Grover Cleveland 28 June 94 means that Grover is paid up to June 28, 1894. By keeping the figures in advance of the present date subscribers will save both themselves and the publisher much trouble and annoyance.

Subscribers who allow themselves to fall in arrears will be called upon or notified twice, and, if payment does not follow within one month thereafter, collection will be made in the manner provided by law.

**WORLD OF POLITICS.**  
**Not Much Noise Above the Surface, But Lots of Quiet Work Being Done.**

In a month and a few days more the Democrats of Luzerne county will meet to name their ticket for next November. So far the politicians and candidates have been exceedingly scarce in this part, yet the blossoming out of delegates in nearly every district in the vicinity proves that the office-seekers are not sleeping. That a large amount of quiet work has been done already can be easily seen. It is rather a hard task to keep track of the many candidates in the field. The crop, according to a calculation made on Friday by the *News-dealer*, includes twelve who want to be commissioners, two for treasurer, two for register, and one for controller. This is on the Democratic side. Republican candidates are not so numerous, but their convention will have no trouble in filling the ticket.

For commissioner Thomas Smith, of Milnesville, will probably be one of the Republican nominees and George Rimer or P. T. Norton his colleague. The Democratic ticket may be Edward Burke, of Pittston, and Owen Fritzing, of Hazleton, or Tom McGraw, of Bench Haven; or it may be Tom Dullard and Charles Honeywell, of Plymouth, or Honeywell and John Helferty, of Hazleton. A strong effort will be brought about to defeat Dullard, but he may pull through in the convention.

Sam Boyd, of Wilkes-Barre, will get the nomination for controller without any great trouble, providing the *Leader* is not successful in bringing out a candidate who will be a man of extraordinary strength. Boyd, however, seems to fill the bill, and it will require considerable influence to beat him.

Three candidates are looking for the Democratic nomination for register of wills—John J. Brislin, of Sugar Notch; P. C. Campbell, of Shickshinny, and Stanley Davenport, of Plymouth. Brislin is already booked as a winner in the race.

No names have yet been mentioned for the nomination of county auditors, and even though it is not a high-salaried sinecure it is good for three years and pays a few dollars per year. It is generally looked upon as a stepping stone to something higher in the court house.

The Democratic county convention will be held on Tuesday, August 22, and the Republicans have fixed their date for Wednesday, September 9.

Whoever the new controller may be he will be given a chance to distinguish himself as no other man has ever had before in the history of Luzerne county. He will also find a sufficient power in his hands to make him a worthy rival of the czar of Russia. It is an office full of opportunities for good or evil, and the people should be exceedingly careful in their choice of a man for this place. When the controller whistles every officer in the court house from garret to cellar has got to dance. The right kind of a man in this capacity can save Luzerne county \$40,000 the very first twelve months he is in office. —*Nanticoke Sun.*

The Smiths were defeated by the first nine of Weatherly yesterday, 9 to 2. It was understood that the game was to be played at the grounds in the town, but the burgess wouldn't allow it after the Smiths arrived there. They then took the game two miles out of the town in a field that was hilly and had grass two feet high. The Weatherly team have been playing their Sunday games there all summer and of course were used to the grounds.

At Harwood on Saturday the Tigers won from the club there by a score of 10 to 8. The game was not particularly interesting, and the battery work of Brislin and Gaffney was the leading feature.

The Fearnots went to Lattimer yesterday and in a hotly contested game defeated the club there, 17 to 16.

Hazleton defeated Shenandoah, 9 to 4, on Saturday.

One of the prettiest games ever played in the Lehigh region was that between Jeannesville and Allentown clubs on Friday. Eleven innings were necessary to decide the contest, which was won by Allentown by a score of 3 to 2.

After Friday's game Allentown's manager wanted to sign Schmeier and Keener, but they could not be induced to leave Jeannesville.

The Cuban Giants play at Hazleton on the 28th, and Jeannesville plays at Lansford next Saturday.

Second baseman Tighe, of the Scranton club, tried to thrash a reporter who criticized his work, and he will spend a month playing to pay the fine given him for his disorderly conduct.

Scranton will stay with the State League, having refused the offer of the Eastern people.

The Eureka, the champion amateur team of Scranton, were so confident that they could defeat the Scranton professionals that they wagered \$300 on it. The game was played on the Scranton grounds on Thursday. The professionals toyed with the amateurs, allowing them four hits and making them a gift of two runs while the professionals were making nineteen.
