

REPUBLICAN DAY WITH VENGEANCE

Several Important States Carried With Large Majorities.

Not a Democratic State Officer Elected in New York and the Legislature Lost—Massachusetts and Iowa Republican Through-out With Big Majorities—Ohio Returns Gov. McKinley By a Plurality of Probably 80,000—New Jersey Legislature Republican—Democrats Win in Virginia, Kentucky and Other States.

New York, Nov. 8.—Twelve states held elections yesterday and a congressman was chosen in the first district of Michigan to fill a vacancy.

In New York the whole state ticket was elected by pluralities exceeding 15,000, while Bartlett was elected over Maynard by a much larger plurality, probably exceeding 70,000.

The legislature is republican in both branches.

The republican victory in Kings county is complete. Schieren, for mayor, defeated Boody by over 20,000, and Gaynor was elected supreme court judge by over 25,000.

Ohio re-elected Governor McKinley by a plurality which may exceed 50,000. The legislature is republican in both branches.

Massachusetts has elected a republican governor, Greenhalge having beaten Russell by 10,000, a full set of state officers and a republican legislature.

Iowa elects Jackson governor to succeed Iowa by from 25,000 to 35,000.

In New Jersey the assembly is believed to have a republican majority of at least ten. The senate is probably democratic by one or two votes, because of the hold-overs, though the republicans gained five or six members.

In Pennsylvania, the republicans have elected a treasurer and supreme court judge by from 75,000 to 100,000 plurality.

South Dakota elected three supreme court judges and eight circuit court judges, all republicans.

The Virginia democrats have elected the entire state ticket, except in the cases of a few popular legislators, by big majorities.

Kentucky chose a democratic legislature, which will elect a United States senator. Griffin, democratic candidate for congress in Michigan, was elected.

IN THE EMPIRE STATE

Victory of Republicans Greater Than Expected—Tammany Wins.

New York, Nov. 8.—All political factions looked on with wonderment and surprise when the result of yesterday's election became known.

The vote polled for secretary of state by the New York democracy of which Tammany hall is the head was full 10,000 below their anticipated majority. The figures are:

Meyer, democrat, 147,256; Palmer, republican, 79,877.

The greatest struggle of the campaign was centered in the contest for associate judge of the court of common pleas and has probably greatly influenced the general vote throughout the state, the candidacy of Isaac H. Maynard having been greatly opposed.

All parties in this city were greatly surprised and perhaps none more so than the republicans themselves. Maynard fell considerably behind his ticket and polled 20,387 votes less than cast for secretary of state and there is little doubt but that his candidacy was a leading factor in the defeat experienced by the democratic party in this state.

Another cause for the downfall of democracy, in all probability, was the recent actions of John Y. McKane at Gravesend, which unquestionably affected the party's chances of success.

The democrats still, virtually, have control of the local government, having elected their city officers, sheriff, county clerk, surrogate, city comptroller, justice district attorney, justice of the civil court and coroner.

The republicans have only carried two out of the 90 assembly districts in this city; they are the twenty-third in which Lawson was elected, and the twenty-ninth which was carried by Fitzgerald.

In the city proper, eight out of the nine senatorial districts have gone to the democrats, and the present indications are that they have carried the day in those parts of Putnam and Westchester counties belonging to the annexed district known as the fifteenth senatorial district.

Complete returns from 49 of the 67 counties, including Philadelphia and Allegheny, show a net republican gain of 46,553, indicating a majority in the state of considerable above 100,000.

Bradford, Pa., Nov. 8.—Nearly complete returns indicate that the republicans have carried McKean county for the state ticket by 500 majority. The republican county ticket is elected by a safe majority.

Pittsburg, Nov. 8.—Enough voting districts in Allegheny county have been heard from to indicate almost to a certainty that Fell, republican for supreme court judge, and Jackson, republican, for state treasurer, will have majorities exceeding 20,000. The republicans will elect their county ticket by majorities ranging from 10,000 to 20,000.

Clean Sweep in Brooklyn.
Brooklyn, N. Y., Nov. 8.—The republicans have made a clean sweep in Queens and Suffolk counties. The democrats have elected one assemblyman in Queens, Robinson, in the first district, and he is the only democrat elected to any office in either county. Schieren is elected mayor of this city by over 20,000 majority. Gaynor's majority for judge is over 25,000.

Democratic Mayor for Sacramento.
Sacramento, Cal., Nov. 8.—All precincts have been heard from. Gu, Steinman, democrat, is elected mayor by a majority of 900, receiving 3,238 votes.

BUFFALO GOES REPUBLICAN

Probably Only One Democratic Assemblyman Elected in Erie County.

Buffalo, N. Y., Nov. 8.—The entire republican ticket is elected, the democrats saving only an occasional alderman. Endres, democrat, in the 30th senatorial district, is beaten.

Persons, republican, will carry the 31st senatorial district.

Incomplete returns indicate that the republicans have carried every assembly district in Erie county with the exception of one.

Gov. Flower's View.

ALBANY, Nov. 8.—When asked for his opinion as to the result of yesterday's election, Gov. Flower said: "The republicans have elected their state ticket. The legislature is in doubt. The republicans have no doubt secured a majority in the constitutional convention. The result has been general throughout the country, and can be attributed only to the business depression and the thousands of men out of work."

The Vote at Gravesend.

BROOKLYN, N. Y., Nov. 8.—The total vote of Gravesend is as follows: Secretary of state—democratic, 3,506; republican, 162. Court of appeals—democratic, 3,491; republican, 168.

Democratic Mayor at Kingston.

KINGSTON, N. Y., Nov. 8.—Kingston re-elected Mayor David Kennedy (dem) by five plurality. The common council is a tie.

Republican Sweep in Tioga County.

ELMIRA, N. Y., Nov. 8.—The whole republican ticket in Tioga county is elected by not less than 1,000 majority.

Republican Mayor at Utica.

UTICA, N. Y., Nov. 8.—Thomas Wheeler, republican, is re-elected mayor of Utica by about 50 majority.

RESULT IN NEW JERSEY.

Republicans Make Gains and Secure Control of the Legislature.

CAMDEN, N. J., Nov. 8.—The entire republican ticket is elected in this county, with the exception of William J. Thompson at Gloucester city.

The republicans will have a majority in the legislature. Last year the democrats had a two-thirds majority in the house.

Burlington county elects the entire republican ticket and two assemblymen.

The entire republican ticket is elected in Cumberland county, and two assemblymen.

Gloucester elects a republican senator and assemblyman.

Middlesex county two republican assemblymen.

In the Hudson county assembly district 3 republicans, 7 democrats and one independent were elected.

At Newark, M. T. Barrett, the candidate for senator, and the strongest man on the ticket, is defeated. There will probably be six republican assemblymen from this county to two last year. The advice received from democratic headquarters shows that the republicans will have a majority of between four and six in the assembly.

Passaic county elects two republican and three democratic assemblymen and a republican sheriff.

Ocean county elects an entire republican ticket and two assemblymen.

Sussex county has gone republican for the first time in its history.

Republicans make a clean sweep in Mercer county, electing all three candidates for the assembly, and county officers.

Hess and Union counties also elected entire republican tickets.

There are two assembly districts in Bergen county. The county is solidly democratic, and the two candidates of that party for assembly were both elected.

Camden county elects two republican and one democratic assemblymen.

Hunterdon county elects both democratic assemblymen.

Hoboken elects a republican sheriff.

Bradley Elected.

ASBURY PARK, N. J., Nov. 8.—Latest returns from Monmouth county elect James A. Bradley for senator by nearly 400 majority.

IN PENNSYLVANIA.

Republicans Make Unusual Gains in Many Places.

PHILADELPHIA, Nov. 8.—The election throughout Pennsylvania yesterday was very quiet and the vote small.

Samuel L. Jackson, republican, of Armstrong county, is elected state treasurer and D. Newlin Fell, republican, of Philadelphia, justice of the supreme court.

Mr. Jackson will succeed John W. Morrison, republican, who was elected state treasurer in 1892 by a plurality of 54,187 over his democratic opponent. Judge Fell will serve the two years remaining of the term of Judge Edward M. Paxson, who resigned to accept the receivership of the Reading railroad company.

In Philadelphia the entire republican ticket was elected.

The following republican gains were made: Franklin county, 300; Northumberland, 400; Armstrong, 3,000; Delaware, 400; Lancaster, 200; Bradford, 400; Cambria, 100; Lebanon, 111; Blair, 856.

Republican gains are also reported in Lehigh, Franklin, Luzern, Lackawanna, York, Erie, Westmoreland, Allegheny, Monroe and many other counties.

MANY BLOODY SCENES

Riot and Disorder Indulged in at the Polls.

Three Men Shot, One Man's Throat Cut, Several Others Badly Beaten and a Jail Full the Result at Camden, N. J.—Polls Closed at Pittsburg, Serious Trouble at Gravesend—Citizen Shot at Lansingburgh, N. Y.

NEW YORK, Nov. 8.—Although the election was hotly contested in this city scenes of disorder were very scarce, thanks to the precautionary measures taken by the police.

There were numerous arrests for false registration and attempting to vote illegally. In many cases the men were dismissed, it being shown that they were unduly held. A number of lawful voters, on reaching the polls found that others had voted in their names.

Serious Trouble at Gravesend.
BROOKLYN, Nov. 8.—There was a good deal of excitement at Gravesend all day yesterday. Armed with the order issued by Justice Barnard of the supreme court, compelling Supervisor McKane to allow the republican inspectors to watch the voting, a party of William J. Gaynor's supporters led the latter's house in Brooklyn at 4:30 a. m. under the leadership of Col. Alexander S. Bacon. The party numbered about fifty, and proceeded in carriages to Gravesend. The first carriage had Col. Alexander S. Bacon, Mr. M. C. Moore, of the committee of one hundred, vice-president of the county committee of Brooklyn and vice-president of the citizens' union and a well known democrat; William A. Whiting, a New York lawyer and merchant, and William K. Warner, chairman of the democratic committee of the twenty second ward. They carried with them the order issued by Justice Barnard. They entered Gravesend from four directions and found McKane and his police force drawn up around the court house. McKane refused to take the papers offered, and told Col. Bacon that they were going to run the town to suit themselves. Col. Bacon and his three companions were then arrested and locked up for two hours. The members of Col. Bacon's party were then forced to flee the town.

After Mr. Bacon and his companions had been in jail for two hours Chief McKane allowed the injunction papers to be served on him. He then released all the prisoners except Peter Rosenbeck, for whom a writ of habeas corpus was subsequently obtained from Judge Cullen.

Court's Order Defied.
Edward M. Groun, a law partner of Mr. Groun, makes the following statement: "The coach in which I was, with three others, was stopped when we arrived at the polling place by Judge Newton. I took the injunction order and showed him the original signature of Judge Barnard to it, and told him it was an injunction restraining the preventing of the watchers from taking their places in the polling places and the watchers were there ready to take their places. To this Judge Newton said: 'I don't care a damn for the supreme court or for Judge Barnard. You can go no further.' Then he called officers and hustled us, and some of us were thrown down and trampled upon and we were all struck."

Warned the Sheriff.
Sheriff Courtney, later in the day, received the following telegram from Governor Flower, dated at Albany:

"It has been represented to me by citizens of Kings county that you have temporarily refused to do your legal duty in the matter of election day trouble at Gravesend. I am not in possession of exact facts in the matter, but I call your attention to my proclamation of yesterday, published in this morning's papers, and I shall expect you to do your full duty under the statute in the preservation of order and the enforcement of law to the end that there shall be an honest ballot and a fair count in your county. Failure to do this will be considered cause for your removal."

Bloody Riots at Camden.
CAMDEN, N. J., Nov. 8.—As a result of the appointment of 500 democratic special policemen and as many republican deputy sheriffs, election rows were frequent here throughout the day.

Nathan Van Dyke, colored, had his throat cut by Michael Kelly, white, and may die.

Arrests were made by the score and the cells of the police station are filled with men who are cut and bruised.

A serious affray occurred at Seventh and Clinton streets, the polling places of the third precinct, ninth ward. John Jackson, a colored deputy sheriff, challenged the vote of a white man, whereupon the former was set upon by several policemen who beat him with black-jacks and placed him under arrest.

Shortly afterward at the same place several colored deputy sheriffs and a like number of white special policemen got into an altercation, during which three of the deputies were shot. One of the negroes, Samuel Fuller, was shot in the head, the bullet ploughing a furrow under his scalp. George Banks, another colored deputy, was shot in the leg and William Beale, also colored and serving in the same capacity, was shot in three places but is not seriously injured.

Corinth Canal.
ATHENS, Nov. 8.—It is officially announced that the Corinth canal will be opened for traffic on November 9.

BAY STATE GOES REPUBLICAN.

Greenhalge Elected Governor by at Least 5,000 Plurality.

Boston, Nov. 8.—Republicans of Massachusetts have scooped everything. Mr. Greenhalge has been elected governor and his plurality is more than 5,000.

Boston complete gives Banks, prohibition, 1,287; Greenhalge, republican, 29,320; Russell, democrat, 39,955. Russell's plurality 9,765.

One hundred and eighty-one cities and towns, including Boston give Banks, 3,923; Greenhalge, 91,318; Russell, 80,333. Republican plurality 11,010.

The same cities and towns in '91 gave: Allen, republican, 73,957; Russell, democrat, 80,358. Democratic plurality, 6,401. Net republican gain 17,411.

In the 222 towns of the state alone the republicans will have a plurality enough to wipe out the democratic plurality in Boston, with 18,000 votes to spare. In 1891 Gov. Russell carried the 29 cities outside of Boston by 3,000. This year they have been carried by Mr. Greenhalge strongly.

The percentage of gain and loss shows that Mr. Greenhalge will have in the towns alone 16,000 votes more than the plurality in Boston, with 29 outside cities, all showing republican gains, which will probably increase Greenhalge's lead to 25,000 or 30,000.

New Bedford complete shows a net republican gain of 68 per cent.

Two hundred and twenty-five of the 351 cities and towns in Massachusetts, including the cities of Boston, Malden, Taunton, Lynn, Cambridge, Chelsea, Gloucester, Fall River, Newton, Salem, Lawrence, Medford, Marlboro, and the soon to be city of Beverly, give the following vote for governor:

Banks, prohibition, 5,305; Greenhalge, republican, 144,022; J. E. Russell, democrat, 134,000; republican plurality, 19,355.

The same cities and towns in 1891 gave Allen, republican, 99,018; W. E. Russell, democrat, 105,905; democratic plurality, 6,888. Net republican gain, 26,243.

All the republican candidates for representative in Springfield are elected, including Harvey and Warriner in the eighth district.

The republicans have elected seven out of eight councilors, an overwhelming majority in the legislature and a large proportion of the county officials.

REPUBLICANS SWEEP OHIO.

McKinley's Plurality May Reach 70,000 if Not More.

COLUMBUS, O., Nov. 8.—Ohio has gone overwhelmingly republican and Major McKinley is re-elected governor by a plurality of probably 50,000.

Seventy-five precincts in Ohio showed net republican gain per precinct of over 21. Precinct A, 25th ward, Cleveland, in the heart of the rolling mill district, McKinley got 177, Neal 131. Last year in same precinct Harrison got 143, Cleveland 215.

At republican headquarters at midnight the returns all showed big gains. Leaders there predicted that Governor McKinley was re-elected by over 40,000 plurality and with a majority over all the other candidates, the same relative gain throughout the state would likely increase McKinley's plurality to 80,000.

Four hundred and fifty precincts gave McKinley 75,028; Neal, 43,876; peoples, 1,413; prohibition, 2,594. The same precinct in 1893 gave Harrison, 71,341; Cleveland, 63,490; peoples, 1,159; prohibition, 2,810.

Cuyahoga county gave a majority of 7,700 to McKinley, Cleveland carried the county last year.

CINCINNATI, Nov. 8.—The republicans have elected the full county ticket, with every candidate for both upper and lower house, and have undoubtedly control of both branches of the legislature.

REPUBLICANS TAKE ALL IN IOWA.

Governor, State Officers and Assembly With Increased Majorities.

DES MOINES, Ia., Nov. 8.—The story of the election yesterday can be told in a few words. It was a sweeping republican victory, giving to that party the governor, state officers and the general assembly, with the power to elect a United States senator to succeed J. F. Wilson.

The day was quiet throughout the state and the total vote was small. The first returns showed how the contest had progressed. They told of republican gains of from four to six to the precinct.

This gain was kept, and added to the 22,000 republican plurality of last year, will make up the plurality of 30,000 or more for Jackson.

The Bennett Mitchell (pro.) and J. M. Joseph (pop.) vote, according to present indications, will reach 20,000 and 25,000 respectively.

Democrats Carry Kentucky.

LOUISVILLE, Ky., Nov. 8.—The democrats had things their own way yesterday, and according to later returns the next legislature will be made up of 110 democrats, 25 republicans and three populists.

The Hon. A. J. Carroll, city editor of the Louisville Times, of this city, will be the next speaker of the house. The legislature will re-elect the Hon. William Lindsay, United States senator. Municipal elections were held in every city and town and the democrats as usual carried the day, except in the mountains and a few republican strongholds in central and western Kentucky.

The Result in Detroit.
DETROIT, Mich., Nov. 8.—Mayor Engree is re-elected by about 3,000 majority over Godfrey, democrat, and has carried his ticket with one exception with him. The democrats have gained two or three aldermen and may secure control of the common council. Stone, republican, for congress, to succeed J. Logan Chipman has run away behind the municipal ticket and Griffin is probably elected by a small majority.

Republican Victory at St. Louis.

ST. LOUIS, Nov. 8.—Returns give the four republican candidates for school directors a large average majority of 3,000. These majorities will be increased, as the returns counted are from democratic precincts. Returns from the districts indicate that but two of the ten democratic candidates are elected.

For the Murder of His Father.
PROVIDENCE, R. I., Nov. 8.—Peter Mulvey was arraigned yesterday for the murder of his father and held for trial.

WASHINGTON, Nov. 2.—A committee representing the Augusta, Ga., exposition and Georgia state agricultural society, arrived in this city last night and will to-day extend to President Cleveland, Vice-President Stevenson and the members of the cabinet an invitation to visit the exposition between Nov. 14th and Dec. 14th.

NEW BRUNSWICK, N. J., Nov. 2.—The faculty of Rutgers college have forbidden the football team to make their trip south on account of all but two of the members of the eleven being behind in their studies. In consequence of this decision the annual fall field day will be abandoned, and it is thought the team will be disbanded.

NEW YORK, Nov. 8.—The Herald's Rio despatch says: President Peixoto has received word that the governments of England and France have informed the government of the United States that they will maintain positions of strict neutrality with regard to Brazilian affairs, and not interfere in any way with the progress of the revolution.

CHICAGO, Nov. 7.—Arrangements were made at a secret meeting for a memorial demonstration next Sunday over the graves of anarchists Spies, Parsons, Engel and Fischer at Waldheim cemetery. The meeting was attended by 34 delegates, said to be representatives of various trades unions of the city. Fully 5,000 people are expected to attend.

MANCHESTER, N. H., Nov. 8.—Gen. Charles Williams' offer for the New Hampshire building at the world's fair has been accepted by the commissioners, and Gen. Williams will transport the building to this city and it is to be given to the municipality, free of charge, to be erected in Derryfield park. The building is of New Hampshire granite, and cost \$5,000 to build at Chicago.

NEW YORK, Nov. 3.—The detectives of this city have obtained information as to the identity of the fiend who attempted to kill Governor Roswell P. Flower with an infernal machine in September, 1892. It will be remembered that the governor received a letter of warning, and it now appears that the machine and letter were both sent by some party. The infernal machine was mailed first but the letter which was afterwards written reached Governor Flower first. After sending the machine the fiend doubtless became alarmed and wrote the note of warning.

LANCASTER, Pa., Nov. 8.—Mart Buzard, one of the men charged with robbing Isalah Schaeffer and murdering assaulting him at Groffdale last week, has made a confession, the details of which are withheld, implicating his brother, Abe Buzard, the notorious leader of the Welsh mountain outlaws, who was recently pardoned from the Eastern penitentiary, since which time he has been traveling through the country as an evangelist. Abe was arrested Schaeffer, who it was thought was out of danger, has had a relapse, and is now in a critical condition. Physicians are probing for the ball.

WASHINGTON, Nov. 6.—The navy department is very much at sea concerning the status of the Brazilian situation. The despatch received from Capt. Peiking is the basis for the uncertainty, for its text has been interpreted in several ways, and each interpretation means very much or very little. When the despatch was translated from the cipher in which it came, the main sentence read: "Firing daily between opponents, but without result looking to settlement." Later a period was inserted between "Result" and "Looking," leaving the phrase "Looking to settlement" standing alone and indicating that the end of the revolution was near.

NEW YORK, Nov. 7.—Lewis Thompson, the cashier of the Madison Square bank, has turned state's evidence in order to clear his skirts of the criminal charges against him. When Attorney Davis, who has charge of the prosecution, was asked about the matter, he said: "Well, Mr. Thompson has helped me in every possible way so far, and I have been able to understand several important points that hitherto have been obscure."

This step on the part of Mr. Thompson practically means that the charges of perjury and fraudulent bankruptcy that are standing against him will be dismissed, and that President Blunt and the directors will be deeper in the mire than ever. The charge upon which Thompson is held is perjury in swearing to a public statement of the affairs of the bank.
