ann's Sunday school will visit the Cox & Co. families tomorrow morning. The P. O. S. of A. band and Sunday schools of town will also call.

Andrew Furey moved his family from Freeland to this place on Saturday.

John Leesburger left here today for Wisconsin, where he intends making his future home.

Miss Sallie Gallagher, of Philadelphia, is here visiting friends and relatives.

Great precautions are being taken in the mines here to prevent mine fires. Many new rules have been adopted recently and will be rigidly enforced.

William Allen is home on a short visit to his parents.

A child of Thomas Kessel, Jr., died of scarlet fever on Friday evening.

Edward Dougherty, of Wilkes-Barre, spent a few days with friends here last week.

Quite an interesting game was played here yesterday between a club from Hazleton and the Fearnots. It ended in a wrangle. The people of Hazleton think the umpire here has eyes all around his head.

Charles McGeehan, who is working in No. 1, got his leg hurt while at work last week.

Joe Thomas, formerly of this place, but now of Carbondale, is visiting friends here this week.

Rodger O'Donnell has resumed his position as molder in the shops here.

The small boys of this place ought to choose another place to play besides the school house. Remember the first one caught interfering with township property will pay salary.

About 8 o'clock on Saturday morning Jerry McCarty, a fireman on No. 5 loche, had his left leg broken between the ankle and knee and was otherwise slightly injured. He was standing between some cars that the loche was pushing in the vicinity of No. 2 breaker when the cars jumped the track and caught him between the cars and a large cribbing. He was removed to his home where Dr. Wentz attended to his injuries. Today he will be removed to Hazleton hospital.

JEDDO NEWS.

The base ball club must have got lost or stolen. No tidings of it can be found anywhere. If found again the proper thing will be to get it going or disband as the stock is sinking very low.

There was quite a scene at the hotel one evening last week between some young men who were playing ball and Policeman Seiwel. The ball was struck

by one of the players and it broke one of the hotel windows, when the policeman came out and after a war of words abused one of the boys without limit. As a result there is some promise of a law-suit.

Peter O'Donnell leaves here today for Escanaba, Michigan. His many friends here regret his going.

Jeddo will have a large delegation at the twentieth annual ball of the St. Patrick's band tomorrow evening.

James Collins removed his family from Oakdale to Pinkash last week.

Chas. Gursch and wife are on a tour to the World's fair.

The Pinkash houses are receiving the attention of the carpenters.

Robert Boyle, of Wilkes-Barre, is here spending a few days among friends and relatives.

Misses Sophia Boyle and Kate Timony, of Freeland, were visiting in town yesterday.

The work of building Mr. Markle's mansion is progressing rapidly.

Misses Ella Shearon and Bridget McHugh, of Eckley, were among the visitors in town yesterday.

UPPER LEHIGH NOTES.

Andrew Rola, a Hungarian who boards on Railroad street, was stricken with an apoplectic fit on the street last Friday. The unfortunate man has but one leg and it was thought he was dead until he was taken home. His condition was so serious that he was taken to the Hazleton hospital.

Misses Sadie Britton and May Whitman, of Mt. Carmel, are visitors at the residence of S. S. Hoover.

The breaker is undergoing some much needed repairs.

The Hungarians who were arrested for stealing coal, and then, it is said, selling it, were released after paying all claims.

The sporting folks of this place will not miss the ball of the St. Patrick's cornet band tomorrow evening.

Mrs. Fred Lesser and Mrs. Julius Fox, of Silver Brook are spending a few days in town.

Mrs. Wm. Davis, of Catsaunqua, is spending a few days at the residence of David R. Davis.

John Keenan, one of our popular young men, joined the order of benedictins on Thursday. The Bird wishes John a long and happy life.

Phil. Klose is rapidly becoming an expert on the bicycle.

John Boyle, of Cadena, Ireland, is the guest of Patrick Green, of Railroad street.

Thomas Ferry, Jr., of Mt. Carmel, is visiting his parents here.

It is said that another of our young men will soon go into the house furnishing business. How is it, Joe?

Some of our young men who were frequent visitors at Lattimer, say Drifton is just as nice a place to go now.

Dennis Gallagher, at one time a resident of this place, but now of Providence, Lackawanna county, is visiting his wife's parents here.

A person can scarcely tell from what quarter trouble will come and at present it is likely to arise from an unexpected source in this locality. The landlord of the Hungarian boarding house at the stripping, to be in style, painted all the windows green, consequently there is trouble brewing, as the Tarriers say its a bad omen and endangers Home Rule, besides, it might prove an opposing factor to their dye establishment. A committee will be sent to interview the landlord and make a thorough investigation.

Miss Maggie McGuire has returned home after a brief visit among Scranton friends.

BASE BALL.

Hazleton's crack club had a narrow escape from defeat at Freeland yesterday, and they squeezed out a victory by the narrow margin of 1 run. The game was not so particularly interesting until the opening of the ninth inning. The score was 9 to 4 in the city club's favor, but the home team rallied and by hard and timely batting knocked out 4 more runs before they were retired. Had the game been a little longer many believe Freeland would have won easily.

An old-time slugging match took place on Bryanton field yesterday between the Tigers and Honey Brook club. The local team was not in the very best of condition and played listlessly at times, but still they found no difficulty in playing all around their opponents. The score at the end of the ninth inning was 29 to 12 in favor of the Tigers. Brislin and Gaffney and Gallagher and Boyle were the batteries.

The Hazleton Athletics and Fearnots game at Drifton park yesterday ended during the third inning. In running the bases the Hazleton people alleged that a Fearnot player cut first, as this was not seen by the umpire the runner was not called out. Because the matter was not decided in their favor the Athletics left the field, with the score 4 to 3 in their favor.

Jeanesville won from Shenandoah by a score of 8 to 2 on Friday.

An exchange says that Jennings will not be able to play with Baltimore for two months, owing to his recent sickness.

The rivals, Jeanesville and Lansford, meet at the latter place next Saturday.

Hazleton and Jeanesville play two games tomorrow, one at each place.

On Saturday Hazleton defeated Lansford, 7 to 3.

Eleven innings were played at Mahanoy City on Saturday and the game ended 4 to 3 in Jeanesville's favor.

The Tigers and Jeanesville Stars play here on the 9th inst.

The Smiths of Freeland would like to hear from any club in the region with players under 21.

Tacony club of Philadelphia plays two games at Lansford tomorrow.

A Pumpman Killed.

From the Sentinel.
Michael Leist, a young man aged 22 years, employed as a pumpman in the Laurel Hill slope of A. Pardee & Co., at Hazleton, was injured so severely at noon on Friday that he died two minutes after being brought to the surface. The pump he was attendant of was located on the second lift, but being an experienced pump runner he was also entrusted with the care of a pump on the third lift.

He was on his way to look at it and when stepping from the moving car as it reached the third lift, it is supposed that he stepped on the chain and fell to one side, when the pedicle bolt of the car struck him on the head so severely that it fractured his skull. He was rendered unconscious and remained so until he was found.

As he was being hoisted to the surface he regained consciousness, but died before he was placed in the ambulance which was about two minutes afterwards.

Mountain Grove Camp Meeting.

The camp meeting at Mountain Grove will begin Wednesday August 2, and close on the following Wednesday.

Among the distinguished ministers who will be present to assist the ministers of the district are Dr. Upham, of Drew theological seminary, and Dr. T. L. Leak, of Grace church, Harrisburg.

Rev. R. H. Gilbert will deliver a series of popular talks during the "Children's Hour" daily, each illustrated by a number of cartoons. Prof. Killpatrick, of Philadelphia, will have charge of the music.

The camp meeting will be in charge of Rev. Dr. Yocum, presiding elder of the district. Applications for tents should be made to the secretary, Wm. R. Owen, Shamokin, Pa.

Normal School Examinations.

At the Bloomsburg state normal school on Thursday, 113 seniors passed final examinations—the largest number at any similar institution in the state. Among the graduates were Miss Celia Gallagher, of South Heberton, and Miss Bid McLaughlin, of the Points. George McLaughlin, of Freeland, and John McGill, of Highland, were advanced from the junior to the senior class.

Miss Annie McLaughlin, of the Points, a pupil of St. Ann's parochial school, was also examined and admitted to the senior class.

One of the Best in the County.

Without doubt the FREELAND TRIBUNE, semi-weekly, is one of the best local newspapers in Luzerne county, and is never neglected when it reaches this office. It has just entered upon its sixth year of prosperity. The TRIBUNE is ably edited, clean and simon-pure Democracy is occasional dished up by Brother Buckley, the level-headed editor. May you still continue your good work.
