A MISSIONARY FESTIVAL.

PREACHING AND SINGING BY ZEALOUS LUTHERANS.

The Park to be occupied on Sunday by the Germans and Slavonians—Services in Three Languages—Complete Programme.

On Sunday St. Luke's, German, and St. Peter and Paul's, Slavonian, Lutheran congregations will hold missionary services in Freeland Public park. The pastors of the congregations, Rev. A. Biemuller, and Rev. Karl Cvacaia, respectively, will conduct the services, assisted by Rev. G. Gerberick, of Weatherly.

The congregation of Zion church, Weatherly, will also be present and take part in the services, and it is expected that at least three other congregations from Butler Valley and Hazleton will be here. Besides these many persons of other denominations who sympathize with the movement, are expected to be present. The programme for the festival is as follows:

At ten o'clock the St. Peter and Paul's Slavonian society and St. Luke's Sunday school will march to the park, and upon their arrival the services will immediately commence. The Mayberry band, under the personal direction of Prof. Mayberry, will play a prelude, which will be followed by the choir in a selected piece. The congregations will then sing, St. Luke's in English and German, and St. Peter and Paul's, in Slavonian, the anthem, "Lord Jesus Christ be present now."

This will be followed by scripture lesson and prayer and a song, "A mighty fortress is our God."

Rev. Biemuller will then preach a sermon on St. John, 10:16, in German, to be followed by Rev. Gerberick, on the subject, "Another Missionary Command," in English, and Rev. Cvacaia in a sermon on Psalm 93:3, in Slavonian. After each sermon the congregation or choir will sing. The congregation singing will be accompanied by instrumental music.

The afternoon services will commence at two o'clock. Addresses will be delivered on the following subjects: "The Church in Hungary," "The Mission in Africa," and "Our Mission Work in the Western States and Territories." This will be followed by sacred music, songs and short sermons on divers subjects.

The Lady of Chicago.

Frank Humphreys, a well-known and popular musician, will bring his company of comedians to the opera house on Monday evening and present his own musical comedy, "The Lady of Chicago." The season of this company started three weeks ago and has been a booming hit. His company is a strong one from a musical as well as a dramatic standpoint, and there is no doubt but the opera house will have its capacity tested on Monday night. Humphreys' band and orchestra are superior to any yet heard here, and his cornet soloist, Herr Emil Koensacke, is said to be a marvel.

The street commissioner's report for work done on Walnut and Front street sewers for August, amounting to \$298.95, was accepted and ordered paid.

Tales from Town Topics.

There is much to commend in "The Skirts of Chance," the prize novelette, by Capt. Alfred Thompson, in the September issue of "Tales from Town Topics." None but a man of the world, an artist, and a close observer could have handled so many different phases of life and character, and have blended them into such a thrilling, cohesive whole. To many readers the life depicted in the story will appear overdrawn and unreal, but not so to the traveled man, and the frequenter of the cafe and collie, as they exist in Europe. In the miscellaneous matter that follows the story, the most desperate pessimist or the most enthusiastic optimist will find much to his taste. *Town Topics*, 21 West Twenty-third street, New York.
