HOUSEHOLD AFFAIRS.

The favorite French way of cooking beets is by baking. They are placed in the oven on a bed of straw, covered with earthenware plates and cooked from six to ten hours. 'This method of cooking,' says Miss Parloa, who is in France studying cooking, 'makesa beet firm and tender and full of color and juice.'—St, Louis Star-Sayings,

Miss Nellio Temple, who graduated at Vassar in 1892, has been engaged by the University of Leipsic to assist Dr. Raisel, its American professor of history, in preparing a history of the United States.

history, in preparing a history of the United States.

Eastport, Me., has a genuine new woman, but of a type not likely to become fashionable. She regularly does a man's work on a woodpile, handling the bucksaw and axe with all the skill of the hardiest male expert.

The Queen of Italy is said to be an enthusiastic collector of boots and shoes. Her collection includes shoes of Marie Antoinette, of the Empress Josephine, Mary Stuart, Queen Anne, and the Empress Catherine of Russia. An article on the elegancies of the tollets of fair Parisians, in Figure, contains the information that "baths qualified by fresh strawberries are said to be very refreshing; twenty pounds are rubbed through a sieve for each bath."

When Emma Willard began the higher education of her sex by founding the Troy Seminary, she was told that she would be wanting to send the cows to school next, and the State of New York refused to spend a dollar in aiding her experiment.

The fin-de-siecle "dudess" carries her watch anywhere except in a pocket—pendant, for instance, from her belt or waist. European papers assert that, as a consequence, many more ladies "watches are nowadays lost or stolen—but not stolen by pickpockets.

or stolen—but not stolen by pickpockets.

The first women graduates of Glasgow University, Miss Sarah Logan Blair and Miss Isabelle Blacklock, were loudly cheered by the young men at their attendance upon the "capping" ceremony to obtain their M. A. degrees. The boys made the old hall ring with the strains of "She's a Jolly Glood Fellow."

Senora Maria de Barton died in Chicago recently. She was the wife of the late General H. S. Burton, United States Army, and was a claimant for an enormous tract of land in Mexico, under a grant made by the King of Spain to her grandfather, Don Jose Manuel Ruiz. A Chicago syndicate was negotiating to buy the claim, which is valued at \$5,000,009.

Lady Irving, wife of the newly-

which is valued at \$5,000,000.

Lady Irving, wife of the newly-knighted actor, is described as "a siender, sweet-faced woman with weary-looking eyes and a pathetic droop at the corners of he: month—a charming woman, looking much too youthful and fragile to be the mother of two tall sons." Lady Irving lives

husband, but her boys visit her very often.

The Empress of Austria has not vet followed the example of the court ladies around her and taken to the bicycle. She is a confirmed pedestrian, however, and daily takes a walk of from four to seven miles. She wears a short black dress that does not reach the ankles. She walks straight on wherever she wishes and her Greek teacher follows close behind, talking Greek or reading to her. Queen Margherita of Italy is now mountaineering at Gressonay, in the fair valley of Aosta. As accommodation is rather rough in this remote spot, the Queen is building a villa to be ready for use next summer. The villa occupies a beautiful site about twenty minutes' walk from Gressonay, with the torrent of the Lys on one side and an extensive view over the valley and glaciers of Monte Rosa in the background.

STOMACH AND HEAD PAINS A REMEDY.

To Avoid constipation is to prolong life. Ripans Tabules are gentle, yet positive in their cure of constipation. One tabule gives relief.

Asiatic cholera is the most rapidly fatal disease known to medical science.

The leek is indigeneous to Switzerland, whence it was introduced into England.

If afflicted with sore eyes use Dr. Isaac Thompson's Eye-water. Druggists sell at 25c per bottle Ten thousand lead toy soldiers are turned out in Nurember every day.

We have not been without Piso's Cure for Consumption for 30 years—LIZZIE FERELL Camp Street, Harrisburg, Pa., May 4, 1895.

About 400,000 pounds of soap are used in Great Britian yearly.

A German Custom.

The custom of celebrating gold and silver weddings belongs to Germany. The silver wedding occurred only on the twenty-dith anniversary, and most people could celebrate that, but to be fifty years married was a sort of an event in a family. The house was quite covered with garlands, all the neighbors from far and near were assembled.

Lack of Breeding.
"She certainly was a person of very poor breeding."
"Why do you say that?"
"She absolutely refused to enter into conversation while the quartet was singing."—Judge.
