

# CASTORIA

for Infants and Children.

**MOTHERS, Do You Know** that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

**Do You Know** that opium and morphine are stupefying narcotic poisons?

**Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

**Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

**Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

**Do You Know** that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

**Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

**Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

**Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

**Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

**Well, these things are worth knowing. They are facts.**

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.

Subscribers are requested to observe the date following the name on the labels of their papers. By referring to this they can tell at a glance how they stand on the books in this office. For instance:

Grover Cleveland 28 June 6 means that Grover is paid up to June 28, 1896. Keep the figures in advance of the present date. Report promptly to this office when your paper is not received. All arrears must be paid when paper is discontinued, or collection will be made in the manner provided by law.

**FREELAND, DECEMBER 13, 1894.**

**AFTER THE FIRE.**

The Tribune, after missing two issues, appears today under difficulties which the editor expects to soon overcome. Through the courtesy of the Slavonian Truth and Hazleton Standard we are enabled today to make an appearance, and if the paper is not quite up to its previous standard we hope our readers and patrons will bear with us for a short while until we get our material in shape again. In a few weeks, at the most, the paper will look like itself once more.

The editor desires to express his sincere thanks to the newspaper fraternity of Luzerne county for the prompt offers of the use of several offices, also for the many kind expressions of sympathy tendered by the public in general. Fortunately it was not necessary for us to call upon many offices for the use of material, nevertheless we appreciate the spirit that prompted nearly a dozen publishers to offer their aid, and we promise that their high fineness will not be forgotten by the Tribune.

To the members of the Citizens' Hose Company and those who worked at the fire the publisher is indebted for all that remains. Their work could not be surpassed, and they never fought their fiery enemy more bravely or better. Freeland has, without exception, one of the best volunteer fire departments in the state. The kindness of the neighbors to the editor's family in tendering assistance is also acknowledged.

**An Eligible Offer.**

Miss Weerle—Why, no. It is almost time for you to call again.—Truth.
