## BRIEF ITEMS OF NEWS.

### PARAGRAPHS GATHERED FROM ALL PARTS OF THE REGION.

#### Synopsis of Local and Miscellaneous Occurrences That Can Be Read Quickly. What the Folks of This and Other Towns Are Doing.

The Switchback Railway will close for the winter after October 31. The present season has been exceedingly successful.

Maj. C. B. Cox Post, G. A. R., will be officially inspected this evening at the post room by Inspector Thomas Monroe, of Hazleton.

The mine employes at Highland, Jeddo, Oakdale, Ebervale, Upper Lehigh and Sandy Run will be paid on Saturday for their work in August.

The Good Wills Athletic Association is making preparations to entertain its friends at the ball at Yannes' opera house on Friday evening of next week.

Commissioners Needham, Bigelow and Kelly met yesterday afternoon at Attorney Carr's office and took testimony on the necessity of dividing the South ward.

Mrs. Edward Wright, of Wanamie, died of burns received while trying to extinguish some lard and turpentine which had caught fire. She inhaled some of the flames.

At Upper Lehigh on Tuesday the Hungarian driver on the dirt bank at No. 2 colliery was blown off the truck by the high wind. His legs were bruised and he was hurt internally.

Steady work continues at the mines, and in a short while buyers will begin to make purchases. If the merchants of Freeland wish to keep this trade in town they must advertise their goods.

Patrick Dever, while at work in Drifton boiler shops on Monday, had a piece of steel embedded in his left foot. He is suffering intensely from the wound, as the steel has not yet been removed.

President McKinley's private secretary has promised that a proper investigation of the death of Private Schmidt, of Hazleton, will be made. It is alleged that the young man was neglected during his illness.

A Polish laborer in the stripping below Oakdale was instantly killed yesterday afternoon by a heavy fall of clay. He resided at Japan, and was well-educated and quite prominent among his countrymen in this vicinity.

John Hudock, who whipped Coal and Iron Policeman Raught at Hazle Brook police last spring, was taken to Mauch Chunk jail this week to await trial on the charge of beating his boarding mistress at Beaver Meadow.

Edison's animatroscope at the Grand opera house next Wednesday evening ought not to be missed by persons who wish to spend a pleasant evening and at the same time witness the workings of one of the world's most marvelous inventions.

Services at St. John's Reformed church, Rev. J. B. Kerschner, pastor, next Sunday, are as follows: Preparatory services in German in the morning and in English in the evening. Regular services at Eckley at 2.30 p. m. All are kindly invited.

James Stout, of Hazle Brook, regrets that he was not in church on Sunday. He was out gunning in the swamp near Lumber Yard and his gun was accidentally discharged, the entire load penetrating his left leg. He may lose the limb.—Sentinel.

Dr. J. T. Rothrock, state commissioner of forestry, will deliver an illustrated lecture entitled "Beautiful Pennsylvania," at Cross Creek hall, Drifton, on Monday evening. Admission will be by tickets, which can be obtained free of charge at Drifton office.

James B. Breslin, one of the best known and most popular men at Warrior Run, was injured in the Davis mines so badly Monday morning by a fall of top rock that he died two hours afterward at the Mercy hospital, Wilkes-Barre. He was burgess of the borough.

David Zimmerman, of Huntington township, was accidentally shot by Dr. H. C. Bacon while hunting and seriously wounded. Dr. Bacon's gun was accidentally discharged and the charge entered Zimmerman's face, tearing out an eye and disfiguring him horribly.

The borough school board on Monday evening again failed to meet, on account of the absence of a quorum. Messrs. Laubach, Sweeney and Krommes were the only members present. Mr. McBrierty was asked to care for all pupils who attend night school until the salary matter is settled.

Jacob W. Lattig, superintendent of telegraph and signals of the Lehigh Valley Railroad, has resigned his position. The resignation, which was purely voluntary on the part of Mr. Lattig, was tendered so as to permit him to enter a partnership with friends to establish a coffee plantation in Cuba.

## A Freeland Student Poisoned.

The friends of Michael Capece, a son of Nicholas Capece, of town, were surprised this week to learn of his serious illness in Denver, Colorado. The young man is studying for the priesthood at Sacred Heart college, in that city, and with several other students and priests at the institution became ill last week. After several unsuccessful efforts to ascertain the cause of the general sickness, the water in the artesian well, from which the college is supplied, was analyzed and was found to contain poison. The college officials and the authorities of Denver are now at work searching for the perpetrators of this dastardly attempt to commit wholesale murder, and a large reward has been offered for the arrest of the guilty party.

The latest telegrams from St. Joseph's hospital, where Mr. Capece is being treated, indicate that his condition is critical.

#### Largely Attended Funerals.

The remains of the late John Branigan were buried in St. Ann's cemetery on Tuesday, after a requiem mass had been read in St. Ann's church by Father Mack. The funeral was attended by Division 41, A. O. H., and Jeddo Funeral Benefit Association, also by a number of friends and acquaintances.

All that was mortal of the late Mrs. Mary Maloy was laid at rest in the same cemetery yesterday morning. A requiem mass was read by Father Mack. The remains were followed to the grave by hundreds of her friends and neighbors many out-of-town people.

#### Married Yesterday Afternoon.

James Dwyer, of Freeland, and Miss Annie Shaver, of Drifton, were married by Rev. J. W. Bischoff, of Upper Lehigh, at the home of the bride's parents yesterday. The bridesmaid was Miss Sallie Campbell, of Hazleton, and Oscar Mock, of the same city, was groomsmen. The couple left yesterday afternoon for Perth Amboy, to spend a short while with Mr. Dwyer's parents, after which they will visit New York and other cities. Upon their return they will take up their residence on Adams street.

#### Firemen After Insurance Money.

The members of the Citizens' Hose Company met last night. John M. Powell was re-elected janitor of their rooms. An adjourned meeting will be held next Tuesday evening to discuss the question of the state's share of insurance money. The councilmen will be requested to be present, as well as all members who are able to do so, as this is a very important question, the matter having been taken up at the late state convention of the Firemen's Association.

#### Deputy Henry Diehl Returns.

From the Hazleton Standard.

Henry Diehl, a member of Sheriff Martin's deputies, who disappeared immediately after the Lattimer affray a year ago, returned on Tuesday just as mysteriously as he disappeared. He was well clothed, and seemed to have enjoyed prosperity during his long absence, something more than can be said for his family whom he left behind, and who at intervals were compelled to appeal to the poor district for aid.

#### Ravine "Squeeze" Spreading.

The squeeze in the Ravine shaft at Pittston continues to spread in the Checker and Pittston veins. A large force of men are unable to stop it, as the squeeze has extended to the air shaft and has prevented the running of the carriage to all the veins. Men are now busy timbering in the shaft to keep back the squeeze and to make an effort to clear the shaft so that the carriage can be run without being jammed fast.

#### Benefit Ball Tomorrow Evening.

Almost 800 tickets have been sold for the benefit ball at Yannes' opera house tomorrow evening. The ball will be conducted by D. S. & S. employes, assisted by Jeddo young men, and the net receipts will be donated to the widow of one of their companions. St. Patrick's band will furnish the dance music. The committee respectfully invites everybody to attend.

#### Hospital Patient Improving.

Bernard Boyle, of Walnut street, who was taken to the Presbyterian hospital, Philadelphia, for treatment a few weeks ago, is improving. A large piece of loose bone in his foot has been removed, and it is thought this will permit the injury, which was received in the mines three years ago, to heal and that the foot will become as strong as it was before the accident.

#### New York Excursion Postponed.

The business men's excursion to New York city, October 26 and 27, advertised in previous issues, has been postponed on account of Peace Jubilee celebration at Philadelphia.

#### Half Rates to Philadelphia.

Via Lehigh Valley Railroad, October 24 to 27, account Peace Jubilee. A grand celebration. Consult Lehigh Valley ticket agents.

#### Dancing School at Yannes' Opera House.

Saturday evening by St. Patrick's band. Admission, 25 cents.

## REPUBLICAN RALLY.

#### Smallest Political Meeting Ever Held in Town Was Last Night's Gathering.

The Republican rally at Yannes' opera house last evening was the smallest political meeting that has ever been held in Freeland borough. The apathy of the party advocates and workers was never more apparent than it was last night. Many Republicans on the streets absolutely refused to go near the hall, and the few who did attend were devoid of enthusiasm. The Citizens' band rendered some selections on the street and in the opera house, and attracted about forty voters, several of whom were Democrats. Many of these departed before the speakers concluded.

George T. Brown, Esq., was chairman of the evening and opened the rally with a few appropriate remarks, after which he introduced W. W. Tothoroh, a spell-binder from Chester county. Had the audience been of the size usually furnished by Freeland voters, the speaker would undoubtedly have delivered a stronger political address. As it was, talking politics to a cold, unsympathetic assemblage required no small amount of courage, and Mr. Tothoroh realized this. He therefore confined his remarks wholly to fairy tales and humorous anecdotes, which seem to be his forte, and said no more on political questions than was really necessary. His stories were enjoyed by the little gathering, and a larger audience will attend if he comes this way again, which is not likely.

J. M. Evans, of Mercer county, who looks like as if he has been holding some large fat political office for several years, was the next and last to try to warm up the building. He talked war, war, war. Then he told why he thought it was necessary that the Republicans should be elected next month. Then he retired.

A telegram from Hon. W. H. Fairless, of Virginia, stating that he missed connections for Freeland, was received. Mr. Fairless was counted upon to do the heavy work on this occasion, and his failure to appear made the meeting a political rally in name only.

#### POLITICAL POINTERS.

The meeting of the Democratic county committee on Tuesday was one of the most encouraging held in years, and the reports from every district indicate that an extraordinary large vote will be polled by the party on November 8. There seems to be no longer any doubt that Chairman Dasch and his colleagues will carry Luzerne for the county nominees by from 2,000 to 2,500 and for the state ticket by at least 1,000 more.

Dauphin county court has declared L. H. Barber to be the regular Democratic candidate for congress in the Eighth district and E. P. Williams the regular Democratic candidate for associate judge in Carbon county. John E. Lauer and E. R. Enbody, who claimed to be the regular nominees for the above offices, will run independent.

The friends of D. M. Evans claim he will poll a large vote for representative in this district. It is known that Evans' strength is puzzling the Republican machine considerable. In the meantime Hugh Sheridan is gaining friends daily and expects to lead both Evans and Snyder.

The Hazleton Standard is authority for the statement that ex-District Chairman William F. Adams, of Beaver Brook, has broken away from the Quay machine and is openly supporting Swallow.

George A. Jenks and other prominent Democrats were given an enthusiastic reception at Wilkes-Barre on Tuesday. On Saturday evening Mr. Jenks and party will deliver addresses at Hazleton.

Rev. Dr. Swallow, Prohibition candidate for governor, is booked to arrive here at 9.30 a. m. on Thursday, November 3, and to deliver an address at the Central hotel at noon.

Dr. Smythe, who claims to have been counted out of the nomination for coroner at the Democratic convention, has filed independent papers and will run on the Citizens' ticket.

## Death of Patrick Cannon.

Patrick Cannon died on Tuesday morning at his parents' residence on South Centre street, aged 17 years and 12 days. His condition for some time past had been serious, and his sufferings of late have been intense. The young man's illness is thought to have originated from the kick of a mule, received about a year ago in Highland mines. Last July the injury compelled him to take to his bed, and after receiving medical treatment the physicians decided that an operation was necessary and on the 18th of that month he was taken to the Miners' hospital at Hazleton, where a tumor was removed the following day. He remained at the miners hospital until August 15. After his arrival home he improved steadily for a few weeks. Later he suffered a relapse, and he steadily grew weaker until Tuesday morning, when he died.

The deceased was an exemplary young man and his parents, Mr. and Mrs. John Cannon, have the sympathy of all who knew him. The funeral takes place this afternoon at 2 o'clock. Interment will be made at St. Ann's cemetery. The Good Wills Athletic Association, of which he was a member, will attend the funeral in a body.

#### Labadie Company at the Grand.

The Oliver Labadie Company began its week of repertoire at the Grand on Monday evening. There are some first-class people in the company this year, and good business will be done by them before leaving town. The opening play, "Cuban Justice," met with a good reception from a full house. This is not one of the many plays having the late war as an excuse for being written, but is a standard drama and the manner in which it was presented was quite satisfactory to the audience. The specialties were also fairly well done.

"Nobody's Child" was well played Tuesday night. Owing to the inclement weather, the house was not as well filled as it should have been.

"Ingomar" was given last evening to a large house, and the production was as good as it could be made at popular prices. The fine dramatic points of the play were brought out by the several members of the cast with a clearness that won repeated applause from the critical audience present.

Tonight "Faust" will be played, "East Lynn" Friday evening and "For Liberty" on Saturday evening. A matinee will be given on Saturday.

#### Lafayette Day Celebrated.

Lafayette Day was celebrated yesterday in Foster township schools. Each teacher was permitted to arrange a suitable program for the observance of the anniversary, and in several schools the exercises were of a high order and reflected credit on teachers and pupils. The day's celebration was marred, however, in one school near Freeland, through the refusal of a talking machine to talk. The professor at this particular school, to make his program complete, borrowed a graphophone, but neglected to get instructions on the working of it, and when he turned the wonderful apparatus loose on the assembled pupils and their parents not a sound came forth. For two hours the professor struggled for mastery over the machine, then coaxed and pleaded with the graphophone to talk or sing or do something. Finally the entertainment had to be postponed.

#### Ninth Is in Service Again.

It is expected that the Ninth Penn'a will be mustered out Saturday, October 29, ten days after the expiration of the furloughs which the men were given. All men are on active duty with their companies since yesterday morning and will be allowed their regular pay and ration money, amounting to 50 cents per day for the extra ten days—an increase of 25 cents per day. This extension of time is given in order to give the officers in charge of the work of mustering out sufficient time to make the physical examination of the men and look over the records of the companies. Six officers will be sent, and if any company can get ready to be mustered out before the day set such company will be mustered out at once and paid in full.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c.

Hall's Family Pills are the best.

## MINERS' NARROW ESCAPE.

#### FIRE THREATENED THE LIVES OF SEVERAL HUNDRED MEN.

A fire in the Midvale east of the Lehigh Valley collieries Tuesday morning threatened the lives of several hundred Wilkes-Barre miners employed there, but, owing to the foresight and the quick alarm given by the men on the surface, they were all got out of the mine without injury. About half-past 9 the fan house at the head of the Prospect shaft was discovered to be on fire. The flames spread rapidly. The first thought was for the men in the mines, for the stopping of the fan meant that their lives were in instant danger, owing to the collection of the gas. Messages were sent down to the foot tender and hurried through the mine and the men got out very rapidly.

The fire when first discovered was very small, but the constant and heavy draft of the fan spread the flames so rapidly that in a very short time the entire roof of the building was in flames, which rose a hundred feet in the air. People from all the towns nearby were attracted to the scene, fearing that there had been a big accident.

Fortunately Superintendent Chase was at the mine at the time and he directed the work. The mine's fire company did efficient service, and with the aid of a large bucket brigade the fire was prevented from spreading to the shaft and to the big new breaker which is just being completed. The air shaft, however, caught fire and was slightly damaged.

The fire was caused by a red-hot bolt dropping from the top of the new breaker, where there are men riveting on the iron roof.

#### Resolutions of Condolence.

At a special meeting of Division 41, A. O. H., on October 17, 1898, the following preamble and resolutions were unanimously adopted:

Whereas, It has pleased our Heavenly Father to call from our midst our beloved brother, John Branigan, who departed this life at his home in Jeddo on October 16, 1898. Therefore, be it

Resolved, That in the death of Brother Branigan this division has lost an earnest and faithful worker, the order a noble and worthy member, the Catholic Church a zealous and devout communicant and the parish a respected and esteemed citizen.

Resolved, That the demise of such a man shall not pass unnoticed by this organization without a fitting testimonial to his character, integrity and honest life, and we hereby testify to his worth as a citizen and Hibernian and as a father and husband.

Resolved, That to his bereaved widow and family we tender our heartfelt sympathy and mourn with them in the great and irreparable loss they have sustained.

Resolved, That as a further mark of respect to the memory of our deceased brother, the charter of the division shall be draped for a period of thirty days, a copy of these resolutions shall be placed on the records and published in the FREELAND TRIBUNE, and a copy presented to the family of Brother Branigan.

John J. Carr,  
Charles J. Gallagher, } Committee.  
D. S. Buckley.

#### The Celebration of the Year.

At Philadelphia, October 25 to 27. All patriotic citizens should attend this mammoth Peace Jubilee. The Lehigh Valley Railroad will make half rates to Philadelphia for this occasion. Tickets will be sold October 24 to 27; return limit October 31, and will be honored on any of the numerous trains except the Black Diamond express. An impressive naval review; civil, industrial and military parades; unveiling of the Grant equestrian monument in beautiful Fairmount park; dedication of the restored Independence Hall; grand juvenile chorus, will be some of the interesting features of the three days' celebration. President McKinley and his cabinet, the governors of the original thirteen states, Lieutenant Commander Wainwright, the hero Hobson and many others of distinction are expected to be in attendance. Consult Lehigh Valley agents.

#### This Will Not Last Forever.

The big sacrifice sale begun last week by Refowich Bros. will not last forever, therefore let there be no delay in your purchases. The opportunity to buy clothing, hats, furnishings, etc., at unheard of low prices is here now, and not in many years again may this chance be offered to you. Come while the assortment is complete. The goods are warranted and cheap. It is a genuine sacrifice sale, as the prices on the fourth page plainly show. Remember the place, the Refowich building, until lately occupied by the Guarantee Clothing Company.
