Was the Oldest Man in Monroe.

The Stroudsburg Times of last week contained the following notice on the death of the father of F. H. Albert, of Freeland:

"At the ripe old age of 85 years, Henry Albert, one of the best known landmarks of the county, died in his residence on Sunday afternoon at 2 o'clock. The cause of death was old age, although up to about six months ago the old gentleman was in fairly good health. He has only been confined to his bed for the past three weeks.

"There is no doubt but that Henry Albert was the oldest male resident of Stroudsburg and was a familiar figure on the streets of both boroughs. The deceased was born in Smithfield township and would have been 85 had he lived until June 20 next.

"The deceased has always lived in this county and told many interesting stories illustrative of the county's growth. For over forty years Mr. Albert taught school in different places, including this borough. A wife and a large family survive the deceased."

Prohibition Nominations.

The Prohibitionists are the first in the field with a state ticket. It was nominated at Harrisburg on Friday and is as follows:

Governor—Rev. Dr. Silas C. Swallow, Harrisburg.

Lieutenant governor—E. D. Nichols, Wilkes-Barre.

Secretary of internal affairs—Sterling W. Dixon, Berwick.

Judge of the superior court—Lewis D. Vail, Philadelphia.

Congressman-at-large—George H. Garber, Pittsburg; Pennok E. Sharpless, Delaware county.

It is regarded as an exceptionally good ticket and the 600 enthusiastic delegates pledged themselves to work for and try to elect it.

Saturday Evening's Entertainment.

"Imogene" was reproduced at the Grand opera house on Saturday evening in a capable manner. The cast was the same as before and all acted their parts in a satisfactory manner. The dancing of Peter Quinn, of Philadelphia, was enthusiastically applauded. The tableau, "The Star Spangled Banner," made a pretty opening for the evening.

The closing scene, representing a wonderfully realistic battle between an American and a Spanish warship, was the best of the kind ever tried here, and the designer, Patrick Dever, was warmly congratulated upon his success in the line of spectacular work.

World's Record Broken.

Thomas Kibon, proprietor of the Stroudsburg Woolen Mills, on Thursday delivered to him a complete suit of clothing made from the wool of sheep whose fleeces was sheared that morning.

The world's record of eight hours, held in Scotland, was broken by one hour and fifty-four minutes. The suit was delivered to Mr. Kibon a few minutes before 1 o'clock, at his residence, and in a few minutes he was attired in it. Previous to Mr. Kibon lowering the world's record, of from sheep to finished clothes, it was held by a mill at Gallashiels, Scotland, and the time was eight hours.

Killed While at Prayer.

Miss Sarah Phillips, of Auderick, aged 24 years, was instantly killed on Thursday morning by a lightning stroke. She was on the attic engaged in her prayer when the bolt came through the roof. When found a short time afterward her hands were clasped as if in fervent devotion. The bolt which killed her tore away a considerable portion of the house.

LOCAL WAR NOTES.

As several Freeland people have friends and relatives in the Ninth Pennsylvania, those who wish to keep informed of its movements should remember its position in the Volunteer Army now forming. When the troops move to Cuba and active operations begin, only the larger formations of the Army will probably be reported and the Ninth to some extent will be lost sight of. Those who desire to know where it may be at any time can help to locate it by remembering that the Ninth Pennsylvania, Second Missouri and First New Hampshire form the Third Brigade of the Third Division of the First Army Corps. The regiment is commanded by Col. C. B. Dougherty, the division by Brigadier General J. S. Bates and the corps by Major General John B. Brooke.

A large flag was hoisted on a high pole in front of Sandy Run store on Saturday. The flag was purchased by popular subscription. The exercises in connection with the unfurling consisted of a parade of the townspeople, music by Eckley band, addresses by Rev. Bisehoff and Rev. Hartman, Harvey Hoffman and Jerry Woodring and vocal selections.

Governor Hastings has ordered the reorganization of the National Guard of this state. It is to consist of three brigades, each to contain three twelve-company regiments of infantry, one troop of cavalry and one battery of artillery. In the event of another call for volunteers by the president Pennsylvania's quota will be filled from the new guard.

UPPER LEHIGH NOTES.

Hon. John Leisenring and Patrick Cunningham spent part of last week at Michael's hotel, Monroe county. Fishing was not as good as expected, owing to the high waters.

Harry B. Price is at Winona, Indiana, as one of the four commissioners who are representing the Lehigh presbytery in the general assembly of the Presbyterian Church.

Miss Annie O'Neal, who came home from Philadelphia a short time ago, returned to that city this morning. Her sister, Miss Maggie, accompanied her.

The funeral of Charles, the three-month-old child of Mr. and Mrs. Patrick Murrin, took place yesterday and was largely attended.

The Jersey Central's repair gang has finished work upon the big railroad trestling here, and the structure is now as safe as new.

Miss Mackey, the popular teacher of Butler school, has finished her term and has returned to her home in Plymouth.

John O'Neal and Dennis Ferry, who left town last week in search of work, are now at Bellwood, Blair county.

Calvin Boyer has secured work at Wilkes-Barre and is now located there.

James Brogan's smile is much larger than usual. A new girl is the cause.

Dame Rumor has it that two of our young ladies will marry next month.

Elect Two Sets of Delegates.

The Democratic district convention, held in Hazleton on Saturday to elect delegates to the state convention, broke up in a row, and two sets of delegates were elected to represent the district. Before the break-up blows were given each other, and at one time it seemed as if a general fight would take place between the spectators and the delegates.

Chairman Bigelow, who represented the Garmanites, withdrew his delegates to another room in the building and there by averting what threatened to be a big riot. The Harritites then elected as delegates Harry Jacobs, James P. Gorman and Edward Hanlon. Garman's friends elected John Bigelow, James Gallagher and Condy O. Boyle. The fight will be carried to the state convention.

Washburn's Great Shows.

Leon W. Washburn's great allied shows, big circus, museum and hippodrome will exhibit here on Friday, May 29. Reports from all quarters pronounce the above shows the leaders in tented attractions and cannot fail to interest the masses. That it possesses many rare animals never before seen in this country, the only real aquatic show of sea animals, a great hippodrome, a triple circus and many phenomenal living wonders is without question. Its career has been a triumphant success. It is enthusiastically received and immensely patronized everywhere it spreads its tent and it is said to give a better entertainment and more of it than any other organization in America. The newspapers are unanimous in its praise. A grand outpouring of the populace here on show day may be looked for.

Temperance Convention Ended.

The convention of Catholic temperance societies held last week at Kings-ton ended on Friday. During the proceedings a number of matters of interest to the members of the union were considered. One of the features of the convention was the adoption of an order enjoining secrecy upon members in relation to society business. The protest of St. Mary's Society, of Eckley, against members of their parish joining the Young Men's Corps, of Freeland, was referred to the spiritual director. The question of admitting Greek Catholics to membership was decided in their favor, they being in affiliation with the see of Rome. Wilkes-Barre was chosen as the place to hold the annual parade on October 19.

The resolutions adopted renew the fealty of the union to the cause of total abstinence, recommend that special attention be paid to the organization of ladies' societies and cadet societies, appreciate the noble impulses which prompted our government to intercede in Cuba and favor a vigorous prosecution of the war until every vestige of Spanish rule is driven from this hemisphere. The desire of England to form an alliance with the United States is looked upon with distrust and the union goes on record against such until self-government is granted to Ireland; regret upon the death of Gladstone is expressed.

The officers elected are all new ones, except the secretary. They are as follows: President, Rev. J. J. McCabe, Avoca; first vice president, J. C. Gallagher, Scranton; second vice president, W. R. Gilroy, Archbald; secretary, George McLaughlin, Freeland; treasurer, William Maloy, Carbonade. The following were elected as delegates to the national convention: Michael McGarry, Scranton; Joseph H. Finn, Sugar Notch; P. A. O'Neil, Wilkes-Barre.

Summit Hill Council Under Bail.

From the Lansford Record.

On Wednesday warrants were served upon the present members of the Summit Hill council, charging them with misdemeanor in office, by furnishing labor and supplies and voting money illegally. Andrew Breslin is charged with furnishing lumber and supplies; John Fink with doing smithing; Edward Fisher with accepting pay as health messenger; William T. Jones, Thomas Young, Thomas Robert and Henry McDish with being employed as laborers on the borough roads. The charge against the other members is for voting to pay these men for labor and supplies furnished. All appeared and entered bail for a hearing before Squire Lewis on May 28. The prosecution is being pushed by the Lehigh Coal and Navigation Company, but others are at the bottom of it, on account of personal difference with some members of the council.

The readers of this paper will be pleased to learn that there is at least one cured disease that science has been able to cure in all its stages and that is catarrh. Hall's catarrh cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address:
