Orders To Be Issued for a Limited Number of New Silver Dollars. WASHINGTON, July 18.—Secretary Car-lisle, it is understood, will give directions within a few days, to resume to a limited extent the coinage of standart silver dol-lars at the mints of the United States. Since the repeal of the Subernan silver purchase law last November silver coinage has been virtually suspendel, only about 500 silver dollars having been struck off bearing the date of 1894. This coinage of silver for the remainder of this year will not probably exceed \$2,000,000. Steamship Rate War Continues. Steamship Rate War Continues. New Yolk, July 18.—The rate war which the European steamship lines have been waging on each other in regard to steerage rates still continues. The North Germán Lloyd and the Hamburg-Ameri-can lines have joined the fight and make a ate of ten dollars to all British ports, thus meeting the lowest eastward rate made up to this time. Neither line has made any change in its rates westward.

D. S. & S. NOTES.

On Monday when the employes on the Perth Amboy run received their pay they found it to vary slightly from what those on the "Branch" receive. On the latter division all are paid by the hour, while on the long run the scale is as follows: Brakeman, \$1.70 per day and 14 cents an hour for extra time; con ductors and firemen, \$2.25 per day and 19 cents an hour for extra time; engineers, \$3.25 per day and 27 cents an hour for extra time; twelve hours or less constitute a day going down or coming back.

Engines 22 and 23, which arrived last week, are in the shops getting equipped for active work. Two more new ones arrived yesterday at Stockton from Baldwin's, and are expected in at Drifton today.

Every crew on the road, except the passengers, are idle today. This scarcity of work is not very pleasant to the men. The D. S. & S. crossing has been plac-ed in position on the Traction road be-tween Drifton and Freeland. This indicates that the extension to this place may be made some day.
