An exchange says a cigarette is a roll of paper, tobacco and drugs, with a small fire at one end and a large fool at the other. Some of its chief enjoyments are condensed nightmare, fits, cancers of the lips and the stomach, spinal meningitis, softening of the brain and a funeral.

People at Weatherly are talking about a bear that was shot last week by George Fleckinger and Abe Gregory. The bear was a young one, weighing 155 pounds. Some of the meat was sold at 30 cents per pound. The bear was killed south east of White Haven, between the Lehigh and Tobyhanna rivers.

## Death of James Givens.

James Givens died at 4 o'clock on Saturday morning at the residence of William Meelan, on South Washington street. Death was due to heart failure. The deceased had been a resident of Freehold for several years, and previous to his coming here lived at Buck Mountain. He was engaged in the restaurant business for many years and was well-known in the region. His wife died a few years ago, and for some time past his health has not been good. Mr. Givens is survived by a sister in Scotland. He was also a brother-in-law of Mrs. Hugh Gallagher, of town. The funeral took place this morning.

True bills—Andrew McNulty, Freehold, larceny, James Seiwell, prosecutor; Andrew Boltz, Sandy Run, assault and battery, Susie Fortal, pros.; Peter Keeney, Jedd, assault and battery, Mike Zurka, pros.; Andro Kasardo, Jedd, felonious assault, John Slapack, pros.

## Lansford Ejectment Suits.

The ejectment suits of the Lehigh Coal and Navigation Company will be taken up against Celia McHugh and Patrick Gildea, of Lansford, at this term of Carbon county court. The other cases will not likely come before the court for some years. In an ejectment suit the plaintiff must win two cases out of three before the ejectment becomes operative. If this fight is carried on to a finish it will take years to settle it.

## New Hospital Superintendent.

The trustees of Hazleton hospital held a meeting on Thursday to elect a superintendent in place of Dr. Keller, resigned. Dr. Walter Lathrop was the successful candidate. He is a graduate of the Pennsylvania university, and for two years has been on the medical staff of the Wilkesbarre hospital. The salary of superintendent of the hospital is \$2,500 per annum.

## POLITICAL PICKUPS.

Certificates of nomination for township and borough officers must be filed with the county commissioners at least eight days before the day of election. Nomination papers must be filed fifteen days before election. Exceptions to all papers filed must be filed at least twelve days before the day of election. In determining or reckoning the time the day upon which the act is done, paper filed or notice given shall be excluded from and the day of election shall be included in the calculation or reckoning. Election this year takes place February 15. January 28 is the last day to file certificates of nomination, January 31 to file nomination papers and February 3 is the last day to file exceptions.

Foster Republican committee has agreed upon Saturday evening, January 15, as the date for holding the township primaries. The convention will be held at Woodside school house the following Monday night. The school director contest is the principal one of this year.

The Democratic committee of Freehold borough will meet at A. Goepfert's hotel on Thursday evening, January 13, at 8 o'clock, to select dates for holding the delegate elections and convention. By order of the committee, A. Goepfert, chairman.

Among the Democrats who are seeking the nomination for school director are A. Goepfert and Peter G. Gallagher, of the Fourth ward. Both men have entered the contest with a determination to win.

Foster Democrats have fixed upon January 15 as the date for the delegate elections. The convention will be held on Wednesday evening, the 19th inst., two days after the Republicans.

The Republican committee in the borough has not yet announced the date for its nominating convention.

## Roll of Pensioners.

The New York Sun on Friday published a list of all pensioners who receive \$50 a month or more from the government. The list included the following veterans of Luzerne county: Levi Bittenbender, Hazleton, \$50 per month; James D. Gallup, Hazleton, \$72; Thomas McCann, Plymouth, \$73; Luke O'Brien, Avoca, \$73; Joseph D. Richards, Pittston, \$73.

The rate of \$100 per month is granted by the general law for the loss of both hands, the result of causes due to the military or naval service of the United States. There are none of that class in Luzerne county.

The rate of \$75 per month is granted by the general law for the loss of both feet, the loss of both eyes, and also for total and permanent disability requiring the regular aid and attendance of another person, the result of causes due to the military and naval service of the United States.

The rate of \$50 per month is granted by the general law for total disability for the performance of manual labor, requiring frequent and periodical (but not regular) aid and attendance, as the result of causes due to the military or naval service of the United States.

There is considerable talk just now of frauds in the pension roll, and this has led the Sun to print the entire list of those who receive large amounts, so that the frauds, if there are any, may be smoked out.

## Salaries of County Officials.

The county commissioners, county controller and other county officials, at a secret meeting Wednesday, fixed the salaries of the new officials and deputies as follows: Prothonotary, \$6,000; deputy, J. T. L. Sahn, \$1,800; clerks, Edward Lynch, J. L. Santee and J. C. Mulligan, each \$1,200; minute clerks, R. Van Horn and J. P. McAndrew, each \$2.50 a day while court is in session. The clerk of courts will get \$3,500; deputy, Thomas Haines, \$1,800; clerks, Reese Lloyd and L. R. Holcomb, each \$1,200; minute clerk, C. Jeffries, \$2.50 per day while court is in session.

## Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

## Not a Handbill Man.

Whether a class-leader in Sunday school or prayer meeting, or as postmaster general of the United States of America, or as philanthropist and friend of presidents, or as one of the most successful business men in the world, John Wanamaker, of Philadelphia, is conspicuous for what he says and does, being keen, accurate and generally wise in word and deed. The following extract is from an interview with him on his manner of advertising and the results thereof:

"I never in my life used such a thing as a poster or a dodger or a handbill. My plan for twenty years has been to buy so much space in a newspaper and fill it up as I wanted. I would not give an advertisement in a newspaper of 500 circulation for 5,000 dodgers or posters. If I wanted to sell cheap jewelry or run a gambling scheme I might use posters; but I would not insult a decent reading public with handbills. The class of people who read them are too poor to look to support mercantile affairs. I deal directly with the publisher and I say to him:

"How long will you let me run a column of matter through your paper for \$100 or \$500?" as the case may be. I let him do the figuring, and if I think he is not trying to take more from my share I give him the copy.

"I lay aside the profits on a particular line of goods for advertising purposes. At first I laid aside \$3,000. In 1896 I laid aside and spent \$40,000. I have done better this year, and shall increase the sum as the profits warrant it. I owe my success to newspapers and to them I freely give a certain profit of my yearly business."

## Woman's Awful Death.

Mrs. Margaretta Gray, aged 48 years, was burned to death on Friday morning at her home in Wyoming, this county. She was the mother-in-law of County Controller Joseph Lloyd. Mrs. Gray arose about 7 o'clock to prepare breakfast for her mother. She had started the fire and was on her way up the cellar steps with some bread when the lamp either exploded or fell from her hand, and her clothing caught fire.

How it happened will never be known. She must, on discovering that her clothing was on fire, have rushed up the cellar stairs and into the pantry for water, and not finding enough there evidently then thought of seeking the aid of her mother.

The unfortunate woman found her way through the kitchen, sitting room and then in the hallway leading to the stairs to go to the second-floor bedroom. Before reaching the steps, however, she was overcome by smoke and fire.

## Base Ball Talk.

From the Mauch Chunk Democrat.

There is a very strong sentiment among the local base ball cranks in favor of electing Ed. Gaffney manager and captain of next season's team. They rightly argue that with a man of Gaffney's executive and coaching ability in absolute charge of the men, the team would be 20 per cent stronger, with the same players, than it was last year.

Broderick, McFadden, Gillespie and Bonner, according to their most intimate friends, have all expressed themselves as desiring to play in Mauch Chunk again next season notwithstanding the many offers made them by other towns.

## Church War Ended.

The fight for the possession of the Polish Catholic church at Mill Creek, near Wilkesbarre, is ended and there will probably be no further trouble. The church and parochial residence are in possession of the proper persons. On the advice of counsel, and in conjunction with the earnest persuasion of other priests of the diocese, the warring factions have ceased to carry on hostilities. Jacob Schall, the church treasurer, upon whom an attachment of execution was levied, has turned the money into court. The judgment was opened and the sale stopped.
