

EVERYTHING A SACRIFICE. MUST GO!

Owing to reasons best known to the proprietor and manager of the Guarantee Clothing Company, this popular firm has decided to discontinue business in Freeland, and the entire stock, consisting of Men's, Boys' and Children's Clothing, Hats, Caps and Gents' Furnishings, has been bought by

REFOWICH BROS.,

who will continue the business at the same stand in the Refowich Building. Mr. I. Refowich, who so ably conducted this clothing store here for so many years until a few years ago, will again take charge of the establishment and will once more give the people of Freeland and surrounding towns as large and fine an assortment of clothing to select from as can be had anywhere. He will have all goods manufactured at Freeland, and again you will be able to buy Refowich's Home-Made Clothing, which the public well knows will outwear and outlast any other make of clothing sold in the market. In order to make room for the immense stock which will immediately be manufactured on the premises, Refowich Bros. have decided to sell out the entire line carried by the Guarantee Clothing Company at less than 42 cents on the dollar. The Guarantee people did not wish to remove this tremendous stock to the city and sold it to us at less than the cost of material, hence we can offer it to you at prices far below the ordinary rate. Remember this was to be the first fall season of the Guarantee Company in our town, so the stock is strictly new, made up in the latest styles, having been prepared for this season's trade. The cloth is of the finer grades and every garment contains the best workmanship. This purchase also included a large and very well assorted line of fine piece goods for overcoats, suits and trousers, many of them being imported goods.

THIS IS THE CHANCE OF A LIFETIME! We have been wide awake to your interests—be wide awake also, and take advantage of it. During our many years in business we can state positively that never before have we known of such a sacrifice as this. Do not delay in making your purchases, but come at once while the assortment is complete.

FREELAND, PA., OCTOBER 20, 1898.

COLONEL STONE'S TEN THOUSAND.

His Fee Three Times Larger Than the Amount Recovered—The Accusation, the Admission, and All the Details.

In the Philadelphia Press of April 13, 1897, was an address delivered by Major George W. Merrick, of Tioga county, who was a schoolmate of Colonel W. A. Stone, the Republican candidate for governor, in which he said:

"I have undertaken to state from the stump that Colonel William A. Stone, now of Allegheny, late of Tioga county, is the slated candidate for governor; that his candidacy was agreed upon by the powers that be some two years since; that he had served the machine faithfully, during the whole of his political life; that he said to me frequently during the past eight years that his great ambition in politics was to be governor, but that he could not be a candidate for office until the 'Old Man' said so, but he would be when he did say so; that two years ago in the senatorial campaign, he made the declaration that his relations to Mr. Quay were such that his political fortunes would rise or fall with those of Mr. Quay. I asserted also that I did not deem him a safe man for governor to stem the tide of corrupt approach upon the state treasury, since in private life he had charged the state \$10,000 for collecting \$2,400.

"Mr. Stone has undertaken to deny the last statement. Addressing a meeting at Royersford, April 13, he said: 'It has been said that I charged the state \$10,000 for a case which returned \$2,400. I never made a charge against the state.' By this statement I understand Colonel Stone to deny the allegation that he received a fee of \$10,000 for collecting \$2,400. Does he mean to charge me with accusing him falsely? I will submit the record, and you may judge, gentlemen, who is guilty of duplicity.

"In Colonel Stone's speech last week in Williamsport he said, alluding to this charge: 'I was pained when my old comrade, Mr. Merrick, stated here in the city of Williamsport, not for the purpose of helping me but to injure me, that I had charged the state of Pennsylvania \$10,000 for collecting \$2,400. This is an old story and retold in the campaign against me in 1890, but I never lost a vote. I never denied the facts, and I do not deny them now, but I never presented a bill or made any charge. That is 12 years ago, and is known to everybody in Allegheny county, and now Major Merrick is reviving that old tale.' On Dec. 14, 1897, a clergyman of Wellsboro wrote him as to the truth of this allegation, asking for information, saying: 'In reference to the report that for some years ago you had charged the state of our commonwealth. I shall be pleased to receive an answer to this question.'

"In reply to this letter Candidate Stone, in a letter dated Washington, Dec. 20, 1897, from which I now read, said: 'The matter of the fee which you speak of occurred nearly 12 years ago. My fee was not fixed by me, but it was fixed at the request of the auditor general attorneys in Pittsburg at \$10,000, which the state paid me. Of course I am aware that my enemies will raise many objections to my candidacy, which will appear from time to time in the newspapers, but it is not my purpose, nor has it been my practice, to pay attention to them.'

Major Merrick is a prominent attorney. He is a Republican and a native of the county where Candidate Stone was born, and lived many years. He was Stone's schoolmate and his friend in later years. He was everything that would have inclined him to be Stone's friend. Charges of so grave a character, coming from such a source, would be a serious business, even without Stone's admission of their truth, as above avowed.
