## HE ATTEMPTED SUICIDE.

### A CARBONDALE MAN TRIED TWICE TO END HIS ILL-SPENT LIFE.

**Dosed Himself With Laudanum and After Falling in That Tried to Choke Off His Breath With a Towel—He Claimed Drink Ruined His Life.**

Shortly after 7 o'clock on Friday evening a man about 55 years of age stepped into Dr. Schlicher's drug store. He quietly asked for 10 cents' worth of laudanum, and when the bottle was handed to him he calmly raised it to his mouth and began drinking the contents. The druggist happened to notice the act and succeeded in knocking the vial from his lips before the full amount was taken. The man then quickly left the building and started down Centre street. Dr. Schlicher immediately sent word to Burgess McLaughlin, who was in the neighborhood, and the would-be suicide was captured by the burgess and Officer Jones while crossing at Front street.

With much difficulty he was taken back to the drug store, where an emetic was given him by Dr. Schlicher, not, however, without protestations on the part of the stranger, who said he was anxious to die. He fought stubbornly and resisted every effort to take the poison out of him.

The officers then started with him toward the lockup, but the drug commenced to get in its work before they proceeded very far, and he was unconscious by the time they reached the jail. Dr. Morton was called and worked over him for some time. Finally he succeeded in overcoming the effects of the laudanum and brought the man out of danger.

When the fellow returned to consciousness he gave his name as Patrick Grier, of Carbondale, in which city he was at one time an alderman, and where his wife and five children reside. He is connected with several respectable families in the Lackawanna region. He would give no reason for his desperate attempt to kill himself, except that he was ruined by drink and had become tired of life. He said he attempted suicide in the same manner twice before, once at Easton and later at Carbondale, and would give it another trial at the earliest opportunity.

When he was somewhat improved he was placed in a cell. Several parties were standing about in the corridor and no particular attention was being paid to Grier, who was apparently sleeping on his bench. About 10 o'clock he took a towel, which had been given him to wipe the sweat from his face, and twisted it about his neck until he was nearly choked. This was done quietly and his actions were not noticed for some time. The man was thought to be sleeping, and his twisting and turning supposed to be due to restlessness.

As soon as his object was discovered the burgess ordered that everything with which he could harm himself be taken away from the prisoner. In a few minutes Grier was stripped of all his clothing but his pants and an undershirt. Suspenders, stockings and such articles as could be used by a suicide were placed beyond his reach, and after being handcuffed he was locked in the empty cell.

When Grier saw all his opportunities for self-destruction taken away he broke down and begged piteously for the officers to shoot him and end his misery. An officer was stationed in the lockup all night to keep the man from doing himself injury, but no further trouble was experienced.

The man, with two other companions, had been around town for three days previous. He had been drinking heavily and was not at his home for some years past. Grier is still at the lockup, slowly recovering from his sickness. He says he will try suicide no more.

## PROHIBITION CONVENTION.

### Luzerne's Cold Water Men Nominated Their Ticket on Saturday.

There was a very lively time at Wilkesbarre on Saturday at the annual convention of the Prohibitionists of this county. Rev. J. C. Hogan, of Forest City, made a violent attack on ministers who refused to aid the cause of temperance and was vigorously contradicted during a most exciting scene. Speaking of the want of interest manifested in the non-support of prohibition papers, Mr. Hogan said he believed the trouble was with the publishers. What the people want is a paper covering all the news and not confined to the narrow limits of one particular subject. The following expression raised much indignation: "There is no priest or preacher in the state of Pennsylvania who is by any method doing anything to arouse public sentiment against the liquor traffic." Mr. Hogan qualified this by saying there were hundreds of noble men who were doing a local work in their own parish or charge, but it was not general.

Rev. W. H. Miller, of Parsons, arose to say that he could not by his silence give assent to the statement. He knew of ministers who were doing all they could to arouse public sentiment against temperance. He could not sit silent and listen to such a sweeping statement. The resolutions adopted were vigorous. These demanded of state the dissolution of the "hell born" partnership existing between her and the liquor manufacturers, and dispensers and the entire liquor traffic.

The following ticket was nominated: For sheriff, Edward Lameroux, Jackson township; for recorder, Professor A. J. Dewey, Wanamie; for coroner, Dr. T. M. Johnson, West Pittston; delegates to state convention at Pittsburg June 6, George A. Pehle, Wanamie; E. S. Emory, Jackson township; Rev. W. H. Miller, Parsons.

**Bogus Doctor Arrested.**  
On Saturday evening a man who was traveling through town under the name of Dr. Connell, of Scranton, was arrested by order of Burgess McLaughlin, who had several complaints sent to him by parties whom the "doctor" had treated for rheumatism on Friday and Saturday. The appearance of the alleged physician was not by any means in his favor, and at a hearing yesterday morning he was recommended until the authorities could learn from the prothonotary's office whether or not the fellow was registered as a practicing physician. The prisoner claims he is a qualified doctor, possesses a diploma and is registered as required by law. None of his statements are believed. It was thought at first the man was the famous "Lark" Sweeney, but this was found incorrect.

**Mining Institute to Close.**  
The Mining and Mechanical Institute will close for the season on Saturday evening. The sessions this week will be devoted to examinations of the pupils, and the one having the highest percentage will win the prize offered by the late E. B. Cox, viz., a three-year course in the Lehigh university. The present term is the most successful since the institute was opened.

**Not a Candidate.**  
The Hazleton Standard says that J. P. McDonald, of town, is spoken of in connection with the Democratic nomination for recorder. Mr. McDonald would be a strong candidate, but he is not in the field this year and has not authorized the use of his name in politics.

**Temperance Lecture.**  
Mrs. L. M. Lake, of St. Louis, third vice president of the Catholic Total Abstinence Union of America, will lecture at Freeland opera house next Sunday evening. Mrs. Lake has the reputation of being an accomplished and entertaining speaker.

**When Baby was sick, we gave her Castoria.**  
**When she was a Child, she cried for Castoria.**  
**When she became Miss, she clung to Castoria.**  
**When she had Children, she gave them Castoria.**

**Oil to Cleanse the Face.**  
Oil, not water, should be used when you really want to clean your face. Learn a lesson from the actresses. If an actress tried to wash with soap and water her nightly make-up from her face she would have no skin to speak of in a week, to say nothing about a complexion. She never makes any such mistake. She removes her make-up with oil, usually and preferably cocoa oil. And she learns by experience to do the same thing when she wants to get rid of the grime of travel. Oil cleans the skin more thoroughly than soap and water, as you can thoroughly demonstrate after a journey or any such soiling experience. If you don't mind the abuse of your skin for once, just wash your face after the old fashion, as well as you can; then cover it with oil and remove the oil with a soft cloth. One look at the cloth will prove that the soap and water did not get it clean.

## MEMORIAL DAY PROGRAMME.

### Order of Exercises for the Celebration in Freeland Next Thursday.

Maj. C. B. Cox Post, No. 147, G. A. R., will observe Memorial Day this year in the usual manner. The old veterans are hard workers and with active assistance from the citizens of town they will make the celebration on May 30, 1895, an event in which every resident can take pride. The post has arranged the following programme for the parade on Thursday:

**Order of Parade.**

Forms on Washington street, right resting on Front.  
**Route of Parade.**  
The parade will move promptly at 1.30 p. m. from the corner of Washington and Front streets down Washington to Carbon, to Centre, to Walnut, to Birkbeck, thence to Freeland cemetery, where the decorating ceremonies will be performed, after which the closing exercises will be carried out at the monument as follows:  
Opening prayer, Rev. J. J. Kuntz.  
Song, Freeland Glee Club.  
Music, Mayberry band.  
Oration, Rev. E. White.  
Chairman, Chas. Orion Stroh.  
The post will meet at headquarters at 7 a. m. on Thursday and move in a body to St. Ann's cemetery, where the graves of the soldiers there will be decorated. Delegations from the post will also go to Upper Lehigh and Eckley cemeteries, arriving at each place at 9 a. m.

**Will Help to Get Quay County.**  
The editors of the Shickshinny newspapers, Messrs. Tubbs and Beideman, who were the foremost and most active advocates of the Grow county movement, are not very well pleased at the decision of the state commissioners, in deciding that the territory surveyed does not show the necessary 400 square miles. They concede, however, that the scheme is dead beyond resurrection, and they offer their services to the Quay county people, not because they think any more of this section than they did before, but to revenge themselves upon the Wilkesbarre tricksters who so cleverly played them for farmers by inducing Shickshinnyites to go rainbow-chasing and dreaming of a court house in that town.  
We feel sorry that our newspaper friends should receive such a rude awakening and have their new county plans turned topsy-turvy, but it is all for the best and in a few years they will realize that living in Quay county is far better than either Luzerne or Grow. The Quay people, also, should accept the support of the second district newspapers in a more friendly manner. The votes of our farming friends will count when the new county election will be held.

**Fell Down an Ashley Shaft.**  
James Mulhall was instantly killed at Ashley on Friday afternoon by falling down the Maxwell shaft. He, with four other men, got on the cage at the foot of the shaft. When the cage had ascended about fifty feet it struck against the bunting frame, jerking Mulhall off and precipitating him to the bottom. He fell on James Harkens, who was standing at the foot of the shaft, and fractured the latter's collar-bone.

**West Point Cadetship.**  
The result of the competitive examinations for the West Point cadetship at the disposal of Congressman Leisenring was made known on Friday. Richard M. Thomas, of Wilkesbarre, had the highest percentage and will be the cadet. Garryck M. Borden, of the same city, was second. He will be alternate.

**Patents Granted.**  
Reported by C. A. Snow & Co., solicitors, Washington, D. C.  
J. T. Snyder, Luzerne, drilling machine.  
P. L. Sylvester, Scranton, coin-controlled display apparatus.

## DR. GILLESPIE'S DEATH.

### A Prominent Physician of Avoca Succumbs to Blood Poisoning.

Dr. Peter G. Gillespie, a prominent practicing physician of Avoca, died on Friday morning of anæmia or blood poisoning after an illness of three days duration. Several days ago Dr. Gillespie performed an operation on a patient in Avoca, and in adjusting the bandage slightly pricked the skin of his forefinger, but he paid no attention to it. As afterward developed, the scratch made by the pin came in contact with pus from the wound, and blood poisoning set in and rapidly inoculated the whole system. Drs. Seamans and Berger were called to attend him, but they were unable to check the poison, and Dr. Kirwin, of Wilkesbarre, was summoned in consultation. The doctors did everything that medical skill could suggest, but their efforts were unavailing.

The deceased was a promising physician and well-known in the county. During Coroner Pier's term of office, Dr. Gillespie served as deputy and gave entire satisfaction. At the Democratic convention three years ago this summer, at which a coroner was nominated, Dr. Gillespie was a candidate and defeated solely on account of geographical location. In his habits deceased was exemplary in every respect and was a general favorite with all who knew him.

Dr. Gillespie is survived by a little girl, aged 3 years, his mother, brother William, an attorney at the Luzerne bar, sisters Agnes, a teacher in Plymouth township, and Genevieve, at home. The funeral takes place at Avoca this morning.

**Hoisting Rope Parted.**  
An accident occurred on Friday at the Archingloss shaft, Nanticoke. The engine became unmanageable while a cage was being hoisted. The cage shot past the landing on top and ran up against the shive wheel, where the cable parted from its fastenings. The cage dashed down the shaft, several hundred feet deep, crashing from side to side, and leaving destruction in its wake. About fifteen feet from the bottom a gang of men were timbering the shaft. Not hearing the cage coming the men were caught as in a vise, and it is wonderful all were not killed instantly. William Cross, foreman of the gang, had both arms lacerated and his back injured, and Louis Cokolofinski, a Pole, had his arm torn off. Both are in danger of dying. Luckily there were no men on the cage or there would be a large list of fatalities.

**Weather's Electric Light Plant.**  
From the annual statement of Weatherly borough's finances, as published in the Herald, it is learned that the running expenses of its electric light plant for the year ending March 1 last, were \$4,016.85. This includes labor, lamps, fuel, repairs, stationery and everything else connected with the running, excepting interest. The receipts were as follows: For five arc lights in the Lehigh Valley yards, \$425; for incandescent lighting, \$2,699; and for lamps, wiring, etc., \$242; total, \$3,366. This leaves the cost of street lighting \$650.85, to which, however, should be added \$1,000 for interest on the \$20,000 plant, making the total cost of street lighting \$1,650.85, or about \$51 per annum for each of the thirty-two street lamps now in use.

**Marrriages Last Week.**  
Samuel Brinker, of Jeddo, and Miss Mame Miller, of Tamaqua, were married on Wednesday afternoon at the residence of the groom's parents by Rev. H. A. I. Benner. A number of invited guests were present at the ceremony. Several handsome presents were received by the young couple. They will reside at Jeddo.  
Samuel Bartlett and Miss Ida E. Kester, both of Eckley, were married last Tuesday morning by Rev. Benner.

**An Injunction Withdrawn.**  
The injunction restraining the Freeland borough council from doing any work on Johnson street, which was issued last summer upon the application of Rudolph and Mary Ludwig, was withdrawn in court on Saturday by the attorney for Mr. and Mrs. Ludwig. Council will, no doubt, at an early date take some action towards having the street provided with sidewalks, as originally intended.
