For justice of the peace the candidates are Thomas A. Buckley on the Democratic ticket and Thomas Elliott on the Republican. The former has been elected to the position on two previous occasions by fair majorities, and is confident of winning again. He believes that he has given general satisfaction in discharging the duties of his office. Mr. Elliott is known as one of the strong men of his party, and is working hard to obtain the largest number of votes.

At the same time he would favor granting such improvements to the people of South Hoberton as they ought to have.
