low the Sap Is Obtained and How Manufactured Into Sugar and Syru -A Profitable Thing for the Farm ers of Vermont State. nd Syrup

The Maple Sugar Indus te process of making ma The process of making maple suga and syrup is quite interesting to the majority of people of this country While some maple sugar is made i

ed man sitting on a run the tralian for horsepond) into which his body had been thrown. Numberless people saw it, and the crime was duly brought home. Even the skeptical ad mitted that this ghost seemed to be an authentic one. But some years after, a dying man making his confession said that he invented the ghost. Ho wit nessed the crime but was threatenes with death if he divulged it as he wish ed to, and the only way he saw out o the impasse was to affect to see th ghost where the body was found. A soon as he started the story, such is th nower of nervousness that numeron nower of nervousness that numeron manufactured in Vermont. The of the sugar maple begins to about March 10 usually, and confit three or four weeks according to weather. Sap will run only when thermometer registers at least 32 grees F., and stops flowing as s as the first is out of the ground to run soon as he started these that numerous power of nervousness that numerous other people began to see it, until its fame reached such dimensions that a reached was made and the body found, but to fusice. ing to the when the ast 32 de-

the early and late summer, what a world of annisomet and what a scene of muscular activity. In all these, ever so halpid, from the bait field to the oar of the boat and the clatter of the turf, there comes in a construction of the bait field of the boat and the clatter of the turf, there comes in a course parties and troublesome bruine prior man is a good athlete, nor does he develop well from such exercises without his full share of both. It is a good thing, therefore, that there is provided something which, if always kept ready is always ready to cure promptly these sudden and painful mishaps. St. Jacobs Oil, without question, passes among all sportsmen as the thing to have, pur excellence, in all kinds of sports. It has gained its best reputation from its best cures of this mature, and the man who would en-ment foolish not to keep a bottle about him. ground.
