

FREELAND TRIBUNE.

VOL. VII. NO. 97.

FREELAND, PA., THURSDAY, JUNE 6, 1895.

\$1.50 PER YEAR.

TALKED ON SEWER PIPE.

COUNCILMEN DISCUSSED THAT SUBJECT ON MONDAY EVENING.

There Was Some Delay in Placing the Order for Pipe, and It Brought on a Lively Controversy—Other Business Transacted at the Meeting.

The members of the borough council met in regular session on Monday evening. Messrs. Moore, Neuburger, Winter, Breslin and Rutter were present. The following bills were ordered paid: Patrick Welsh, feeding prisoners, \$ 8.75; Dr. G. D. Morton, professional service, 4.00; Electric Light Company, 255.00; P. M. Boyle, surveying, 110.00; Mr. Montgomery, flowers, 20.50; Patrick Ward, labor, 1.87; Condy McGill, labor, 1.87; John Conaghan, labor, 1.87; Patrick Welsh, janitor, 8.75.

A bill for \$71.25 from the Freeland Water Co. was read and laid over. This is the same bill as was laid over at the last meeting. The Water Company, through its secretary, claimed that there was no correction to make.

Street Commissioner Furey's report for May was read, amounting to \$60.97 for work on streets. It was approved.

Treasurer Fritzinger's report for months of April and May was read, showing a balance of \$4,191.47 in the treasury.

Burgess McLaughlin's report was read as follows for the month of May. Receipts from fines, permits, etc., \$27; commission, \$22.65; debt borough, \$4.35. The following amounts were returned for police service: James M. Gallagher, \$9.65; Daniel Jones \$12.65; Patrick Welsh, \$15.40; Daniel Gallagher, \$11.65; John Molick, \$10.90; total, \$60.25. The report was accepted.

Borough Solicitor J. M. Carr appeared and stated that the injunction on Johnson street, restraining the borough from doing any work on it, was dissolved by the court, but that the suit against the borough growing out of the appeal of Mrs. Cunningham from the report of the viewers would come up in court on the 12th inst. He asked council to allow him additional counsel, and as it was customary in such cases to have some person present to represent the borough, council agreed that the Mr. Carr should retain legal counsel to assist him, and also that Mr. Winter should attend court as the representative of the borough at the trial, and any expenses incurred while so attending should be paid by the borough.

A communication was read from Hon. J. I. Mansfield, of Beaver county, asking council to petition the governor to veto the Woods water bill No. 48. The secretary was authorized to write the governor expressing the views of the council as being opposed to the bill and requesting him to veto it.

The question of starting work upon the sewer was taken up and Mr. Rutter stated that in the absence of the chairman of the street committee he would report that the committee had agreed to go and see the pipe, but through some misunderstanding the committee did not do this. This gave rise to a discussion as to whose duty it was to procure pipe. Mr. Neuburger claimed it was the privilege of the lockup committee, while Mr. Rutter claimed it was the duty of the street committee. The discussion became very bitter before it ended.

The resolution passed on May 6, authorizing the street committee to purchase pipe, was rescinded, and a resolution directing Mr. Breslin and Secretary Buckley to purchase pipes was agreed to. Before passage of the latter resolution the secretary stated that as he was not a member of council he had no authority to bind the borough by any purchase made by him, and asked to be excused from acting on the committee.

A donation of \$100 was made to the Citizens' Hose Company, so as to allow them to procure a janitor for themselves. The burgess was instructed to notify the Lehigh Traction Company that the electric cars are being run through the streets at a rate of speed too great for public safety.

William D. Cowan, of Wildwood, N. J., appeared before council, and intimated that he was new in a position to dispose of his property at Ridge and Walnut streets, and if council thought fit to buy it, they would get the first chance. The members agreed to discuss the matter at some future time, and let him know.

Adjourned to meet at the call of the president.

School Board Meeting.

The borough school board met last evening. The audit of the school accounts for the year ending June 1 was presented by the auditors. After some discussion regarding the payment of \$5 each to four of the directors for the trip to Wilkes-Barre to examine heating systems, the audit was approved. A temporary organization was affected by the election of John J. Welsh as chairman and D. F. Shelhamer as secretary. A number of bills were read and ordered paid.

The amusing part of the meeting was at the opening, when ex-Director Sachs attempted to take the chair and call the meeting to order. The members, with much difficulty, tried to explain that his term expired on Monday last. The directors had requested the ex-president to call a meeting for Monday evening last, or earlier, so that the old board could settle its accounts, but he refused, and when he attempted to act as director last night they objected and compelled him to step down. Ex-Director Kulp was also present, but made no effort to claim a seat on the board, stating that he knew he was no longer a member. Mr. Sachs finally left the room after making a farewell address.

Convention Here Next Week.

The National Slavonian Lutheran Union will hold its second annual convention here next week. Representatives will be present from Pennsylvania, New York, New Jersey, Connecticut, Ohio, Indiana and Illinois. One delegate will be in attendance from each district, of which there are about thirty-five in the country. Among the delegates will be several ministers, and considerable attention will be given to the best methods to advance religious work among the Slavonians of the United States.

The delegates will attend services at St. Peter and Paul's Slavonian Lutheran church on Sunday morning. On the following day the convention will be formally opened in Zeman's hall. The sessions are expected to continue until Wednesday evening or probably Thursday.

The Bill Not Called Up.

The Quay county bill was not called up in the house yesterday, but its friends are confident that the measure will be finally disposed of today. The friends and opponents of the bill are doing all they know how to influence the legislators for and against it. Every railroad and almost every coal corporation that would come inside the new county limits had its lobbyists at Harrisburg all week, and from reports that come from the state capitol expense is no object on the anti's side. Representative Jeffrey is positive the final vote will be favorable to the new county.

Destroyed His Wagons.

On Tuesday night some unknown parties entered the yard of the bottling works of Harry Lazorek, on Ridge street, and did considerable damage to his three delivery wagons and one carriage. The spokes of the wheels on each vehicle were sawed in two, inflicting damages that will amount to about \$60. Mr. Lazorek has been in business only a few months, having purchased the works from M. Potochney. He does not know whom the parties could be who committed the depredation.

A Boy Killed at No. 5 Jeddou.

Michael Rudolph, aged about 15 years, was instantly killed in No. 5 colliery, Jeddou, on Tuesday afternoon. He was employed as a door-tender, and while crossing a loaded trip of cars missed his footing and fell between. The life was instantly crushed out of the young man. The body was removed to the home of his father, Henry Rudolph, of Highland.

Hail Damages In Connecticut.

New Haven, Conn., June 4.—Reports received from points in Fairfield, Litchfield and New Haven counties indicate considerable damage to crops by yesterday afternoon's hailstorm. At New Milford the damage was principally done to fruit trees and early crops.

Religious Garb Bill.

Harrisburg, Pa., June 4.—The house last evening agreed to the senate amendment to the "religious garb" bill imposing on the school directors a fine for employing teachers who wore a religious garb.

INSTITUTE ENTERTAINMENT.

Mining and Mechanical Pupils at the Opera House on Tuesday Evening.

The good work that is being done in the line of education by the Mining and Mechanical Institute was shown by one of the pupils at the opera house on Tuesday evening. There was a large audience present to enjoy the annual entertainment given under the auspices of this school, and many more attended to hear the result of the examinations which were held last week.

The first prize was awarded to Louis Ortner, of Drifton, who is employed in Cox's Bros. & Co.'s laboratory. The young man had distinguished himself during the school term by diligent application to his studies, and his classmates were pleased to see him win.

Other scholars also made excellent records, and the rapid advancement of the pupils as a whole reflects the greatest credit upon the young men who attended the institute and upon their teacher, Prof. John R. Wagner, and his assistants.

Mr. Ortner's prize consists of a four-year course at the Lehigh university, Bethlehem, with \$300 each year, and \$300 additional to prepare himself before the next college term begins.

Harry Price, of Upper Lehigh, one of the directors of the institute, acted as chairman of the evening, and the following programme was rendered:

Selection.....Mayberry band
Oration.....Frank Kuntz
"Motion, Phenomena and Laws."
Oration.....John Smith
"Education and Labor."
Selection.....Mayberry band
Oration.....Frank Roberts
"Coal, Its Properties and Uses."
Oration.....George Barager
"System."
Selection.....Mayberry band
Address.....Hon. George D. McCreey
"Character and Education."
Awarding of the Prize.—Prof. John R. Wagner
Oration.....Louis Ortner
"Education."

The students acquitted themselves creditably on the stage, and each treated the subject assigned to him in an entertaining and original style. The address of Mr. McCreey, of Philadelphia, was highly appreciated.

Accidentally Shot His Playmate.

Thomas Sweeney, John McHugh and several young lads of Pittston, while in swimming on Monday evening, were joined by Louie Troo, an Italian boy, aged 13 years. After coming out of the water Sweeney asked for a chew of tobacco and the Italian told the lad to accompany him to his home, stating he would get him some tobacco. The boys went to Troo's home, from which the latter soon emerged with tobacco and a shot-gun, which he began showing to his companions.

In some manner the weapon was accidentally discharged, and the next instant Sweeney fell, shot through the right lung near the shoulder. The boy was conveyed to Pittston hospital, where he lies in a precarious condition. Troo was immediately arrested and taken before an alderman, who committed him to await the result of Sweeney's injuries.

A Fire on Tuesday Evening.

Shortly before 8 o'clock on Tuesday evening a blaze was discovered breaking through the chimney on the second floor of the building occupied by Andrew Hudock and owned by W. J. Eckert, on South Centre street. The fire alarm was sounded and a few moments later both hose carriages were dashing down Centre street. The services of the company were not required, as the fire had been extinguished with the aid of buckets before much damage was done.

The firemen, however, were feeling in good condition to use the apparatus, and connection was made with the plug at Centre and Main streets. The buildings in the vicinity were treated to a shower bath, and the test showed that the force of water is as good as ever, the stream clearing the Birkbeck brick with ease from the street.

Well Represented at Stroudsburg.

The following students from lower Luzerne are in attendance at the Stroudsburg normal school: John B. Houston, James Timony, James S. McDonald, Cornelius McGeehan, Misses Kate and Bridget Timony and Mary Dougherty, Freeland; Miss Lizzie Metzger, East Foster; Miss Fanny Purcell, White Haven; P. J. Loughran, F. P. Boyle, D. S. Boyle, J. L. Madden and F. J. Cannon, Hazleton. Of the above Miss Kate Timony and Miss Metzger are members of the senior class and will graduate this term.

The school examination will be held on June 16 and the state board examination on June 19. Nearly 500 students are enrolled.

School Boards Organized.

Foster school board organized on Monday evening for the coming year by the election of John Evans, president; C. W. Barton, secretary, and Walter Richards, treasurer. The new members are Walter Richards and John H. Boyle, succeeding Erasmus Snyder and David J. Davis.

Hazle township directors met the same evening and organized as follows: President, Charles McGuire; secretary, Daniel McGeehan; treasurer, D. J. Conahan. The new members are Frank Conahan and John Curran, succeeding Dominic Timony and Thomas McNelis. Freeland directors will organize on Saturday evening.

Pipes Ordered Yesterday.

The special committee appointed by the council at its last meeting to procure sewer pipe went to Wyoming yesterday morning and examined the pipe made at that place. They were shown the different grades of pipe in course of manufacture. The pipes are made from the fire clay found under the coal seams in the Wyoming valley, and is salt-glazed and vitrified. An order for nearly 2,000 feet, including connections, was placed. The first carload of twenty-inch will be shipped on Tuesday.

Found Dead in His Room.

Rev. Richard Evans, a retired Baptist minister, was found dead in his bedroom at Wilkesbarre on Saturday, he having died some hours before of heart failure. From the position of the body it is evident that deceased had been seized with a violent pain and had gotten out of bed for relief. Whether he knelt to pray or fell on his knees when stricken will never be known, but when found he was in a kneeling posture with his head resting on his hands at the side of the bed.

Last Evening's Recital.

The second of the series of organ recitals was given in the Presbyterian church last evening, and the success with which it met is very gratifying to the music-loving people of town. We are unable to give an extended notice today, but can state that the recital was enjoyed as a rare treat by the audience.

ON THE DIAMOND.

The Cuban Giants showed the State league team of Hazleton an interesting time yesterday afternoon. They gave a fine exhibition and won the game by a score of 10 to 3.

The Professional Gentlemen of Freeland met defeat here on Tuesday at the hands of the Drifton Clerks. The score was 23 to 19. Amateur clubs have not been able to make even a fair showing against the local nine this season.
