THEY NEVER WORK. Copper—Well, if that ain't a disgrace to the profession.—Chicago Times. The readers of this paper will be pleased to learn that there is at least one remedy for that disease that science has been unable to cure in all its stages and that catarrh. Hall's Catarrh Cure is the one positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer a \$100 reward in any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O.
