## HARD ON CORPORATIONS.

### COUNCILMEN SPOKE OUT AGAINST ALLEGED IMPOSITIONS.

Refused to Pay a Bill from the Cross Creek Coal Company and Called the Electric Light Company to Time—Full Account of the All the Business Done.

Monday evening last was a rough night on corporations around the borough council chamber. All the members were present at the monthly session of our local governing body, and they vied with one another in "standing up for the rights of the taxpayers."

According to the statements made at the meeting, the instructions given by council at previous sessions were not fulfilled, and the two alleged offenders, the Cross Creek Coal Company and the Electric Light Company, were treated in a manner which gave abundant evidence that muzzles are not worn by the councilmen of Freeland borough.

In the regular batch of bills was one from the Driffton company for \$46.80 for surveying the Public Park. There are times when suspicious statements of accounts are allowed to pass through, there being no proof that they are not correct, but this was not one of them.

The bill caused an immediate discussion, which brought forth some interesting facts. Some time ago the matter of fencing the Park was taken up by the Board of Trade. Later, in order to learn the

EXACT BOUNDARY LINES

of the ground, it was decided by council to have it surveyed to conform to the lines noted in the deed, and a communication was sent to Superintendent Smith, of the Cross Creek Coal Company, asking that an engineer and one assistant be sent to co-operate with the borough laborers in surveying and locating boundary stones.

To this an answer was received, stating that when the company would be ready to comply the secretary of council would be notified. Up to Monday evening no notification of their coming had been received by any person connected with council. However, a corps of surveyors from Driffton have spent several days in and around the Park, but the only signs of their work visible to the borough are four iron stakes, which, if they are meant to designate the boundary lines, take a slice of land 403x712 feet off the Park, as originally

GIVEN TO THE BOROUGH

by the late Eckley B. Cox in 1892. For doing this a bill of \$46.80 was rendered by the Cross Creek Company—four men's labor of thirty-nine hours each at 30 cents an hour.

The discussion terminated by rejecting the bill and appointing Councilmen Mulhearn, Rutter and Davis, with the solicitor and secretary, to wait upon Superintendent Smith in reference to the matter.

The next question to arouse the members was a petition from over eighty residents, requesting that the light on East Main street, near the Public Park, be allowed to remain there. It was discussed at great length—not the petition, but the light—and much stress was laid upon the refusal of the Electric Light Company to remove it to the corner of Luzerne and Ridge streets, after instructions to that effect having been sent them. The petition was lost sight of in the discussion, also the rumor that a councilman had countermanded those instructions, and when the talk ended the council had

DECIDED TO ALLOW NO PAY

for that particular lamp from the 1st inst.

The secretary was ordered to notify the light company of the action; also to order the West Burton street lamp changed to Burton and Laurel streets, and to again give notice to place an incandescent light at the entrance of the lockup.

While the members were in the mood, a motion was made and carried ordering the street commissioner to serve notice on the same company to remove all wires strung by them in the Park which are attached to trees, whether they are light or guide wires, within forty-eight hours. If his instructions are not complied with, the street commissioner is to have them removed, by force if necessary.

The selection of chief of the fire department was postponed, owing to the absence of the directors of the Citizens' Hose Company. A resolution was passed donating \$50 to defray the expenses of the firemen in attending the state parade at Wilkesbarre today. This was not asked for by the firemen.

The committee appointed on exonerations of dog tax reported in favor of allowing no exonerations

UNLESS THE PERSON TAXED

produces a certificate from the assessor, to the effect that the assessment was an error.

Burgess Gallagher's report for September was: Receipts, \$21.70; commissions and fees, \$12.80. Police expense: J. J. Kennedy, \$3.25; John Molk, \$1.25; D. J. Boyle, \$3; J. P. McNells, \$3; Patrick McLaughlin, \$3.25; Stanley Novak, \$2; Patrick Welsh, \$4.25; M. E. Fritz-

inger, \$3; total, \$21.

Treasurer Shigo's report was: Receipts, \$1,611.68; disbursements, \$1,530.53; balance, \$81.15.

Street Commissioner Boyle reported an expenditure of \$196.67 on streets and manholes. He was authorized to start work on the manhole at Ridge and Walnut streets.

### BILLS ORDERED PAID.

These bills were ordered paid: J. D. Myers, one ten-foot rod, \$1; R. C. Roth, repairs on tools, \$1.75; M. Halpin, repairs on tools, 64c; William Williamson, supplies, \$8.89; Freeland Lumber Company, \$13.68; Hugh Boyle, janitor and feeding prisoners, \$13.75; Freeland Water Company, rent of fire pipe, \$99; J. A. Hutchins & Co., sewer pipe, \$38.25; Pennsylvania Redstone Company, stones, \$7.95; Electric Light Company, \$211.66. A bill of \$1 from Henry Hinkle for work on lockup was laid over for correction.

Jacob Sosnowski and John E. McHugh were appointed as members of the Board of Health.

The ordinance taxing poles, wires, cars and water mains was read for the first time, then laid over for further consideration.

### Special School Board Meeting.

The borough school board met Tuesday evening in special session with Messrs. Schaub, Johnson, Sweeney and Timony present. The object was to release the bondsmen of ex-Treasurer Ferry—John M. Powell, Morris Ferry and John Arnold. A resolution was adopted releasing them and that the bond be withdrawn at Wilkesbarre.

A statement was read from Harry Jacobs, of Hazleton, showing that Mr. Arnold was worth \$45,000 over his property at the corner of Mill and Chestnut streets, Hazleton, which is included on the bond of Treasurer Timony. Mr. Arnold desired to substitute some of his other property for the above, which is the brewery, in order to have that clear of all liens. A resolution authorizing the change to be made was passed.

E. P. Kiser, of Hazleton, represented Mr. Arnold at the meeting, and with the secretary arranged the necessary papers. It was decided to postpone the regular meeting until Saturday evening.

### "Side-Tracked" on Tuesday Evening.

Large and appreciative audiences are witnessing the production of that sensational drama, "Side-Tracked," which will be the attraction at the Grand Tuesday evening. Its startling denouements and mirth-provoking situations evoke rapturous applause. The company is a strong one in every particular, and the members appear thoroughly at ease in their various characters. The specialties, consisting of up-to-date songs, duets, trios, choruses and dances, are given in a very capable manner. The principal figure in the drama is a tramp, through whose persistent efforts a mysterious crime is cleared up. This character is assumed by E. H. O'Connor, who is deserving of much praise for his performance. He is a clever singer and dancer, and is to be commended for overcoming the perceptible temptation to buffoonery. Several other artists appear to advantage in their different characters.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

Hall's Family Pills are the best.

### Great Music Offer.

Send us the names and addresses of three or more performers on the piano or organ, together with 10 cents in silver or postage, and we will mail you ten pieces full sheet music, consisting of popular songs, waltzes, marches, etc., arranged for the piano and organ. Address Popular Music Pub. Co., Indianapolis, Ind.

### Two Millions a Year.

When people buy, try and buy again, it means they're satisfied. The people of the United States are now buying Cascarets Candy Cathartic at the rate of two million boxes a year and it will be three million before New Year's. It means merit proved, that Cascarets are the most delightful bowel regulator for everybody the year round. All druggists, 10c, 25c, 50c a box, cure guaranteed.

## MONDAY'S PARADE.

### Outlook for a Large Demonstration at Hazleton is Not Encouraging.

That the parade of temperance societies in Hazleton on Monday is destined to be somewhat disappointing in numbers is shown by the following, taken from the *Seranton Index*, which is edited by James F. Judge, ex-president of the union which has voted to parade in Hazleton:

"The outlook for the success of the Hazleton parade on October 11 is certainly not encouraging. It will be a serious disappointment to the Father Mathew men of lower Luzerne county if the societies throughout the diocese fail to participate in the annual parade, as the representatives of the various societies agreed upon, in union convention at Nanticoke last May.

"According to reports St. Leo's Battalion, of this city, is the only organization north of Wilkesbarre that has voted to go to Hazleton, and it is probable that that organization will rescind its action.

The societies at Wilkesbarre, Nanticoke, Plymouth and of other towns in the Third district are not very enthusiastic on the subject; their taking part in the parade at Hazleton this year is very doubtful.

"The first district societies voted on last Sunday that, instead of going to Hazleton, they celebrate the day at Carbondale, and on Sunday evening previous to the parade a rally and entertainment will be held.

"The Hazleton people will be sorely aggrieved at the action of those societies whose delegates in convention voted Hazleton the parade and now decide to parade or remain at home. It is not fair treatment, and if the *Index* be not greatly mistaken the effects of the disappointment to the Hazleton societies will result disastrously to the Diocesan C. T. A. Union."

### CHURCH CHIMES.

The Wilkesbarre conference of the Lutheran ministerium met at Hobbie this week. The election of officers resulted as follows: Rev. L. Lindenstruth, president; Rev. J. J. Kuntz, English secretary, and Rev. J. W. Randolph, German secretary.

At St. Paul's P. M. church Miss Clara Boyd, of Philadelphia, will conduct special services on Sunday at 10:30 a. m. and 7 p. m., also each evening at 7:30 o'clock during this and next week.

Rev. Allan J. Morton, of Kingston, will preach in the Welsh Baptist church, Fern street, on Sunday. Sermon at 2:30 p. m. in Welsh and 6:30 p. m. in English. All are invited.

Rev. D. M. Jones, of Lansford, will occupy the pulpit of the English Baptist church on Sunday. Rev. T. J. Griffith, the pastor, will preach that day in Scranton.

Rev. S. Cooper, of town, will preach the annual missionary sermons at Girardville P. M. church on Sunday.

### UPPER LEHIGH NOTES.

Organizers Fahy and Richards formed a branch of the Mine Workers here on Tuesday night. The meeting was held in Foster school house and forty-eight members were enrolled. The society will have a large membership in a short while.

William Silk's cow, which was advertised as lost in the  *Tribune*, was found dead yesterday near No. 3 slope. The cause of the animal's death could not be told, but it was probably struck by an engine and walked to the spot where it died.

Michael Ponto, the Hungarian who was injured by a locomotive on Friday, died at Hazleton hospital on Tuesday. The remains were sent to his relatives in Philadelphia for interment, with money raised by his fellow-countrymen here.

### Mine Workers to Organize.

A branch of the United Mine Workers of America will be organized here on Sunday afternoon at 2:30 o'clock. The meeting will be held in the Grand opera house hall, and will be addressed by Organizer John Fahy, of Pottsville, and Thos. J. Richards, of Minersville. All mine workers who believe that their conditions in life should be bettered are requested by the committee to attend and join the organization. The aims, objects and benefits of the order will be thoroughly explained at the meeting.

### Killed in a Plymouth Mine.

On Tuesday a fearful explosion of gas took place in the Parrish mine, at Plymouth. The place where it occurred is used as a rock dump. These men were killed as the result of the terrible aftermath: Isaac Edmunds, aged 55; George Eddy, driver, aged 23; Louis Richards, aged 32, driver boss, married, two children. The door had been left open, which allowed the gas access to the place, and it was set off by the lamps of the men.

### Two More Deputies Held.

George Triebel and Fred A. Schleppey, two more of Sheriff Martin's posse in the Lattimer shooting, went before Judge Bennett on Tuesday morning and entered \$6,000 bail each for trial on the charge of murder and felonious wounding. Triebel is the deputy who was shot in the arm and Schleppey says he was sick. There are still two deputies missing, N. Brown and one named Pfaff.

## Celebrated Their Anniversary.

The members of the Citizens' Hose Company celebrated the thirteenth anniversary of the organization by holding a banquet at Frank Eberts' hotel last evening. Forty-five members of the company and the council participated. After disposing of the best season affords, a number of addresses were delivered by the newly elected officers and others, and a spirit of enthusiasm in the company's work was developed. The organization is at present in good condition.

Previous to the banquet the regular monthly session was held at the fire rooms. The question of accepting the donation of \$50 made by the council on Monday evening, to pay the expenses of a delegation at Wilkesbarre today, was settled by tendering a vote of thanks for the money but refusing to accept the sum for the purpose stated. The members are willing to accept the donation and buy additional equipments which are badly needed at fires, but will not spend a cent of borough money for other than legitimate purposes.

The new officers, as published in the  *Tribune* a month ago, were formally elected, and the vacancies in the board of directors were filled by choosing W. J. Timney, Edward O'Donnell and Roger McNelis. These, with the six councilmen, will select a chief for the fire department.

### Death of John McNulty.

John McNulty, a resident of town for the past ten years, died on Monday afternoon at his home in South Heberton after an illness of one month. The deceased had been in feeble health for several months, but lately he gave signs of growing stronger and it was thought he would survive his last illness. Consequently his death was a surprise to his friends, and of these he had many, his long residence in the region having won for him the esteem of all his acquaintances. He is survived by his wife and the following grown-up sons and daughters: Daniel, of Carbondale; Patrick, of Silver Brook; Andrew, of Freeland; Mrs. John Ward, of Silver Brook; Misses Sophia, Bridget and Rose, of Philadelphia.

The funeral took place this morning. After a requiem mass was read over the remains at St. Ann's church, the funeral left for Hazleton, where interment will be made in St. Gabriel's cemetery.

### Patents Granted.

Reported by C. A. Snow & Co., Washington, D. C.

M. Davis, Jr., Scranton, coal-separating machine.

W. Hay, Scranton, key touch-regulator for musical instruments.

J. Thomas, Cataqua, cultivator.

J. Beadle, Shickshinny, rail-joint.

A. Hartig, Cataqua, slip-joint for scrub-brushes.

E. L. Miller, South Bethlehem, envelope.

G. Pendleton, Jr., Carbondale, closure for packages.

G. J. Stein, Mount Carmel, bottle-washer.

C. E. Swingle, Luzerne, barrel-tapping wrench.

### Five Assessors at the Next Election.

At the election for borough officers next February an assessor will be elected in each ward, instead of one for the whole borough, as at present. These assessors so elected will also have the same duty to perform in their respective wards as is now done by the assistant assessors, in the making up of registry lists of voters. This change is caused by the dividing of the borough into wards, and is under the act of May 8, 1895. Five assessors will be chosen in February. The office of auditor is the only one to be filled by the vote of the whole borough.

### Mine Workers to Organize.

A branch of the United Mine Workers of America will be organized here on Sunday afternoon at 2:30 o'clock. The meeting will be held in the Grand opera house hall, and will be addressed by Organizer John Fahy, of Pottsville, and Thos. J. Richards, of Minersville. All mine workers who believe that their conditions in life should be bettered are requested by the committee to attend and join the organization. The aims, objects and benefits of the order will be thoroughly explained at the meeting.
