

FREELAND TRIBUNE.

VOL. VIII. NO. 101.

FREELAND, PA., MONDAY, JUNE 15, 1896.

\$1.50 PER YEAR.

McDONALD'S.

The Fruits of Our New York Trip

are presented for inspection this week. The line of Summer Goods we have selected this year surpasses any purchases we have yet made, as it contains many pretty styles which are entirely new. Quality is a feature in all our goods, whilst prices are invariably lower, seldom as high, never higher, than elsewhere.

Ladies' Ready-Made Suits

A new line, embracing the most accepted styles, and recommended for quality and make.

Ladies' Sweaters

The proper thing for the athletic girl and others, too. Many varieties in color.

Ladies' Ties and Belts

An unusually pretty line which will distribute through the medium of extra low figures.

Children's Shirt Waists

An abundance of Waists of all sizes and colors. We will fit any child in town and charge only a small price for it.

Men's Bicycle Hose and Belts

We are prepared to cater to the bicyclists of the region in these goods. We have many styles and a large stock to pick from.

Baby Caps

A profusion of dainty headgear for infants, which we confidently assert cannot be duplicated elsewhere in town.

J. P. McDonald.

Centre and South streets, Freeland.

POLITICAL PICKUPS.

Newspaper men are getting into politics on their own account, instead of boosting other people to all the good things in life. In Carbon one of the candidates for recorder is G. W. Mortimer, of the Lehigh Advocate. The Democrats should recognize the faternity in that county by giving him the nomination. Of his election there would be little doubt.

The most badly fooled man in the county is Morgan B. Williams. He thought that by arresting Sam Boyd for libel he could shut off the *Newsdealer's* talk about that \$9,000 affair. Instead of accomplishing the object sought, the ex-senator has given Editor Boyd an opening and the latter is pouring hot stuff into him daily.

Stanley Davenport, the present register of wills, is spoken of for renomination. He was elected three years ago when the county went heavily Republican, and with that record to show for his strength there would be no mistake made in placing him on the ticket this year.

Local Republicans are taking a lot of interest in the legislative contest. All the candidates have friends in town, and the primaries promise to be unusually interesting.

Democrats are beginning to think that it is time dates were set for their district and county conventions.

Freeland's only representative at the Republican convention in St. Louis is a Democrat, E. F. Hanlon.

PERSONALITIES.

Commissioner Dullard and James Clark, of Wilkesbarre, looked over the political field in this vicinity for a few hours on Saturday.

ACCUSED OF KIDNAPING.

Ball Player Charged With Taking a Girl from a Convent.

Detective P. C. Kavanaugh, of Rochester, N. Y., was in Wilkesbarre on Saturday with a warrant for the arrest of Thomas O'Brien, left fielder in the Toronto Eastern league club, which just concluded a series of three games there. The warrant charges O'Brien with kidnaping a fifteen-year-old girl from a convent in Rochester about a week ago. What he has done with her is not known.

It was not until some days after the girl had escaped from the convent that it was found with whom she had gone and then Kavanaugh was engaged to find her and to arrest O'Brien. Kavanaugh asked the aid of the local police when he arrived at the county seat. Chief Briggs sent an officer with him to the ball game, and O'Brien was spotted. After the game Kavanaugh followed the team to Kingston where a train was taken.

At Scranton a sleeper was to be engaged on the train leaving there at 2 Sunday morning. It was expected that arrest would be made on arrival in New York state. The arrest was not made in this state owing to the trouble that would be required in procuring requisition papers.

O'Brien has made a fair record as a ball player and before the event had borne a fair reputation.

4,500,000 Tons for July.

The latest advices in relation to the anthracite coal trade tend to strengthen the expectation of an advance of 25 cents per ton on all domestic sizes of coal, both at the East and West, on July 1, and an increase in the output for July of about 1,000,000 tons to 4,500,000 tons. The advance will bring the circular to \$4.15 per ton for stove, grate \$3.65, egg and chestnut, \$3.90. These are net figures at tidewater. The nominal net prices in July, 1895, were \$3.35 for stove and \$3.20 for the other sizes, but last year actual sales of anthracite were far below the figures quoted and coal was sold in many instances at an actual loss.

Reservoir Has Been Cleaned.

During the past two weeks the Freeland Water Company's reservoir at Bivanton has been undergoing a thorough cleaning. The work was vigorously prosecuted, as the amount of water in the reservoir had to be kept very low while the cleaning was going on. The job was completed on Friday. The place is now as bright as a new dollar, and, with the facilities which the company has to keep the reservoir filled at all times, Freeland people can rest content with the knowledge that they have a supply of water as large and as pure as any town in the state.

Annual Closing Exercises.

The annual closing exercises of St. Ann's parochial school, which will be held next Saturday evening at the Grand opera house, give promise to eclipse all previous events of this character. For some time past the hundreds of school and music pupils have been diligently rehearsing under the instructions of the Sisters of Mercy, and in addition a number of ex-pupils of the school will participate. Several new and novel drills, movements, etc., will be introduced. Tickets have already been placed on sale.

Troublesome Tramps Sentenced.

Cornelius Reagan and Peter Lynch, the two tramps who were arrested on April 24 at White Haven, when the desperate conflict ensued between a gang of tramps and the White Haven police, were given their trial at Mauch Chunk last week. Reagan was sentenced to the county jail for fifteen months for resisting arrest and for carrying explosive substances on a railroad train, and Lynch was sentenced to the eastern penitentiary for one year for carrying a concealed weapon.

Preparing to Hang Eckert.

Abram I. Eckert, the murderer of Fred Bittenbender, at Nanticoke, is under sentence to be hanged on Wednesday, July 1. Sheriff Martin is quietly making arrangements for the execution of Eckert. The scaffold was recently taken out, washed and cleaned up, so that it can be put together in a few hours by means of bolts and pins. The sheriff has already received over 4,000 applications for passes to witness the hanging, but only 100 will be issued.

Boyle and Birkbeck Win.

From the Hazleton Standard. The largest gathering of the season assembled yesterday at McDoo to view the alley match between Boyle and Birkbeck, of the South Side, against Brennan and Gallagher, of Freeland. Boyle and Birkbeck outplayed their opponents at every point and won by a score of 41 to 18. They will play the second half at Freeland next Sunday.

Suicide of a Contractor.

David Roat, a prominent contractor of Wilkesbarre, died Friday morning, of laudanum poisoning, taken with suicidal intent. Financial troubles are thought to be the cause of his act. He is survived by a widow and seven children. He was 49 years old and lived there fifteen years.

PROMINENT PEOPLE DEAD.

J. J. Powers, of Freeland, and Mrs. Catherine Hentzschel, of Upper Lehigh.

At 12 o'clock last night James J. Powers breathed his last at his residence on South Centre street, near Luzerne. For the past few days he had been hovering between life and death, and the end was not unexpected. He had been a sufferer from several complicated diseases for some months, but at times he would recover sufficiently to give his attention to the tailoring business in which he was engaged.

The deceased was born in Nenah, County Tipperary, Ireland, in 1834. He came to the United States from England in 1857. At the breaking out of the rebellion he promptly offered his services to his adopted country, enlisting in Company D, First Regiment, New York Volunteer Cavalry. He served steadily through the war until his close in 1865, and had a military record which few men can excel.

After the war he returned to Brooklyn, where he married. From there he moved to Erie, and in 1884 came to Freeland. For some time he was chief cutter in Refowich's tailoring establishment, but later went into business for himself.

Mr. Powers was a gentleman who enjoyed a large circle of acquaintances, and his courtly and dignified bearing won for him the respect and esteem of all his friends. He is survived by his wife, and one step-son. The latter resides at Pittsburg.

The funeral will take place on Wednesday morning at 8.30 o'clock, under direction of Undertaker McNulty. Mass will be read at St. Ann's church at 9 o'clock, after which the remains will be interred in St. Ann's cemetery.

Mrs. Catherine Hentzschel died very suddenly at Upper Lehigh on Friday evening, June 12. She was ill only fifteen minutes. The deceased was born at Troedyhriw, near Merthyr, Wales, October 28, 1834. She lived for a number of years at Mountain Ash, in her early life, where she married her first husband, Hugh Jones, in November, 1864, they emigrated to this country, and settled for a few years at Audenried, but for more than thirty years she lived at Upper Lehigh.

On December 16, 1877, her first husband died and was buried at Upper Lehigh. About fifteen years ago she married August Hentzschel.

She was for years a faithful member of the Welsh Baptist church of Upper Lehigh, but during the last years of her life she connected herself with the English Baptist church of Freeland. She was baptised at Upper Lehigh on October 19, 1873.

The funeral will take place this afternoon at 3 o'clock. Funeral services will be held at the residence. Rev. John T. Griffith will officiate and preach by request of the deceased, from the 2nd Corinthians, 5th chap. 4th verse. She leaves a tender, careful husband, five children, one sister, several relatives and a host of friends to mourn her loss.

The memory of the just is blessed. J. T. G.

The Williamsport Convention.

The A. O. H. convention at Williamsport adjourned late Thursday night after a three days' session. Resolutions scoring the A. P. A. were unanimously adopted. The resolutions also urge renewed efforts in the upbuilding of the A. O. H., to encourage the organization of ladies' auxiliaries, and suggests the appointment of a committee to take steps for a union of the order in America; aid is also recommended for the Catholic Protectors in Philadelphia, also for the establishment of a home for the aged and indigent members.

The officers elected are as follows: State president, Patrick O'Neill, Philadelphia; state vice president, M. S. Murray, of Fall Brook, Tioga county; state secretary, William P. Bradley, of Williamsport; state treasurer, John M. Kelley, of Allegheny. The vote for president was: O'Neill, 368; Flannery, 325. Scranton was chosen as the next place of meeting.

Not Obeyed in the Hard Coal Region.

A dispatch from Harrisburg says that the French canned pea business has been satisfactorily disposed of by the state department, and they will next have a siege with the exporters of olive oil in Nice, Italy. The provisions of the pure food law are being tolerably well obeyed save in the hard coal region, where there have been numerous flagrant transgressions of the law which will bring almost immediate prosecutions. There are now at the department two different samples branded as "olive oil," from Nice, which prove upon analysis to be only cotton seed oil. The matter will be closely followed up.

When baby was sick, we gave her Castoria.
When she was a child, she cried for Castoria.
When she became a woman, she clung to Castoria.
When she had children, she gave them Castoria.

Catarah Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarah Cure is taken internally, and acts directly on the blood and mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarah. To Crowded Houses.

From the Shamokin Dispatch. Welsh Bros. show began its engagement in this city yesterday and both afternoon and evening crowded houses greeted it. It is a very delightful program that is rendered during the two hours under the canvass, and it is remarkable what high class people are engaged when the small price admission is considered. The show will remain in Shamokin until Saturday night, and it will doubtless do an immense business. At Freeland June 22-23.
