HOME HINTS.

Tooth powder is an excellent cleaner of fine filigree jewelry.
The funes of a brimstone match will remove berry stains from the fingers; or still better, use a little lemon juice or ripe tomato.

A LITTLE alcohol will do wonders in

A LITTLE alcohol will do wonders in brightening glass. Turpentine is excellent for washing sinks which have become dull and dirty.

Is a long experience I have found nothing that will clean brass so easily, quickly and satisfactorily as a paste called puty-pounde. It comes in small tin boxes and can be had of leading grocers.

Rumber rings such as are used on fruit cans, often become hard and brittle. They can be restored by letting them lie in water in which you have put a little ammonia. Mix in this proportion: One part ammonia and two parts water. Sometimes they do not need to lie in this more than five minutes, but frequently a half hour is needed to restore their elasticity.

SHORT SERMONS.

Working without a plan is a waste of strength.

Men are often gainers when they lose their money.

Ir costs less to be contented than it does to be unhappy.

Next are often gainers when they lose their money.

It costs less to be contented than it does to be unhappy.

Too Maxy people would rather have glory than goodness.

It is much easier to be contented without wealth than it is with it.

There are too many people who loss.

THERE are too many people who don't know what giving means by ex-

It is a bad moral atmosphere where vulgarity passes for wit and humor, and men are entertained by it.—Ram's Horn.

"Did you see the beginning of the trouble?" asked the judge of a witness against a man who had struck his wife.
