Yannes' opera house was crowded with hundreds of couples and the dance was enjoyed until an early hour next morning. The enterprising committee managed the affair with commendable success.

**Republicans Laying Their Plans.**

A conference of the Republican county candidates and the local leaders was held in town last night. How to turn the tide of public sentiment that has set in in favor of the Democratic ticket was the all-important question. No definite conclusion was reached, but it is understood that money will be freely poured in here. The feeling at the meeting was that boodle must be lavishly used in Freeland, and the heifers are exceedingly happy today.

## PREPARING FOR A BIG MEETING.

Saturday evening's mass meeting of the voters of Freeland and vicinity at the Grand opera house will be one of the greatest opportunities of this campaign for the citizens of the North Side to become intimately acquainted with Democratic candidates and the issues they represent. The meeting promises to be a very large one, judging from the interest manifested in it by the party workers of both the town and the surrounding polls. This interest is not confined alone to the English-speaking citizens, but extends among the voters of all the nationalities of the neighborhood.

There is no orator in Luzerne county who is more capable of presenting Democratic doctrine to an audience, whether the subject be a national or local one, than the candidate for district attorney, Colonel Thomas R. Martin. His address on Saturday evening will be worth traveling miles to hear, and every voter who absent himself from the meeting will miss a rare treat.

Paul Dasch and Edward Lynch, the candidates for prothonotary and clerk of the courts respectively, will also give the voters their views on the issues of the day.

At least two other orators of note will address the English-speaking element, but at this writing the local committee is not quite positive who they will be. Addresses will also be delivered by prominent members of the Slavish and Polish races, and the subjects of the day will be treated upon in an able manner for the benefit of these people.

Every voter, and every workman especially, is urgently requested to attend the meeting.

**Death of James Jones.**

James Jones, who for many years resided at Upper Lehigh, died on Tuesday at the home of his daughter, Mrs. Walter Moses, in New Buck Mountain, Schuylkill county. The deceased was aged about 65 years and had many friends in the Lehigh region. He is survived by three sons and five daughters, as follows: Mrs. Walter Moses and Mrs. Owen Gibson, New Buck Mountain; Mrs. David Williams, Seattle, Washington; Mrs. Mary Ann Jones and Miss Adelaide, Upper Lehigh; and James, of Wilkesbarre; Benjamin, of Plymouth, and Reese, of Seattle.

The funeral will leave his late residence today, after services have been held there, and arrive at the Lehigh Valley station at 2:20 o'clock this afternoon. Services will follow at the English Baptist church, Rev. J. T. Griffiths officiating. Interment will take place at Freeland cemetery.

**She Is Too Young to Marry.**

John Menitz and Mary Cusmack applied for a marriage license at Wilkesbarre on Tuesday, but were refused by the register. The girl seemed much under age, evidently only about 13 years old. Her father, John Cusmack, said she was 16 years old, but could not give any date or proof that she was that age. He pleaded poverty and showed his hands crippled from burns by mine gas. He said his prospective son-in-law had volunteered to support the entire family if he was given the girl in marriage. The register refused to grant the license and told Cusmack that if he was so poor the place to go was to the poor directors.

**Foster Teachers' Institute.**

Foster township school teachers have arranged the following program for their next institute, which will be held in the Woodside school house on Saturday:

**Adjusting the Park Trouble.**

The committee of council appointed to wait on L. C. Smith, of the Cross Creek Coal Company, relative to the survey of the Public Park, met the superintendent at his office on Tuesday evening and went over all the details of the trouble. Another meeting will be held on Friday afternoon, at which Mr. Kudlick will be present. From the present outlook the matter will be adjusted satisfactorily to all concerned.

## DAYLIGHT LOOTING OF A DEPOT.

The Delaware, Lackawanna and Western station at Plymouth was robbed at noon on Tuesday by an individual who gave his name as Paul Hamilton, of New York City. He gained entrance to the ticket office by prying open the door and bursting the cash drawer with a coupling pin. William Williams, the agent, had just gone to dinner when the fellow committed the deed. William Lawrence, assistant freight agent, was sealing a car and upon looking towards the office saw the fellow thrusting money into his pocket. He knew Williams could not have returned so soon and becoming suspicious he ran towards the door.

Hamilton saw him running and prepared to make an exit. Both met in the door and the robber struck Lawrence a violent blow in the mouth, badly cutting his lip. The fellow escaped and ran up the railroad to the planing mill, out to the river bank, where he pulled the money from his pocket and cast it into the water. He then ran down the railroad, where he dodged into a nearby coal house, where he was captured.

The burgess committed him to jail for trial. The amount of money taken was about \$2, which sum was in nickels and dimes.

**Ballots Reported Stolen.**

The voters of the Second district, in the South ward, were given a surprise in the early part of the week by the circulation of a report that the ballot box had been opened and the ballots taken therefrom. It is alleged that the residence of Anthony Gallagher, who was judge of the district at the last election, had been entered at some time in the recent past and the ballots taken from the box, which was secreted in the upper portion of the dwelling. The ballots, it is claimed, were returned Sunday morning, by leaving them in a parcel in Mr. Gallagher's coal house.

The voters of the district were naturally exercised when the judge made public the circumstances of the case, and several immediately began to investigate, with a view of locating the guilty party or parties. It is understood that prompt prosecution will follow if the thieves are discovered. Mr. Gallagher is not positive when the deed was done, but thinks it was a few weeks ago, as about that time \$10 was missed from the pocket of his wife's dress.

**May Lose the Sight of His Eyes.**

John B. Hanlon, employed in the blacksmith shop at Jedd, was the victim of a very painful accident on Tuesday morning. While striking a piece of red-hot iron on a chip flew off and struck him in the right eye. Dr. Kalb was summoned and extracted the iron and relieved his intense suffering as much as possible. Mr. Hanlon was brought to his home here, and upon the advice of his physician, Dr. H. M. Neale, he was taken on Tuesday afternoon to Will's Eye Hospital, Philadelphia, for treatment. It was accompanied to this institution by his brother, Edward. It is feared that the sight of the right eye is entirely lost and the other may be affected. Much sympathy is expressed for the young man.

**Settled With Contractor Riebe.**

The borough school board met Monday evening. Directors McCarthy, Sweeney, Timony and Johnson were present. A settlement with Contractor Riebe was effected after the latter threw off his bill for extra work. He was then paid \$1,620 and assigned the balance due him, \$1,430, to the Hummelstown Stone Company, A. A. Bachman and William Johnson. This action clears the board from all claims of the contractor.

No effort was made to resume voting for the assistant teacher decided upon at Saturday evening's meeting. President McCarthy gave adverse views on such action, and that settled it.

## FROM THE COUNTY SEAT.

**VICTORY IS CERTAIN IF THE DEMOCRATS GET OUT THE VOTE.**

**Confident Feeling Exists at the Party's Headquarters in Wilkesbarre—All the Candidates Are Working Hard—Encouraging Reports from Every District.**

Wilkesbarre, Pa., October 19.

If the Democrats in and about Freeland could step into the handsome Democratic headquarters, located on Public Square, and presided over by as bustling, able and courteous a gentleman as ever filled the chairman's place, Rush Prescott, Esq., who is ably assisted in the secretaryship by that bright young lawyer, Ray VanHorn, they would have cause for rejoicing.

Assuredly the outlook is bright. Every scout that comes in from the outposts brings news of the most encouraging kind. The Democrats seem to be full of genuine enthusiasm. They are certain that victory awaits their united efforts on November 2.

On the other hand the Republican leaders carry gloomy faces and are sadly cast down. They realize that they are in a hole. They concede, as far as they dare, that the

**BREEZES FAVOR THE DEMOCRACY**

this year. The rank and file are listless and morose. They threaten, in many cases, to bolt the ticket which is so obnoxious to them. Their discontent arises, primarily, from the fact that men who have made small fortunes in the offices they have held for the past three years, are again candidates for the same places, and they claim this is unfair to others equally entitled to recognition. This second term business is raising old Ned.

The Democracy were never more certain of success than they are at present. But they realize that it will not do for any Democrat to remain at home on election day. The

**VOTE MUST BE GOTTEN OUT**

and if this is done victory is sure.

Paul Dasch, the candidate for prothonotary, who is too well known in Freeland to need any special eulogium, is making friends wherever he goes. His handsome face and manly form attract attention, and not a few Republicans aver that they will cast their votes for him.

T. R. Martin, Esq., candidate for district attorney, is pushing his canvass with a vim. He is up early and late and seems never to tire. He is a Democrat of Democrats, his long record standing out clearly as one to be proud of. He is an able lawyer and it is pretty certain that should he succeed Fell, the present incumbent, that he will not have to call in private counsel to assist him in intricate cases at a heavy expense to the county, as Mr. Fell has done.

**DURING HIS ADMINISTRATION.**

Ed J. Lynch, the nominee for clerk of the courts, has a host of friends who are doing all they can for him. Mr. Lynch is mighty popular and is up night and day in the interest of the whole ticket. He will make a splendid showing on election day and will go through with the balance of the ticket.

One happy sign is the perfect harmony and good feeling that exists between the Democratic candidates. They work together and seem determined if one is chosen all shall be. Let the Freeland Democrats take off their coats and work from now on with their whole souls for the ticket. With the Democrats once more in power in Luzerne it will be a long time before they will be routed.

**Protesting Against McKenna.**

From the Philadelphia Times.

The American Protective Association will oppose the appointment of Attorney General McKenna to the position of associate justice of the supreme court to fill the vacancy occasioned by the resignation of Associate Justice Field, on the ground that McKenna is a Roman Catholic. President McKinley has been notified of the intention of this organization.

After two nominations had been rejected by the senate, President Cleveland appointed Senator White, of Louisiana, to be associate justice, and he was very promptly confirmed. It was only after his confirmation that the A. P. A. leaders ascertained that he was a Catholic. Then it was too late for them to protest. They say one Catholic on the bench is enough.

What President McKinley will do cannot be ascertained. It is known that the attorney general is slated for the supreme court vacancy and that he expects the appointment. Those who know President McKinley believe that he will make the proposed appointment regardless of the protests of the organization which seeks to inject religious issues into the body politic.
