LETTERS FROM THE PEOPLE OF NEIGHBORING TOWNS.

A Resident of Drifton Struck and Seriously Injured by a Passenger Train on Saturday Night—A Birthday Celebration at Jeddo and Other News.

Special and regular correspondence from the surrounding towns is solicited by the TRIBUNE. Communications or items intended for publication must be accompanied by the name of the writer.

DRIFTON ITEMS.

John O'Donnell, a resident of No. 1, met with a terrible accident on Saturday night by being struck with a Lehigh Valley passenger train. He had been at Freeland and came to the Drifton station on the train due here about 7.15 p. m. From the station he started home and nothing was seen of him until 1 o'clock Sunday morning, when he was found near No. 1 breaker by a Hungarian who was working on the night shift at Jeddo. The Hungarian notified the night watchman at No. 1 breaker and the latter identified him and had him taken to his home.

The right hand was cut off at the wrist and four toes cut off the left foot, besides being otherwise badly injured. As no one was near at the time of the accident the supposition is that he was struck by the late train which leaves here about 8.50 p. m. with the locomotive running tank first. Yesterday he was taken to Hazleton hospital where his wounds were dressed. There are good hopes of his recovery.

Samuel Cunningham left last week for Lehigh University, after spending his vacation here with his parents.

Messrs. Jordan and Gallagher, of Philadelphia, are here spending a few days with friends.

Mrs. James A. O'Donnell, of Silver Brook, was here visiting relatives last week.

James Roarty, who has been off on a trip to the World's fair and visiting relatives in the west, returned home on Thursday.

Jack O'Donnell, a miner in No. 1 slope, was seriously injured on Thursday morning by a fall of coal.

Work was suspended at the collieries here on Saturday.

John Quinn, a lad eight years of age, fell from a chestnut tree on Friday and had his elbow dislocated.

The practice made of shooting off revolvers after dark by some of the residents of No. 2 will surely have its results unless it is stopped.

Morgan McShea, while coming down stairs one evening last week, slipped and dislocated his ankle.

Miss Annie Gibbon, one of Sailor Hill's fairest, is visiting friends here.

William Jones has returned from a two weeks trip to the World's fair.

Jerry McCarty, who had his leg broken two months ago, resumed work today.

Mr. and Mrs. Cornelius Burns, of Buck Mountain, spent a few hours here last week.

One of the greatest games of the season was played here yesterday between the Fearnots and the Tubs. It ended in the twelfth inning with the score 7 to 6 in favor of the Tubs. The battery work of T. O'Donnell and J. Watters was very fine.

The woman who is said to have escaped from the Laurytown asylum is causing quite a commotion among many of the residents of this place. Some have went so far as to stop their children from going to school.

The valuable setter dog, owned by Hugh Brogan, which was stolen, has been recovered.

Word reached here on Friday that C. A. Quinn, brother of Patrick Quinn, of this place, was injured by a mine loc at Jeaneville that day.

JEDDO NEWS.

On Friday evening the young people had a very pleasant time at a birthday party given in honor of George Jacquot, who passed his twenty-first year. Dancing was the principle feature and was indulged in until an early hour. Several of the Japan Comedy Company were present as invited guests and added greatly to the amusement by introducing some of their specialties.

Miss Kate Harkins left last week on an extended trip to visit Buffalo friends.

Last week another of the carpenters employed on the No. 2 Oakdale breaker fell from that structure and was badly injured.

Geo. Wise returned last week from a trip to the World's fair.

COUGHING LEADS TO CONSUMPTION. Kemp's Balsam stops the cough at once.

State Debt is \$2,400,000.

The finances of Pennsylvania are in a most satisfactory condition. State Treasurer Morrison says that the net state debt at present is \$2,400,000. The next loan becomes due on August 1, 1894. There will then be sufficient in the sinking fund to redeem the loan in toto without drawing on any of the state's bonds or valuable securities. The amount of that loan is \$1,550,800 at 4 per cent. It could run until 1904, but the state treasurer has the option of calling it in next year, and he has already given notice to that effect.

Despite the recent hard times the owners of these bonds had faith in them and the treasurer was only asked to redeem \$600,000 worth of them. He did this at a slight saving to the state. The net debt of \$2,400,000 includes some \$102,000 on which interest has ceased. Some of these bonds date back as far as 1841 and will doubtless never be presented for payment, having been destroyed in some measure.

Killed by Lightning.

A very heavy hail and electrical storm passed over the Schuylkill mining region Friday evening, doing much damage to electric light, telephone and telegraph lines. Lightning was terrific and many trees were felled.

The storm was particularly severe in the vicinity of Shenandoah. At that place a Polish boy named John Bosconage, aged 18, was struck by a bolt and instantly killed. This case is made the more sad by the fact that the boy's father had just been brought home from the miners' hospital dead, the result of an accident in the mines a few days ago.

Killed by a Train.

The Reading Railroad fast express train that left Philadelphia at 4 o'clock Saturday evening as it reached the outskirts of Pottsville shortly before 7 o'clock, with President Harris on board as one of the passengers, struck a young man named Peter Reilly, broke his leg, bruised his body badly and cracked his skull, scattering his brains on the track and engine. Reilly's body was taken to an undertaker's morgue and prepared for burial. He had been riding on a shifter and jumped off in front of the express train.

Picnic at Sandy Run.

Camp 255, P. O. S. of A. of Sandy Run, will hold a picnic at Fairchild's grove Sandy Run, on Saturday, September 23. Lopp's orchestra, of Hazleton, will furnish the dancing music. The proceeds of the picnic will be used to fix up the dancing platform and stands. Special trains will run from White Haven and Upper Lehigh on the Central railroad. The public is cordially invited.

Temperance Parade.

The Catholic temperance societies of the lower end expect to make a good showing in the annual parade of the C. T. A. Union of the Scranton diocese at Wilkes-Barre on the 10th of next month. From Freeland the St. Ann's Pioneer Corps and St. Patrick's cornet band and the Young Men's Society and Mayberry band will attend. Both societies will go via C. R. K. of N. J. from Upper Lehigh.

BIBLE INSTITUTE.

Outline of the Work to be Accomplished by Mr. MacGregor's Class.

Since Duncan MacGregor started the first institute here, a large number of towns are organizing, or are going to organize, bible institutes also. We publish the following outline of work, as requested at the first meeting held in St. John's Reformed church. The next meeting will be on September 26, in the Baptist church. The pastors everywhere seem to be unanimous in expectation of good results.

This is a new organization designed to unite the churches of every town in three distinct objects.

1.—For daily reading of the bible in the home, in preparation of the Sunday school lessons.

2.—For the special study of the books of the bible, in harmony with the international Sunday school lessons.

3.—For the systematic visitation of all the Protestant families of a town to increase the prayer meeting attendance of the churches.

After securing the hearty co-operation of the pastors of a town a monthly evening meeting will be held alternately in the churches uniting in the plan. The books for study will be in 1893-94: September, Book of Romans; October, Corinthians and Ephesians; November, Colossians and James; December, Peter and Revelation; January, Genesis; February, Exodus; March, Leviticus; April, Numbers; May, Deuteronomy; June, Matthew; July, Mark; August, Luke; September, John.

The pastors will be invited to serve as a committee of arrangement to undertake the teachings of the book named for each month. An afternoon monthly union meeting, of the junior department of the bible institute, composed of the children of the Sunday schools is also included in the plan, so as to interest more children to attend the morning church services, and also the prayer meetings. When these bible institutes are organized and are thoroughly worked there will be a noticeable increase in prayer meeting attendance.

These institutes are adapted to any town where the pastors will unite to carry on the work. I propose by personal visit, to organize these bible institutes in the following counties in Pennsylvania: Lehigh Valley Railroad, Luzerne and Carbon counties—Philadelphia, Berks, Montgomery and Philadelphia. For further information write to Duncan MacGregor, of Philadelphia, lecturer on the bible, Mauch Chunk, Pa.

A Large Head of Lettuce.

From the Plain Speaker. Undoubtedly the largest head of lettuce ever grown in this section, is one that was grown by Patrick Carey, of Freeland, and is now on exhibition at Clark's grocery, on east Broad street, Hazleton. Mr. Carey is a successful farmer as well as saloon keeper.
