TIGERS LOSE TWO GAMES.

DEFEATED BY JEANESVILLE AND MA HANOY CITY CLUBS

nes in Which Heavy Hitting and Poor Fielding Were the Predominating Features-The Scores Were 17 to 4 and 12 to 8.

The Mahanoy City club arrived here very late yesterday, and the large and ence that was at the park at 3 o'clock had gone away thinking there would be no game. Play, however, was started at 4.30 p.m. and those who were present saw one of the finest games of the sea-son. Heavy hitting was done on both but the visitors were more for sides, but the visitors were more for-tunate in rapping the ball out at the times it was needed. Their errors, also, were made when but little depended upon their play, while those of the Tigers were very costly and left in runs. Ruckle pitched a fine game for the visitors, striking out twelve of the Tigers. When he was batted, however, the ball was usually knocked safe, and the home team was not far behind their oponents

team was not far behind their opponents Hazleto in the number of hits made. Their failure to hit safely when men were on bases was disappointing, and seven of the Tigers were left on their bags on this account.

Considering the amount of hitting done by both the clubs the fielders played a good game. McGarvey's work at third was the best seen in that position for some time, and he was frequent applaued for his playing. Keener also put up a nice game at the same base. Gillespie, nothwithstanding his two errors, accepted nine hard hits, and Mc-Fadden played as usual on first. Gaff-ney and Weand caught well. McGill's arm was not in the best of condition, as he had pitched a hard game on Saturday at Jeanesville. Following is the official score

Tigers Defeated at Jeanesville.

Jeanesville enticed the Tigers to the former's grounds on Saturday and gave them the second defeat of the season. The home team found no difficulty in batting Keener and made eleven hits of

his pitching, but, as usual, the hits were not made when wanted, and four runs were all they were able to score. Jeanesville, after the third inning, hit the ball several times in quick succession and succeeded in placing thirteen hits and seventeen runs to their credit. Following is the score by innings:
