

IN THE LAW'S GRIP

Debs and His Associates Put Under Arrest at Last.

CHICAGO, July 11.—Eugene V. Debs, president of the American Railway union; George W. Howard, Sylvester Kelliker, M. W. Rogers and J. S. Merwin have all been indicted by the grand jury for conspiracy to interfere with the United States mails. Debs was arrested at the Leland hotel at 5 o'clock yesterday afternoon and Kelliker at Ullrich's hall half an hour later. Ball was fixed at \$10,000 in each case. The penalty is a fine of from \$1,000 to \$5,000.

Around town the news of the arrests, while it intensified the strained feelings referred to, failed to produce any pronounced manifestation either of approval or indignation. People that had been assuming one another that the arrest of Mr. Debs would be the signal for a movement by the masses in the building in which he might be temporarily confined proved themselves false prophets. Although the announcement of the arrests was spread broadcast by word of mouth, and through the extras of evening papers, the interior and surroundings of the government building presented an appearance little different to that of the usual morning bustle that characterizes the hour preceding the closing of out-of-town mails.

Too Rest Calmly.

The arrested men took the situation in a nonchalant mood. No glittering of steel bayonets or tramp of military forces marked their progress to the government building, nor were any handcuffs brought into requisition. They came like free citizens, joked and laughed and enjoyed the hospitality of the district attorney's office while waiting for bail, but their signatures to the bonds as a matter of personal recognition and then returned to their headquarters to resume the work that had been temporarily interrupted. Their reappearance was the signal for enthusiastic cheers and greetings from the crowd in waiting and which in the meantime had been venting its fury over the arrests by denouncing the action of the government and hurling maledictions upon the heads of those of the federal officers responsible for the proceedings.

Bail Given.

The bonds for the men in the charges above mentioned were made out shortly after their arrest, but the brief delay in the appearance of the bondsmen caused the appetite of Chief Clerk Burnham to get the best of him, and he disappeared for supper.

In the meantime Marshal Arnold's men had been busy collecting evidence. A subpoena duces tecum had been issued for J. G. Haines, who is one of Debs' assistants in the A. R. U. headquarters. Deputy Marshal White was given the paper to serve and the marshal's office effected a junction with the postal authorities to make a clean sweep. Major James Stuart, chief inspector of the Chicago postal division, accompanied the group of deputies.

Confiscated All Papers.

On entering Room 423 of the Ashland block, where the office business of the American Railway Union is conducted, the deputy read the subpoena and then the search began. The officers had a mail sack and they gathered everything in sight. Records, letters, circulars and telegrams and miscellaneous matter were thrown in a heap and then the private correspondence of the office was gathered in. The place looked as bare as a garret when the officers finished their cleaning up, and with a warning to Haines to appear before the United States grand jury to-day at 10 a. m. without fail they departed.

The mass of confiscated matter was taken to the federal building in a hack and was carefully deposited in the vaults of the district attorney's office to be used in the trial at the October term of court.

Escaped from Ellis Island.

NEW YORK, July 11.—A daring and partially successful attempt to escape was made at Ellis Island at an early morning hour by 13 men detained as prisoners there until their qualifications to land in this country should have been determined. Four men got away, namely, Rasallo Citomelli, who came on the steamer Crown Prince; Alfred Anskin, Basil Edward Horford and Basil James Donast-Curington, stowaways. All who gained their freedom or made an attempt to do so had been on the island at most but three days. Three of those who escaped were negroes.

New Companies Incorporated.

ALBANY, July 11.—The following companies were yesterday incorporated by the secretary of state: The Kemp Land company, of Buffalo; capital, \$15,000. The Heinrich Manufacturing company, of New York city, to manufacture the wrist supporting hand guide for pianos; capital, \$10,000. The Rochester Hardware company, to conduct a general wholesale and retail hardware business, of Rochester; capital, \$10,000.

Not Guilty of Perjury.

SARATOGA, N. Y., July 11.—United States Commissioner Davison discharged Cashier Robert M. Stevenson, of the People's National bank, after his full examination on the charge of perjury, alleged to have been made in swearing to a false bank statement.
