FREELAND'S MONUMENT TO BE UNVEILED ON THURSDAY.

Maj. C. B. Cox Post Has All Arrangements Completed to Make the Day One That Will Be Long Remembered in Freeland—News About the Parade.

The committee of Maj. C. B. Cox Post has arranged the following programme for their parade here on Thursday in connection with the unveiling of the soldiers' monument in Freeland cemetery. Several more organizations are yet to be heard from and the prospects are that the parade will be one of the largest and finest Freeland has ever seen. Reduced rates on all railroads will bring thousands of people to town, and extensive preparations are being made to accommodate all who may come. The parade will move promptly at 2 p. m. as follows:

Buried in a Seed Box.

Abram Freedman was arrested at Wilkes-Barre on Friday for burying a child in a barbarous manner. A fifteen-day-old child of Harry Sperling died the previous morning of cholera infantum. He at once notified the congregation of Bnai Jacob, of which he is a member, and where they have a co-operative plan of burial. He gave the sexton, Abram Freedman, \$10, loaned him a horse and buggy and procured a seed box in which the body of his child was placed and buried in their plot in the Darling street cemetery. On the way to the cemetery the wagon broke down and the body was thrown out into the road.

These details were learned by Officer Evans, who made the arrest. Mayor Nichols was aroused when he learned the details and fined the sexton \$5 and costs for burying the body without a permit. The mayor will try and have an ordinance passed that will designate the kind of coffin to be used in interments and stop such inhuman burials in the future.

Burned in a Nanticoke Shaft.

A serious explosion of gas occurred on Friday morning in No. 1 shaft of the Susquehanna Coal Company at Nanticoke by which two men were fatally injured. They are Elias B. Williams, a miner, and his laborer, John B. Piglek. No definite cause can be given for the accident, but Williams said he had been at the foot of the gangway, where Piglek was working, a few moments before the explosion occurred, and had gone on up the slope. He was returning when the explosion occurred and he was swept from his feet and wrapped in a sheet of flame.

Piglek was horribly burned about the head and neck and his face is unrecognizable. Williams is badly burned all over. Neither can recover.

Wanted His Money Buried With Him.

Joseph Grossman, a Russian Hebrew peddler, who has been in this country about three years, died at Allentown. He left a wife, two daughters and one son. He left \$50 to his widow and \$150 to his son. The daughters got nothing. Grossman wanted to have his money buried with him, but his friend dissuaded him. The body was put in a stone box, and in the afternoon carried to the cemetery. Here the body was taken out of the box, wrapped in a sheet and placed in an upright position in the grave and buried.

Waiting for the Switchboard.

The Electric Light Company expects to be able to furnish incandescent lights by the 23d inst. The switchboard for this purpose was shipped from New York on July 31, but owing to some fault of the railroad companies it has not yet arrived and a member of the company is now engaged tracing it. If the switchboard arrives before Wednesday it will be placed in position for Thursday evening if continuous work night and day can do it.

Restriction Continued.

The anthracite sales agents, at their mid-monthly meeting in New York on Thursday, considered the situation and decided to restrict operations during the balance of the month to 40 per cent of the capacity. No other business was transacted. The anthracite output so far in August has been at the rate of 120,000 tons per working day. If this is kept up it means 3,250,000 tons for the month, against 2,500,000 tons fixed by the sales agents.

More Important Than War.

The war between China and Japan, and the pouring of troops into the island of Korea, was watched with intense interest by the people of Freeland until last Friday. On that day the "Only Refowich," the leading merchant tailor and clothier in the coal region, came to town and reopened his store on Centre street. Since then all eyes have been centred on his show windows, and the war is forgotten. For twenty-five years Mr. Refowich has been in the clothing business and has no equal.

All his goods are new, bright and of the latest style and suits will be made to order at ready-made prices. He has no rent to pay and can easily do it. The best fits are guaranteed and clothing made by him will be kept in repair free for one year. Nothing like this has ever been seen in Freeland before. Give him a call.

Notice, Division 6, A. O. H.

All members of Division 6, A. O. H., are requested to meet at Yannes' hall on Thursday, August 23, at 1 p. m., to participate in the parade here on that date. Patrick McLaughlin, president.

WON A HARD GAME.

Hazleton's State League Club Held Down to Three Runs by the Tigers.

The transfer of the Allentown club from the State to the Eastern league prevented King Kelly's team from playing here yesterday. He sent word to Freeland on Saturday morning that he would not be here, and the State League club of Hazleton was immediately secured for the date. Hanlon's players arrived here yesterday, accompanied by over 300 of their admirers, who came prepared to see the Tigers shut out and Hazleton score an unlimited number of runs. There was an audience of about 1,300 people present, and the game was one of the best and most exciting that has been played in Freeland.

When "Big Jack" Fee, the pride of Hazleton, stepped into the box to do the twirling for the visitors, the rosters of our neighboring city were loud in their applause and predicted nothing less than twenty-seven strike-outs for the Tigers. Fee pitched the hardest game of his life, but notwithstanding his intricate curves and efforts to throw out the working boys, Gaffney and Herron each made a single and McFarvey beat the ball to first on a scratch. He was finely supported by Moore and the team in general, and they all played as though their lives depended upon the result. To give the Tigers an overwhelming defeat was the sole ambition of every Hazletonian, and the fact that they could score only three little runs was considered by the Freeland people almost equal to a victory.

McLaughlin and Lezotte, of the Eastern league club of Wilkes-Barre, were the battery for the Tigers, and never did the Hazleton sluggers try harder to pound a pitcher. McLaughlin, with a smile that tantalized them, held the home-run hitters down to four singles and two two-baggers. Kothermel was the only batter who found him with any precision, and he got three times. Moran, Dwyer and Fee made accidental hits, but taken as a whole Hazleton could do nothing with him. Barring the errors of the first and third innings the Tigers gave the battery grand support. Herron's catches in left field were of the phenomenal order, and another by Gaffney in right centre was well applauded. McFarvey played a strong game at third, and all the players gave an exhibition that delighted the spectators.

Considering the hard work of the Hazleton club, the narrow margin by which they won was not satisfactory to their friends, who were badly disappointed because the Tigers were not shut out.

Following is the official score:

TIGERS.	H.A.L.	H.A.L.	TIGERS.	H.A.L.	H.A.L.
Gaffney, 3d. 0 1 1	Moran, 2d. 3 1 2	4 1	Lezotte, c. 0 0 0	H. Ely, p. 0 0 1	1 0

Earned runs, Hazleton 1. Two-base hits, Rothemel, Moran, Dwyer, Lezotte and Gaffney. Bases on balls, McLaughlin, Moran, Herron, Dwyer, Koerner, Meisler. Struck out by Fee 2, by McLaughlin 4. Stolen bases, Moran, Dwyer, McFarvey. Left on bases, Tigers 3, Hazleton 5. Sacrifice hit, Graham. Times 1-3, Empire, Hugh Shovlin.

BASE BALL POINTS.

The strong Jeanesville club will be the attraction here on Thursday afternoon. This is the only club in the region that the Tigers has failed to defeat. The home team intends to win on Thursday if they can. Game will be called at 4 p. m.

A fine game between the Fernouts and Athletics of Hazleton was played at Drifton on Saturday. It was won by the home club by the score of 4 to 3. Several pretty plays were made on both sides.

The admission to State league games at Hazleton has been reduced to 15 cents.

The Tigers have twelve games won and five lost. Percentage, 706.

The Drifton shop club and Freeland rosters played at the park yesterday morning. The former club won. Slatery's pitching was the feature.

Kelly's jump to the Eastern league was a severe disappointment to Hazleton. The Allentown club was scheduled to play there last Friday and Saturday, and its failure to do so hurt Manager Hanlon financially.

DEATHS.

DOLAN.—At Hazle Brook, August 17, infant child of Mr. and Mrs. James Dolan. Interred yesterday at St. Ann's cemetery.

Special Council Meeting.

The borough council met in special session on Friday evening for the purpose of discussing the propriety of adding an extra tax of five mills. The question was discussed by the members and several of the citizens of the borough, and it was decided to lay the matter over until a future meeting.

The borough solicitor introduced Attorney Meixell, of Wilkes-Barre, who appeared for Mrs. Mary A. Ludwig, in the Johnson street injunction proceedings, which are set down for a hearing on the 25th inst. It was decided to defer the matter until next Wednesday evening.

The question of complaint against the high constable for injury to cows while in the borough pound was also postponed until the next meeting.

D. J. McCarthy spoke about dividing the borough into wards, and council instructed the borough solicitor to take the necessary steps to have it divided.

The appeal taken out by John Yannes from the notice of the street commissioners, in reference to a nuisance on his premises, was referred to the street committee. The commissioner was also ordered to have the streets in condition, and keep them clear of all obstructions on the 23d inst.

The secretary was ordered to notify the borough surveyor to give the grade of the streets in the new portion of the borough, so as to allow the property owners to put down sidewalks and gutters.

Another meeting will be held on Wednesday evening next.

Board of Health Organized.

The board of health met on Saturday evening and after being sworn into office organized by selecting Dr. F. Schlicher as president, T. A. Buckley as secretary and John B. Quigley as health officer. The secretary was authorized to issue notices to householders to be prepared for a house to house inspection, and that they will be expected to have all cellars, drains and cesspools disinfected. Notices are to be printed in both of the town papers, and copies distributed.

A recipe to be used for disinfectants is to be formulated in a few days, when the board will expect all to conform to its use. The borough council will be requested to make an appropriation of \$100 dollars or so much thereof as may be necessary to carry out the work.

The next meeting will be on Friday evening, when a tour of the borough will be mapped out.

Struck by a Traction Car.

Car No. 19, of the Traction Company, which left last night at 11.10 o'clock for Freeland, in charge of Conductor Sachs and Motorman Harry Kulp, struck a Hungarian several hundred yards on the south side of the turnpike which crosses the Traction Company's line before reaching Ebervale. He was injured so badly that he may die. The man was intoxicated and stepped out of the woods upon the track a few yards in front of the car. The motorman did all in his power to stop the car, but the distance was too short. The Hungarian was found under the car unconscious and his name or residence could not be learned. The victim was taken to Ebervale and transferred to an ongoing car and sent to Hazleton hospital.

Proposed Court House Site Unsafe.

The county commissioners have for some time favored the purchase of a piece of land at Wilkes-Barre for the site of the new court house, which is undermined by the Hillman colliery workings. George Parish, one of the most extensive operators in the county, has protested against the purchase of the site. The chief reason is that he believes there is no process whereby the surface can be made perfectly safe and free from danger of settling or where the gas will not escape, where the coal has been taken out.

Knights of the Mystic Chain.

The state castle of the Knights of the Mystic Chain held a session last week at Columbia that was of much interest to the members of the order. Ralph B. Clare, of Philadelphia, was chosen as select commander of the state for the coming year.

On Friday morning a grand assembly, Degree of Naomi, for Pennsylvania, was instituted. Mrs. Richard White, of Allegheny City, was elected grand commander of the state, and Mrs. R. Lawyer, of Pittsburg, grand secretary.

Price Fight at Audenried.

The prize fight between Jack Barron, of New York, and Sam Myers, of Philadelphia, for \$100 a side, came off at Audenried on Friday night and was won in the second round by Myers, who knocked out his opponent. The Hazleton sports tried hard to induce the burgess and police here to allow it to come off in Freeland, but they found all their schemes balked and then took the fight to Audenried.
