Report of the Business Transacted by That Body on Monday Evening—Bills Presented and Statements Rendered by the Different Officials.

The members of the borough council met in regular session on Monday evening, Messrs. Williamson Rutter, Moore, McLaughlin, Fritzing and DePierro were present. The minutes of the last regular and special meetings were read and approved, with the exception of the part in reference to sustaining the police in their defense of the suit brought against them by John Martizius.

A motion was agreed to that a committee of two be appointed to consult with the borough solicitor as to the course to be pursued.

A bill of \$1.25 was presented by Thos. Birkbeck for damage done to his wagon by the breaking of a spring in crossing over a gutter at Pine and Front streets. The matter was laid over indefinitely.

A. W. Washburn, R. Ludwig and James Crawford, representing property owners on Johnson street, appeared before council and asked that the sewer now in construction be extended to Johnson and Pine streets. It was decided that the sewer be laid as far as the money appropriation would hold out.

The treasurer's report was read as follows:

Received from burgesses.....	47 75
	1,584 91
Paid out on orders.....	221 76

The street commissioners' report was read, showing an expenditure of \$447.75 on the sewer for month of June. The report was accepted and the secretary ordered to pay the same.

The street commissioner was instructed to make out bills and present the same to parties whose premises were cleaned of garbage.

The secretary read opinions from the borough solicitor on the several questions submitted to him some time ago. The same were ordered placed on file.

The matter of opening up sidewalks on Ridge street was left to the borough solicitor with power to have viewers appointed by the court. The council selected a number of names to be submitted from which to select seven viewers.

The secretary presented a statement of the adjusted valuation of the borough, which is \$101,914.00. The tax levy was laid the same as last year, two mills for sinking fund and thirteen mills for borough purposes.

Assessor Pritchard presented the names of owners of eighty-four dogs. He was instructed to continue his enrollment and return them to the secretary.

A special meeting will be held as soon as the committee appointed to see the solicitor is ready to report.

Borough School Teachers.

The borough school board met last evening and appointed teachers for the coming term. The successful candidates, with their salaries, are as follows: Grammar—H. L. Edmunds, \$60. Intermediate—M. Zimmerman, \$45. Secondary—Miss Tillie Lindsay, \$45. Primary—Miss Lulu Schmidt, \$45.

All of the above teachers are the same as last year, excepting Mr. Zimmerman, who succeeds Mrs. John B. Keenan.

The new teacher taught last year at the Upper Lehigh school of Butler township, and came well recommended to the Freeland directors.

For principal Mr. H. L. Edmunds had no opposition, but the contest for the other three schools was fought very hard. Besides the successful applicants the candidates were Miss Anna Sensenbach and Miss Annie Gillespie, of Freeland; Miss Bella McGill, of Highland; Miss Mame Reilly, of Harleigh; J. I. Bates, Eckley; Frank Van Gordon, Jeddo; and Annie Brislin, Hazleton.

Several ballots were taken before a teacher for each school was selected. The voting was done by secret ballot, which, it is said, is contrary to law and may result in the appointments being declared void.

The term will consist of nine months, and the schools will open on Monday, August 14.

Electric Road Collision.

The presence of mind of a passenger on a crowded electric car near Wilkes-Barre on Tuesday evening prevented an awful accident. Two cars coming in opposite directions were crowded with hundreds of people returning from a picnic. The motorman of one of the cars, seeing a collision was imminent, left his post and jumped off. About fifty of the passengers followed suit. A passenger seized the crank, shut off the current and put on the brake.

When the cars crashed not many were hurt by the collision, but about twenty were injured in jumping off. Two men sustained broken legs, one woman had her shoulder broken and many were hurt internally.

How the Day Was Spent.

The Fourth in Freeland was spent in a manner that seemed agreeable to the great number of people who came to town on Tuesday. The weather was perfect and with amusements of every kind going on visitors found no trouble in enjoying themselves.

The parade, though not so large as some expected, was very neat and the participants made a most creditable display. The police force had but little to do in the day or evening, and the town was free from every kind of trouble that would mar the people's pleasure.

Officers Elected.

The Freeland Mercantile Company, Limited, has elected the following officers: President—Daniel Kline. General manager—W. D. Kline. Secretary and treasurer—H. L. Edmunds. Board of managers—W. D. Kline, H. L. Edmunds and Daniel Kline.

Card of Thanks.

The members of the St. Patrick's cornet band extend their sincere thanks to those who assisted them at the ball on Tuesday evening, and to the public in general for its patronage, and are pleased to announce that the affair was a success beyond the expectations of the band.

HELD WITHOUT BAIL.

Joseph Broskosky, Charged With Murder, Has a Hearing.

From Last Evening's Leader.

Joseph Broskosky was brought from the county prison before Judge Rice this morning, on a writ of habeas corpus, with a view to the securing of his release on bail. Broskosky is charged with murder. The coroner's jury, it will be remembered, found in its quest upon the body of Joseph Franko, that Franko had come to his death from compression of the brain, resulting from a fracture of the skull caused by a blow from a hatchet in the hands of Broskosky, inflicted in Foster township, on June 21.

John T. Lenahan and John D. Hayes conducted the hearing on behalf of the prisoner, and Assistant District Attorney O'Boyle represented the commonwealth. A number of witnesses were examined. Broskosky is a milk dealer and Franko had purchased a cow from him. The cow strayed back to Broskosky's place and Franko recovered it. The cow strayed again and Franko met Broskosky, in front of the former's house on the 21st, and the two had some contention about the cow. Both became angry and hot words followed.

A woman who saw them at this time testified that Broskosky had in her presence struck Franko with a hatchet, that the men then separated, that Franko's wife insisted that her husband should follow him and get a final understanding about the cow.

A man swore that he had seen them after they came together again, that Franko had his hand on Broskosky's wagon, that Broskosky had told him three times to take his hand off, and, Franko failing to do so, Broskosky deliberately dealt him a heavy blow with the hatchet in the head.

Judge Rice, after the hearing, refused to admit Broskosky to bail and he was remanded for indictment and trial.

FROM ALL QUARTERS.

Tamaqua's knitting mill has shut down indefinitely, and over 100 girls are thrown out of work.

Michael C. Lynch, of Harleigh, is the latest candidate in the field for the Democratic nomination of commissioner.

Peter Baur, of Wilkes-Barre, has been appointed special detective for Luzerne, Lackawanna, Montour and Columbia counties to hunt up the fraudulent pensioners.

A fire at Larksville, this county, early yesterday morning destroyed Nesbitt's store, the Red Men's hall, Charles Lawson's dwelling and a barber shop. The loss is about \$15,000.

The first car was started on the new electric railway between Hazleton and Jeanesville on the Fourth. It was boarded by Alvin Markle, president of the road; Secretary Doud and a number of citizens.

R. E. Milligan, of New York, took a trip around the Switchback on the Fourth, and while shooting off a revolver recklessly near Summit Hill, a bullet struck and fatally wounded Mrs. Daniel Conaghan, of that place. He was arrested.

Master Workman James Hughes, of the Garment Cutters' Union, who was taken from this state on requisition during the strike of the garment cutters in New York, and convicted of conspiracy, was pardoned on Tuesday by Governor Flower.

BASE BALL.

Jeanesville Stars will bring a strong team here on Sunday and make a great effort to redeem their reputation with the Tigers. The Stars were beaten by the home club in May, and as they are anxious to win the next fine game may be looked for.

Freeland was defeated at the park on Tuesday by Miners Mills club. The score was 10 to 7.

Lansford and Jeanesville will have another game for "blood" on Saturday at Lansford.

Bachman did good playing on second and batted fine with Jeanesville on Tuesday.

The Jeanesville-Hazleton games on the Fourth drew large crowds. The first was played on the grounds of the former club, and was won by Jeanesville, 13 to 3. In the afternoon at Hazleton they won again, but the score was much closer, 5 to 4.

The Jeanesville players were banqueted and given \$15 each for winning both games from Hazleton.

Shenandoah had the Richmond A. A. club of Philadelphia as its opponent in two games on Tuesday. In the first the Quaker City team failed to make a hit or score a run, while Shenandoah had 10 runs. In the next Richmond got 2 hits but no runs, and Shenandoah scored eleven times.

Was Not Dead When Buried.

The White Haven correspondent of the Philadelphia Press telegraphs the following story to his paper: A case of suspended animation with the most horrifying results, was discovered at Morrison's last week. About a year ago Charles Rodgers, a young farmer, married Catharine Leader. Six months ago the wife was stricken with a peculiar malady. Despite the efforts of the physicians she seemed to grow worse daily. Last February she sank into a state of coma, from which she did not revive, and was pronounced dead.

After the funeral a terrible idea took possession of the husband. He could not work and raved constantly about his wife having been buried alive. He finally evinced symptoms of insanity. He did not cease to rave about his departed wife, however, and so strongly did he plead his cause that his friends were finally induced to reopen the grave.

They did so. A horrible discovery was made. The glass in the lid of the coffin was broken to fragments. The corpse lay face downward. The disarranged robes and disheveled hair showed that the woman had been alive. The shroud was torn completely.

The spectators were horrified. Two of the women who were present fainted. Strange to say the only person in the party who retained his composure was the afflicted husband. Since then he has been perfectly rational and to all appearances has recovered his senses.

Nothing but Truth Wanted.

Malicious persons who have a habit, and take delight in handing false and libelous articles to newspaper men, will take heed of the following act of the legislature recently passed. It reads as follows: "Any person who wilfully states, delivers or transmits, by any means whatever to the editor, publisher or reporter of any newspaper, for publication therein, any libelous statement concerning any person or corporation, and thereby secure an actual publication of the same, is hereby declared guilty of misdemeanor, and upon conviction shall be sentenced to pay a fine not exceeding \$500, and undergo an imprisonment for a period not exceeding two years, or either, or both, at the discretion of the court."
