AN ADJOURNED MEETING.

COUNCILMEN MEET AND RECEIVE REPORTS OF COMMITTEES.

An Effort Will Be Made to Settle the Street Troubles on the Hill—Complaint Made of Poor Light—Wheelmen Built Their Path on Wrong Side of Street.

The borough council held an adjourned meeting on Monday evening. The members of the fire committee reported that the new hose cart and hose had arrived and is in the hose house. The police and lockup committee recommended that the sewer be extended into the lockup and council room. Action upon it was laid over until some future meeting. A communication was read from Joseph Neuberger, relative to a nuisance existing on the alley near his property which was referred to the sanitary committee for investigation.

The street committee reported that they had held several conferences with property owners on West Walnut street, and requested council to allow them more time to complete their report, which will be ready by the next regular meeting. The time was granted them.

The secretary was authorized to notify all property owners along the north side of West Walnut street, as far west as John W. Davis' alley, to meet with the committee at the office of Solicitor Stroh between 7 and 8 p. m., next Monday evening and those on the south side of the same street to meet on Tuesday evening to discuss the matter of sidewalks, etc., on that street.

The park committee reported having sold the dancing platform, stands and seats that were in the Public park, as the property of the Citizen Hose Company, to H. M. Breslin for \$5. Mr. Kline turned over the money to Treasurer Powell, of the hose company, and before doing so stated that Mr. Breslin took away more seats than belonged to the firemen. The park committee was instructed to investigate the matter.

Mr. Kline also reported that the Associated Wheelmen had constructed the cycle path along the south side of Main street through the park, instead of the north side, as they asked and obtained permission for. The park committee was instructed to investigate the matter, and if good and sufficient reasons are shown why it was done, and no injury resulting therefrom to the trees or road, to allow it to remain on the south side, otherwise to have it removed.

William E. Oberender asked permission to lay a three-foot concrete sidewalk along the east side of Ridge street, alongside of his property, there being no reservation for sidewalk on that side of the street. It was referred to the street committee.

Councilman Davis spoke about the two lights on the Hill being very defective, and asked that steps be taken to remedy the matter. The secretary was authorized to notify the Electric Light Company to have these lights attended to.

The street commissioner was authorized to attend to the crossing on the alley between Centre and Ridge streets, near J. P. McDonald's property.

PERSONALITIES.

William Boyle, a bright young Irish lad, arrived on Tuesday at the home of Condy O. Boyle. He made the trip across the Atlantic alone and will make America his permanent home.

Big Welcome for the Ninth.

The Ninth Penn'a Volunteers reached home at 10 o'clock Monday night after five months' campaigning and were welcomed in Wilkes-Barre by 30,000 people from all over the county. The night was lit with the glare of red fire, and loud with the boom of cannon, the shriek of whistles, the blare of firetrumpets and the ringing of bells, and this continued from the time the train entered the city limits until the regiment reached the army.

The streets through which the regiment marched were brilliant with light and gay with the color of bunting and colored lanterns. The parade was headed by Alexander's band, the police and the firemen of the city in dress uniform; then came the regiment and behind them the members of the reception committee; the city officials and the members of the city council in carriages. The march was a short one, the men going almost directly to the army. There long tables were spread, and were well-laden with substantial eatables. The soldiers were waited upon by a committee of one hundred ladies.

The regiment looked in fairly good shape, although of its 1,200 men less than 900 were in line. Twenty-four gave up their lives, twenty-five are sick in the hospital at Lexington, Ky., a dozen at Harrisburg, half a dozen at Philadelphia, and the remainder are home on sick leave, several being in the Wilkes-Barre hospitals. Those who are strong enough to walk marched with their companies and dined at the army.

The twelve companies of the regiment went direct to Wilkes-Barre, and after the big reception the soldiers were given a month's furlough, at the expiration of which they will be mustered out, unless the peace negotiations fail.

Next day the companies from other towns left for their homes, and every place repeated the big reception of Monday night. When Company K, of Bethlehem, reached its home the crowd at the station was so great that Mrs. Michael Talbot, who was waiting to welcome her soldier son, was pushed in front of the train and killed.

Carver W. Jackson, of Company B, died at his home at Harvey's Lake on Saturday. He was aged 26 years and was home on a furlough owing to his attack of typhoid. He is the twenty-fourth member of the Ninth to die.

Charles L. Stofflet, of Company L, is the twenty-fifth member of the regiment to die of typhoid. He was 23 years old and lived at Ashley.

Arested for Making Threats.

Roman Koteski, of Jeddo, was the defendant in a case of threats, preferred by E. A. Oberender, of the Cross Creek Coal Company. Mr. Oberender testified, as did also two of the employees of the company, that on Friday afternoon, September 9, between 4 and 5 o'clock, Koteski appeared at Drifton and inquiring for the mine boss. When told he was still in the mines he wended his way to the office. He inquired whether the collieries would work on Saturday, and when informed in the affirmative, he at once began to threaten the officers. The accused denied the charge, and claimed that he worked in No. 4 Jeddo on the day in question, and could prove an alibi. He is a Pole and seems about half-witted. Alderman Laubach held him in the sum of \$1,000 bail, in default of which he was committed.

Deafness Cannot be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Not a Trust Product.

Bartel's beer should commend itself to every workman who is opposed to monopoly. The brewery at which this beer is made is not affiliated with any trust or combination, its employees are well paid and accorded every privilege workmen could ask for. Besides, Bartel's beer is not surpassed by anything in the market in purity. Ask for it. All up-to-date dealers sell it. Chas. Bockowski, agent.

On to Eckley.

At Cycle Path grove, Eckley, on Saturday evening of next week, will be held the greatest picnic of the season. The Shamrock drum corps will conduct it, and the members intend to make the affair as enjoyable as possible. All kinds of sport and amusements will be on hand to give pleasure to those who attend.
