Again This Year.

Luzerne county is still solidly Republican, despite the extra efforts put forth by the Democrats to win this year. The fact that a clean, well-balanced ticket was placed in the field by the latter party, and every section of the county given representation thereon, Induced many Democrats to hope and expect that the result of Tuesday's voting would be favorable to Democracy. The vote polled was a comparatively light one, but the Democrats lost as heavily through this as their opponents. Below will be found the vote of Luzerne county. AFTER THE ELECTION.

AFTER THE ELECTION.

The vote given Maloy in the first and fourth districts of town, and in some towns of Foster, show where the hidebound partisans live, and the Democrats will not likely forget the Republican office-seekers of those districts.

Freeland's Democratic vote on the state ticket on Tuesday was 37 less than in 1894, and the Republican vote 22 less. The Democratic majority of 90 given for Singerly has been reduced to 81 for Meyers.

The third district of town is still the banner Democratic poll of the fourth legislative district, but the vote given some of the Republicans shows that there was a little crooked work on foot. It is estimated that nearly 100 voters on the D. S. & S., more than two-thirds of which are Democrats, were unable to vote owing to the long hours they are compelled to work.

The votes cast for Maloy and Smith, against whom a religious fight was made, show that A. P. A. opposition to candidates runs them ahead of the ticket.

Hazleton reduced its Republicans in Hazleton reduced its Republicans for Maloy and Hazle majority of 352 in 1894 to 115. and Hazle

snow that A. P. A. opposition to candidates runs them ahead of the ticket.

Hazleton reduced its Republican majority of 352 in 1894 to 115, and Hazle township increased its Democratic majority of 44 last year to 118.

Maloy's vote throughout the county is proof of his popularity and shows that the party made no mistake in placing his name on the ticket.

On the fourth page will be found news of the election throughout this and other states.

states.

The fourth district last fall gave Hastings a majority of 646. This is reduced this year to 89.

The Democrats lost in Carbon, Schuyl-kill and Lackawanna also. Dunn was defeated for judge in Schuylkill by a few yeles.

The mystery surrounding the suppose of murder of the man giving his name as John Wycoff, or Weinhert, was cleared up at Wilkesbarre this week. This is the man mentioned in Monday's issue who was found on the streets and taken to the hospital, where he died in a few minutes. After death the doctors found a bullet wound over the heart. As the man had given no particulars of his case there was much speculation over the bullet wound. Ephraim H. Garris, a grocer at Luzerne borough, went to the authorities and explained the affair by stating that he shot the man.

He said that he was returning home from Kingston at 1 o'clock on Wednesdaynight, October 30, riding his bicycle. While crossing a bridge he was ordered to stop. He refused and his assalant great two shots at him, the first grazing his hat and the other skipping his fine gers. Garris was so frightened he fell of the wheel and drawing his revolver fired back at the man on the bridge. He says he heard a shrick and saw the man fall back into the water. Then without going back to investigate he remounted his wheel and rode home.
