Another Train for Freeland.

The new time table of the Lehigh Valley Railroad is published for the first time today. Since it went into effect, on February 20, the public has been at a loss to learn how many trains a day the new schedule gave to Freeland. A perusal of the table, as given in an adjoining column, shows that we are not quite as badly situated as some thought.

This morning a new train was put on, leaving here at 8:45 o'clock and making connections at the Lumber Yard for all points East. It returns at 9:25 a. m., bringing in the morning mail the same time as was done under the old time table.

If the 6 o'clock morning train, with mail connections, should be put on a again, and a connection given with the Philadelphia and New York train which leaves Hazleton at 1:45 p. m., no further complaints would be heard. The taking off of the morning train, and stripping off of all connections with the large cities after 8:45 a. m., has made it inconvenient for many people.

Freeland's present mail service is as follows: Mails close at postoffice at 7 a. m., 11:20 a. m., 2:10 p. m. and 6:20 p. m. Mails arrive at 9:35 a. m., 11:54 a. m., 2:20 p. m. and 6:34 p. m.

New Pastor for a Freeland Church.

The fifth annual conference of the Holiness Christian Church was held in Weatherly last week. Almost a hundred pastors and delegates were present, and the conference lasted four days. Pastors were appointed for the several congregations. Rev. W. P. Austin, of town, was transferred to Chester, and Rev. William Marks was given charge of the Freeland circuit.

Reports from each pastor of the work done in his charge were very encouraging and show large increases in the membership. The association will apply for a charter under the laws of Pennsylvania.

On the report of the committee appointed to form resolutions and bylaws for a Young People's Holiness Christian League considerable discussion was had and it was disapproved by a vote of 16 to 7.

Presiding Elder Jonas Trumbauer, of Philadelphia, was elected president of the conference, Rev. Thomas J. Wright, of Conshohocken, secretary, and Rev. W. P. Austin, of Freeland, treasurer.

War Fever Strong in Freeland.

The strained relations existing between the United States and Spain, and the possibility of war being declared, has had its effect upon the patriotically inclined people of town. If hostilities should begin it is certain that Freeland's quota of warriors would respond at the first call. War is the main subject of conversation wherever citizens gather, and among those who express their ready to go the front at once are several members of Maj. G. B. Cox Post, G. A. R. The old veterans are beginning to feel young again as they read of the extraordinary precautions and preparations that are being made by the government. The foreign-born citizens of town are also taking a deep interest in the matter. Nearly all have served in European armies, and should their adopted country require their aid the military knowledge they possess would make them valuable recruits.
