The County Contest.

m the Wilkesbarre Leader. Republican State Chairman Elkin in interview Monday said he did not oeet that more than 60 per cent of t fall's vote would be polled this year. all probability his is a liberal esti-te.

a an producting ins is a normal extension. Last year Luzerne county polled 22,-Last year Luzerne county polled 25,-its votes for McKinley and 17,305 for tryan. Assuming that each party polls 0 per cent of that vote this year, it could stand 13,628 Republican to 10,283 Democratic, thus insuring a Republican anjority of 3,315, but no one for an in-tant, not even the sauguine Republican andidates themselves, expects such a esuit.

ust be remembered that about must be remembered that about 0 Democrats last year voted for Mc-ley straight, while about 300 voted Palmer. This is a very conservative mate, for the returns show McKin-s majority to have been from 2,000 to 0 more than that of the Republican any candidates, and can only be pointed for in this way. These noerats will vote the Democratic ty ticket this year beyond doubt, this will take 600 votes from the ublicans and add 780 to the Demo-s, leaving the amended results **a*** bleans and add 780 to the Demo-, leaving the amended results as ws: Republicans 13,028, Demo-11,063, or a Republican majority 465 to overcome under normal cir-taneos

55 to overcome under normal cir-ances.
v a change in one direction of only votes would elect the ticket this, out the personality of the candi-has its effect in the home precincts, even that trend is decidedly towards Democratic candidates and the d popularity of the Republican dates is not equal to that of their cratic opponents. This can be n in the cases of two of the candi-beyond the shadow of doubt. In when George Llewellyn was a can-e for prothonotary, he fell behind leket 1,370 votes. The same year 'ell for district attorney ran behind votes. Nothing to show great per-popularity in these figures. the personal popularity question and Llewellyn will each fall be-and that part of the problem is

and that part of the problem is

stion now is, can the Demo-rer 1.000 Republicans who ticket last fall. The *Leader* y can. If fact the *Leader* silvely that they can and cratic candidates and the unittee know how to do it, securing these votes every t the votes are coming to the without any solicitation or t the votes are coming to the is without any solicitation or firth fit atever. The candidates and little have the battle won to-little have the battle won to-right fit provide the vigit-conn. Wills the victory be taken from the have work must be the from t tained and matter the vigit-tracy, renewed exertion must the the victory be taken from taken from the victory be taken from tak
