"What is it, Mimy?" said she. "Anything wrong about his room?" "The Lord only knows," said Jimmie, evidently much excited.

Nothing more outrageous has recently happened, and it will be a good thing if the complications arising in Schuylkill serve to bring the question before the courts for an early opinion.

In the boroughs of Kingston, Dorrancon, Forty Fort, Luzerne and Edwardsville, there are many vacant plots of valuable coal land laid out into town lots ranging in size from 40x100 to 50x120 feet.

I could go on and multiply examples of this kind to show the gross injustice of the present system of levying local taxation, but enough is known by every property owner in the county to cause them to make a general demand for a readjustment of the present unequal methods of assessment.

There can be no doubt that the fourteenth amendment embraces the case of the present plaintiff, who, since about April 27, 1893, has been a resident of the state, and whose right to reside within the United States is secured to him by treaty between the United States and Great Britain.
