POLITICAL PICKUPS.

At a meeting of the executive committee of the Republican county committee it was decided to hold the senatorial convention on June 30. The county convention is called for Tuesday, June 30, also. The primaries will be held the Saturday previous, June 27. The district conventions will be held June 29.

Joshua Levering, of Maryland, was nominated for president of the United States by the Prohibition party at Pittsburgh on Thursday night. The nomination was made by acclamation. Hale Johnson, of Illinois, is the candidate for vice president.

D. J. McCarthy is diligently at work caring for his senatorial boom. It has already reached proportions far beyond his friends' expectations, and knowing ones say that after next November D. J.'s name will be written with Hon. prefixed.

Doctor Rutter has the field all to himself for the Democratic representative nomination. He is not afraid of any dark horse that may be trotted out, as he has covered the district thoroughly and means to make a winning fight.

Morgan B. Williams has come out openly for congress. He says friends from all over the county have been urging him to go into the field. The contest is expected to be between Williams and Foster.

Democratic politicians believe that two of the party can be elected as commissioners this year. They claim that the voters at large want a change in the political complexion of that office.

The Republican candidates for the assembly nomination are all confident of success. Party leaders on this side say that Powell has a long lead.

Frank DePiero's chances of being one of the next commissioners are said to have improved greatly within the past month.

The Republican national convention will be held at St. Louis on the 16th inst. The Democrats meet at Chicago on July 9.

J. P. McDonald will be a candidate for delegate to the Democratic county convention from the third district of Freeland.

THE DEATH ROLL.

Three Well-Known People Pass Away Since the Last Issue.

Thomas Davis, one of the most popular young men of Upper Lehigh, died on Friday afternoon about 5 o'clock. For nearly a year past he has suffered from cancer of the stomach, and though every medical aid that could be procured was rendered him, the disease finally triumphed over the physician's skill and brought about the result stated above. Mr. Davis was highly esteemed by all his acquaintances throughout the region and his death is sincerely regretted.

The deceased was aged 24 years. He was a son of David R. Davis, of Upper Lehigh, and was married less than two years ago to Miss Maggie Fagan, of town, who, with one child, survives him.

The funeral took place yesterday afternoon, interment being made in Freeland cemetery. The remains were followed to the grave by hundreds of relatives and friends, also by the members of Freeland Council, Junior Order of Mechanics, and Mt. Horeb Lodge, Odd Fellows.

Shortly after 9 o'clock on Saturday evening Tague Timony died at his home in Jeddo. He had been seriously ill for the past few weeks, and had suffered much. He was one of the oldest residents of the town, having resided there since shortly after the place was settled.

He was a popular old gentleman and was respected by all his acquaintances. Besides his wife he leaves a family of sons and daughters, among them being Mrs. Peter McMonagle, of Jeddo; Dominic, a well-known conductor on the Traction road, and Patrick, also of Jeddo. The funeral will take place at 2 o'clock on Tuesday afternoon. Interment at St. Ann's cemetery.

Mrs. John O'Donnell, a widowed lady of Dighton, died on Friday night at 11:30 o'clock after a short illness. She was a resident of that place since its early days. The deceased leaves three sons and three daughters. The funeral will take place this afternoon at 2:30 o'clock. Interment at St. Ann's cemetery.

Entertainment on July 4.

Preparations for the Fourth of July are being made in numerous directions. The St. Patrick's cornet band has secured the Grand opera house for that evening, and will introduce some new and novel numbers at their entertainment. Among the specialists whom they have secured is P. J. O'Neill, of Ashland, who has the reputation of being the finest step-dancer in the United States.

James W. Reagan, who was seen here recently in "Erin's Shores" company, will also appear on the stage that evening, and a host of other celebrated artists will assist the band in making the event far above the average entertainment.

New Race Track Opened.

The new race track near Hazleton was opened on Saturday with an attendance of nearly 4,000. The races were confined to county horses. The first race for colts, best two out of three, was won by Nick Williams' Tortwood in 2:46 1/2. The second race had eight entries, heats being three best out of five, and was won by John Erol's Altan. Time, 2:30 1/2.

The half-mile bicycle race, best two out of three, was won by John W. Hughes, of Jeannsville, in 1:15 1/4. Geo. Herwig, of Hazleton, with his bicycle, ran against H. L. Smith's horse, a mile heat, the horse winning by 400 yards.

THE VOTERS CONSENT.

Increase of School Indebtedness Carried by a Majority of 31.

The special election held last Friday upon the question of increasing the indebtedness of the borough school district, for the purpose of building a new school to accommodate the rapidly increasing number of pupils, resulted in a vote of 140 to 109 in favor of the increase. The amount of the increase is \$10,387.95.

The voting at all the polls was exceedingly light, as the following figures from each of the districts show:

	1d	2d	3d	4d	Total
For	148	36	28	58	140
Against	43	28	12	26	109

Little or no interest was manifested in the question, and the election officers had no trouble in taking care of the votes and voters.

Compared with the vote cast in February, 1894, when the same question was voted upon, and when party feeling ran high, Friday's figures are interesting.

At the former election the result was 340 against and 290 for the increase, a majority of 50. The first district gave a majority of 53 and the fourth 39 in its favor, while the second went against it by 51 and the third by 91 votes.

Closing Exercises of the Institute.

The closing exercises of the Mining and Mechanical Institute will be held at the Grand opera house tomorrow evening. The following is the programme:

Selection, Mayberry band; salutatory oration, "Sketch of Thos. A. Edison," W. Frank Roberts; oration, "Success in Life," John Smith; oration, "Light," Daniel Sachs; oration, "Cathode or X Rays," M. N. Bergin; selection, Mayberry band; oration, "Acetylene Gas," Bernard Boyle; oration, "The Value of Chemistry in Boiler Construction and Management," Patrick J. Dever; oration, "The Theory of Magnetic Induction," Chas. Rohland; oration, "Effect of Certified Mine Foremen and Inspectors on Mine Accidents," J. J. McNeill; selection, Mayberry band; address, "In Memoriam of the late Hon. Eckley B. Cox," Col. Chas. H. Banes, of Philadelphia; valedictory oration, G. W. Barager; closing remarks, Hon. Geo. D. McCreary, of Philadelphia; selection, Mayberry band.

Morgan Wants a Retraction.

The repeated statements of the Wilkesbarre *Newsdealer*, that Morgan B. Williams received from \$9,000 to \$16,000 after John Leisenring was nominated for congress two years ago, said amount being a reimbursement of Williams' expenses in the fight, has brought a denial from Williams, and he threatens to institute proceedings for criminal libel unless a retraction is made. He claims he did not receive any money for turning in for the ticket after he was defeated for the nomination.

While the matter so far is only a question of veracity between the *Newsdealer* and Mr. Williams, there are not a few who believe that some inducement was used to bring the latter into line in 1894, and as the *Newsdealer* knows as much about the underground workings of that campaign as any one in Luzerne county, it is possible that Mr. Williams will be treated to a surprise before the paper is done with him.

Terrible Struggle in a Beer Vault.

George Fox, a Scranton saloonkeeper, had a thrilling experience on Friday morning. There is an underground vault in the rear of his saloon that was used several years ago for storing beer. The vault is 60 feet deep, 150 feet long and about 50 feet wide. There is nearly six feet of water and sewage in it. There is a small structure over it which was fitted up with apparatus for lowering the barrels into the vault. Since the place has been abandoned the building has at various times been used for storage purposes. Fox went in there and the floor gave way beneath him.

He went feet foremost and had a terrible struggle to keep his head above water on account of the bruises he sustained. He was in the vault about three hours when his shouts were heard by some children and ropes were lowered to him and he was taken out.

Roberts' Death Was an Accident.

The jury empaneled by Deputy Coroner McCombs upon the death of Griffith Roberts completed its investigations on Friday evening, and after a lengthy deliberation rendered a verdict as follows:

"That the death of Griffith Roberts, at the the Miners' hospital on the morning of May 22, resulted from concussion of the brain, caused by being struck by the first section of Lehigh Valley train No. 3, at a point opposite the turn-table, east of the Lehigh Valley shops, at Hazleton, about 10:25 p. m., on the night of May 21, 1896."

A HEAVY-HITTING GAME.

EASTON AND TIGERS POUNDED THE BALL HARD YESTERDAY.

The State League Club from the Triple City won by a score of 16 to 12—Tigers Made a Good Showing—Knocked Big Jack Lee Out of the Box.

The Tigers went under again at the park yesterday through the severe bombardment administered both of their pitchers by the Easton State League team. All the games played in Freeland this year have been conspicuous for heavy hitting, but yesterday's game established the highest mark yet made. The professionals began to slaughter the ball in the first inning and continued it throughout the game. Pitcher Kelly, a young man imported from the Wyoming region, was the easiest kind of a mark for the State leaguers and Pitcher Groux was scarcely any better.

The game began by the Tigers scoring three runs in the first inning and five in second off Jack Lee, who was extremely wild in his pitching. Easton scored two in the first, one of them being a home run on a drive over left field fence by Cleve. In the second the professionals began to light onto the ball with terrifying strength, making seven hits for a total of ten bases, which, with the assistance of two bases on balls and three errors, netted them nine runs. This gave the Triple City men a lead over the Tigers which the latter could not overcome, though they played a steady game from then on.

The game was not noticeable for any remarkable playing, and was witnessed by the smallest crowd of the season. Several difficult flies were caught by McGeohan and Kelly, but as a whole the game was uninteresting throughout outside of its batting features. Kissella, Mike Tierney and Lee led in that work for the visitors, and McFadden, McGarvey and Schmeier for the Tigers.

The score:
TIGERS. R. B. O. A. E. EASTON. R. B. O. A. E.

BASE BALL BRIEFS.

Manager Hanlon secured the Bucknell college team of Lewiston for next Sunday, but it is possible that the game may be cancelled. The guarantee required is very high and the attendance at present is too small to pay for high-class attractions.

The longest game of the season was played by two college teams, Harvard and the Princeton Tigers, at Cambridge, Mass., on Saturday. It lasted for sixteen innings and was won by the Tigers, 8 to 6.

The morning game at White Haven on Saturday was won by the Stars, 14 to 13. The afternoon game was stopped by rain in the third inning, with the score 1 to 1.
